## A Complicated Question

Urging that there be more free time for skating and hockey at the arena, Cr. Fred Harrison introduced a tricky subject into a council meeting last week.

It is true, as Mr. Harrison says, that the arena is publicly owned and should be available as much as possible for free use by citizens. But economics must play a part in operating any public utility, and it is certainly not possible to operate at the break-even point unless the town's one mill tax grant is supplemented with additional revenue, or unless the taxpayers are willing to pay a larger share from the town treasury.

It would seem, in these days of expansion and high capital costs that, while incomes are at a high level too, it is better to get these extra dollars from those who make the most use of the arena. It is better that parents should pay for their children to skate and play hockey, than

for property owners to be saddled with an extra burden on the yearly tax bill.

The 1956 parks board report is indicative of what would happen if revenue dwindled. That year, there was some \$20,000 in disbursements by the board and a tax grant of \$6800. The bulk of the extra revenue came from rental of the Rose Room and ice, skating fees and hockey charges, with smaller amounts from the check room and figure skating classes. And at that, the board ended the year with a slight loss.

If a majority of ratepayers, however, feel that the arena would better serve the town with less charges for its services, it would be simple to levy a larger tax grant and cut down charges for skating and hockey in proportion. A referendum at the next election might clear the air and let council and parks board know the wishes of the people who pay the bills.

## Concert Series Seeks Members

Continuation of the concert series inaugurated here last year, and planned for a second season will depend in results of a campaign presently being conducted to secure additional memberships. It would be a sad reflection on a town with Georgetown's cultural background if enough interested people could not be found to sponsor this worthwhile endeavour which brings some of Canada's best young musicians and singers to our doorstep at a most reasonable cost.

Last year, those who signed up for the series had three evenings of musical enjoyment for five dollars (half the price for students). The

same will hold true this year. Of equal importance is that by promoting these concerts, we are helping artists to get established, to perform before audiences and to earn their way as they study. It is the only way Canada can develop its own musical heritage and we should be proud to play a small part in this work.

We would urge those who are interested to get in touch immediately with members of the local committee, Mrs. Walter Townsend, Kenneth R. Harrison or Bruce Harding, or, if more convenient, stop in for an application form at the Herald Office. The concert series is too fine an undertaking to let go by default.

## TWO INJURED WHEN THREE CARS CRASH ON HIGHWAY

Douglas Dury, 219 Main Street, Newmarket and James Richardson of Norval were treated by Dr. O. M. Brewster early last Saturday evening for injuries suffered in a three-car collision at the corner of Normandy Blvd. and No. 7 Highway.

Involved in the accident were cars driven by Ken Richardson, 88 8th Ave., Woodbridge, his father Robin Richardson of Norval and

Mr. Dury, James Richardson who was a passenger in the second car suffered a cut lip and shock while Mr. Dury received a head injury and hand lacerations. The damage was estimated at \$1600, \$900 to the Dury car, a 1952 Pontiac, \$500 to the 1956 Meteor sedan driven by Robin Richardson and \$200 to the 1952 Chevy driven by Ken Richardson. The accident occurred at about 6:20 p.m. and was investigated by Cpl. Jim Bilsborrow and Cst. Ted Scott.

### MOVE FIRE SIREN TO NEW LOCATION

The fire alarm that sounded at about 3 p.m. Saturday afternoon was not summoning the brigade but merely being tested by the firemen following a change of location.

The siren was moved from the north-east corner of the fire station near the property of Ern Thompson, 19 Guelph St., to the north-west corner or closer to Chapel St. School. The change was made so that the firemen in the Churchill Cresc. district could better hear the alarm.

### NORVAL JUNIORS SWAMP ACTON IN 7-3 GAME

Norval Junior Farmers erupted for five big goals in the second period of their game against Acton, recently to swamp the Actonites 7-3 in a clean but hard fought struggle at Milton arena.

Norval had a slim 2 to 1 lead at the end of the first period of play, with Leslie and Ross Cunningham scoring for Norval to Acton's lone marker scored by Ron Archer.

Ross Cunningham and Dave Leslie, each picked up their second tallies in the high scoring second period, with Ken Hearns, Bill Donaldson and Dave Cunningham rapping in singles. Doug DeRiche and John Cunningham completed Acton's scoring.

There were four penalties called in the game, two to each club. These games consist of only two periods each lasting half an hour, and are played Friday nights at the Milton arena starting at 8.15. Included in the Norval lineup are J. D. Cameron and Don Timbers, goal; Bill Richardson, Dave Cunningham, George Smith, Earl Wilson, Fred Barnes, Dunc Robinson, Ross Cunningham, Hugh Cunningham, Bill Donaldson and Bruce Van Videt, forwards; and Dave Leslie, Bill Wilson, Ken Hearns, Don Smith and Cliff McDonald, defence.

NEWS AROUND THE ARENA —  
 As a goal or an assist is very important to a boy in these leagues the writer would like the boys if they know they have scored or assisted and it is not shown here weekly to contact their coach or manager and go with him to the league commissioner and have the error corrected by him. But be sure to do it the very next Saturday morning and the change will be made. The timekeepers sometimes make a mistake but not often. A good example of a boy really on his toes is John Stopper who plays for Buffalo. Last Saturday, January 11 John scored two goals and had an assist but the scoring was awarded to Roy Vinell by mistake and believe me, John wasn't long getting things straightened out once he got to the arena — Brampton's two all star teams sure gave our boys a lesson or two over the week-end as the scores shown above indicate.

There's a rumour going around that the American League coaches, managers and referees have issued a challenge to the NHL coaches, managers and referees, and members of the executive, to a game of hockey some week end soon — I wonder if the challenge will be taken up? Likely the Jr. A boys will want to challenge what is left of the winners.

**ANGLERS, HUNTERS HEAR MICHIGAN DEER STORY**  
 Members of the Georgetown Hunters and Anglers Club attending the regular monthly meeting last Thursday night at the club cabin at Hickory Falls saw "The Michigan Deer Story" a film presented by visiting biologist, Don

Mason of the Dept. of Lands and Forests.  
 The film told of how deer became too plentiful in Michigan, to the point where thousands died of starvation forcing the state authorities to declare an open season on deer in an effort to thin out game in the state, and revealed the problems faced in trying to maintain this lower deer population and yet provide good hunting.  
 After the film was over Mr. Mason answered questions for the members and a lunch was served. There were 32 members present at the meeting.
