Hire Architect, Rush Work On Harrison School Addition

The John B. Parkin firm which was recently engaged to design a fourth public school for Georgetown was again hired by the school board at their regular monthly meeting Wednesday night, this time as the architects for the new 4 room wing to be added to Harrison Public School in the Delrex subdivision.

It was agreed by the board at an emergency meeting two weeks ago that the addition was the only solution to the attendance problem in that area. A report to the board from Harrison principal Harold Henry showed that the average increase, set at 15 pupils per month according to a survey presented to the board at an earlier meeting, had taken a sharp climb and that double the set number had registered during the month of November. He said that the heavy influx of new pupils was apparently continuing into December and to that date, Dec. 4th, had maintained the high average of one new pupil a day. The board is hoping that the registrations will drop back to the 15 pupil level so that a decision between staggered classes and dropping kindergarten will not have to be made prior to March. A suggestion by the Harrison principal to the effect that each grade take a turn at being staggered for a short period from the time it becomes necessary until June, found favour with the board and will be considered as a possible solution. This system used for a short time would probably eliminate any hampering affect of staggered classes on the pupils' education.

The school board will soon be moving into their new board room at Harrison Public School. At Thursday's meeting members selected the furniture for the room which included 12 chairs, board table, and secretary's desk. A typewriter and adding machine are also needed. The Harrison teachers' room is presently being used for meetings.

A committee of teachers from Harrison Public School has been authorized to select and purchase drapes for the teachers' room and principal's office. The drapes will

be lined and of a pattern apart from that to be used in the classrooms throughout the new building. Experimental sun curtains are being hung in one classroom and if they pass the fade and sun glare test will be ordered for the other rooms.

Mr. Henry notified the board of a new association formed last month by the principals and assistant principals of the three local public schools. Mr. Henry is chairman and Logan MacDonald secretary of the new group, which will meet monthly to discuss problems and maintain uniformity in the schools.

Bonnie Anne Pirie was engaged as a new member of the Harrison Public School staff by the board. Her duties will commence January 1st.

ASHGROVE CHRISTIAN VOCATION SUBJECT FOR TALK AT YP BANQUET

The Christmas meeting of the WMS was held on Monday evening, December 2nd at the home of Mrs. Frank Wilson with a splendid attendance of members and visitors. Community Friendship, Mrs. Harvey Nurse, Supply, Mrs. Vern Pickett; assistant, Mrs. J. M. Bird; Citizenship, Mrs. Thos. Giffen; Associate Helpers, Mrs. Ward Brownridge; Missionary Monthly and World Friends, Mrs. Bruce Brigid; Mission Band, Mrs. Murray Brigid; assistant, Mrs. Jas. Carney; Baby Band, Mrs. John McNabb; pianist, Mrs. Thomas Brownridge; auditors Mrs. Frank Ruddell, Mrs. J. H. Hunter. Meeting closed with a social hour.

The Bright Star Mission Band held their Christmas meeting on Sunday afternoon at the home of Doreen and Thelma Carney with seventeen members present and several mothers. Robert Brigid presented and Karen Brigid was pianist, and opened with the Mission Band prayer. All sang the hymn "Away in a Manger" and the roll call was answered by a way in which we can give gifts to our Lord. Secretary's report read by Barbara Blackett and treasurer's report by Nancy Hunter. Their leader, Mrs. Murray Brigid gave the missionary prayer, the story was told by Mrs. Ward Brownridge and a piano solo by Barbara Blackett and a lovely duet by Doreen and Thelma Carney.

Offering was taken up by Stuart and John Nurse, Ellen Hunter gave the closing prayer, Karen Brigid thanked the hostess and all who had helped in the meeting. After a delicious lunch the leader gave each child a treat as they were going home.

The annual Young Peoples' banquet was held in the church basement last Friday evening when eighty persons sat down to a turkey dinner with all the trimmings. The tables looked lovely with red and green Christmas decorations and red and white candles. After everyone had done justice to the food the minister Mr. Brown was chairman for a short program opening with a toast to the Queen and all sang the National Anthem. Then Bill Wilson proposed a toast to the Church with Mr. Thomas Brownridge responding. A toast to the Young People was proposed by Mr. Thos. Blackett and responded to by Fred Barnes. Ross Austin with much wit and humour thanked the ladies for the sumptuous banquet to which Mrs. J. H. Hunter replied. The guest speaker, Rev. Morgan McFarlane of Georgetown addressed the gathering on "A Christian vocation in our modern world." He said we live in a serious time. What is our vocation in life? Our goal posts should be relationship to God. He referred to Russia's advance in science and said we don't need the thrills of Sputniks. We are losing God, it doesn't matter so much where we came from but where are we going? He asked the young people to dedicate their lives, have truly a sense of purpose and may Christ live because we lived. George Bird thanked the speaker and everyone who had made such an enjoyable evening. The officers of the Young People for next year are past president, Fred Barnes; president Geo. Bird, 1st vice president, Ralph Cunningham, secretary treasurer, Gareth Thomas.

Miss Judith Snow and Miss Marilyn Solomn of Toronto were student teachers with Mrs. Cromar last week and stayed at the home of Mr. and Mrs. C. B. Dick.

Quite a number of our people have December birthdays. Mrs. C. B. Dick, Mrs. Murray Brigid, Mrs. Frank Wilson, Mrs. Frank Ruddell, Miss Ann Barnes, Nancy and Stephen Hunter. Happy birthday to you all.
