## Smith & Stone Leads Two Hockey Leagues

Smith and Stone became the 3rd team to reach the top rung in the industrial hockey ladder and they did it by stepping on the high flying Provincial 5 to 1 on Sunday December 7th. That gave S&S the unique honour of possessing first place in two different leagues, since they led the pack in the Milton Industrial race which include Ontario Steel, P. L. Robertson and Gerry's. They play on Thursdays.

In the second game Combines continued to sag and suffered a 6-5 setback at the hands of Toronto. It was the 1st win in 6 starts for the Metros and extended their unbeaten streak to 3 games.

Here's how they stood then:
