ARMSTRONG AVE. (Delrex industrial area)

ed opposing views on the matter before a recorded vote, asked by Cr. Harrison, found him in sole opposition to reappointment of C. G. (Ted) King, 25 Byron Street and Ivan Crabtree, 7 Parkview Blvd. for three year terms on the Board of Parks.

"Serving on the Board of Parks is no easy job, and the board seems to have been a bone of contention ever since its inception," said Mayor Armstrong. "As much time as possible should be offered to our young people certainly, but we must remember that council asks them to break even on operations with an \$8700 grant, and they must derive some revenue to supplement this."

Cr. Alfred Sykes said the board gets no pay and very little thanks for their work. Georgetown is the only town he knows of which gives free time for kid hockey and free skating, he said. (Cr. Harrison disagreed with this, saying that Brampton allows more such free time than Georgetown). "There is a terrific upkeep cost for an arena, Mr. Sykes continued, and the town hopes someday to renovate the building. It would look bad to the Municipal Board which must okay the financing if the town were to start showing a loss on present operations by cutting revenue presently derived in favour of more free time."

Cr. Ern Hyde said the board has a thankless job and is doing its best to operate the arena efficiently. If there are any beefs, cillors or ratepayers should attend an arena board meeting and air them just as ratepayers do at council meetings, was his opinion.

"I think Cr. Harrison should attend an arena board meeting with these complaints," he said. "If I'm approached by ratepayers with what I think is a legitimate complaint, that's what I'll do. Personally, I think we have good businessmen on the board who have shown they know how to operate an arena."

"What we do here tonight is reported in two newspapers. I never read any reports of what the arena board does," said Cr. Harrison.

"That's the fault of the press, not ours," answered Mayor Armstrong.

Deputy-Reeve Walter Gray said he would like to know the arena board's financial statement before he could decide on the matter.

"The board's operating statement appears every year in the auditor's report," said the mayor. "If you turn to page 19 of the statement you will find in 1956, a \$662 deficit on the year's operations and a total bank overdraft of \$2,000."

"I feel like Cr. Hyde that if there is something we don't feel is satisfactory, we should attend a meeting and have our questions answered. The arena board, I believe, has tried to operate as economically as possible. Where they have erred is a debateable subject. Municipal councils have been known to make mistakes, too, and we shouldn't be too

critical of other boards." Reeve Doug Sargent said that a recreation council might be the only way the arena could be operated to everyone's satisfaction, and that until the town has such a group, the present method of operation is the best.

"I think a lot of the complaints are not entirely justified," he said "and I particularly wouldn't want to single out these two board members for criticism."

Reappointment of Mr. King and Mr. Crabtree will continue the 1957 board in office. Other members of the board are Bob Lang, 6 George St.; Harold McClure, 83 Maple Ave. W.; Dick Licata, 52 Main St. S.; and Art Scott, Maple Ave. W.

Several other appointments were made to various boards, for varying terms of office. Ernest Forgrave, 14 Union St., who was 1957 chairman of the North Halton high school district board will serve for another three year term. Georgetown became eligible for a third board member by virtue of a population rise this year, and Thomas Niven, 2 John St. E. was named for a 2-year term. Other local board members are James Goodlet, 8 Edith St. and Fred Masterman, 63 Charles St., the latter an appointee of the Public School Board.

Reeve Doug Sargent and Cr. John Gunn were named council appointees on Georgetown Planning Board. Edwin Wilson, Valleyview Rd. and Robert McMenemy, Jr., 57 Normandy Blvd. were re-appointed for 2-year terms. Claude Kentner, 23 Queen St. and Harold Bairstow, Chipper Court are other board members.

David Bowman, 16 Church St. was reappointed to the Public Library Board for a 3-year term. Other town appointees on this board are Leonard Lambert, 19 Normandy Blvd. and Mrs. D. W. Baxter, 41 Charles St. Three members are also appointed by the Public School Board. Harold Henry, 15 Market St., Mrs. Nellie Gardiner, 67 Maple Ave. W. and Gordon Tee, 23 Byron St.

George Muekart, 14 Young St. and Sam Mackenzie, 50 Main St. S. were reappointed members of Georgetown Cemetery Board for three year terms. Other board members are Miss Annie Ryan, 16 Guelph St., Everett Cole, 44 Charles St., Mrs. Florida Nodwell, 9 Edith St. and Kenneth MacDonald, 45 Market St.

Alex MacLaren, 184 Maple Ave. E. was reappointed Georgetown's representative on the Credit Valley Conservation Authority.

Deputy Reeve Walter Gray and Cr. Ern Hyde were appointed members of the Community Centre Board which has charge of operating the swimming pool. Other board members are Ivan Crabtree, Art Scott, Harold McClure, Clarence King and Bob Lane.

FARM NEWS

STRESS GUERNSEY MILK VALUE, BREEDERS MEET

J. E. W.

On Friday, January 10th, the Halton and Peel Guernsey Breeders held their annual meeting in the Esqueping township hall at Stewarttown. President of the club, Gordon King, acted as chairman of the meeting. A noon banquet with Mr. Wm. Davis of Brampton as guest speaker, start-

ed the program. In his remarks Mr. Davis as assisting Crown Attorney for Peel County, outlined the role of the magistrate's court. He also compared the system used in Canada with the system used in United States.

In the president's and secretary's reports an outline of the various activities of the club indicated that the past year was a successful one not only for the club but for the breed.

Mr. Earl Schultz, secretary-fieldman for the Ontario Guernsey Association outlined the promotional work carried out to present the value of Guernsey milk to the consuming public. Results of the recent campaign has assisted in increasing the demand for Guernsey-Gold milk.

Mr. Bruce Hodgins, secretary of the Canadian Guernsey Association brought greetings from the Canadian association. In his remarks Mr. Hodgins reported on the exceptional demand at the present time for Guernsey cattle. In conclusion Mr. Hodgins presented production certificates to several of the breeders.

Associate agricultural representative J. Allen Francis presented details of the Federal plan for Brucellosis Control Areas, and the progress of this plan in Canada. The effect of the plan on Halton and Peel cattle raisers also was given. The meeting passed a motion to give support in the proposed canvass to have Halton designated a Brucellosis Control Area.

President Gordon King supervised the presentation of the various exhibitors' awards for 1957. The newly elected board of directors follows:

Trafalgar—Gordon King, Emerson Featherstone, William G. Booth, Elmer Douglas.
Esqueping—Melvin McCullough, C. W. Swackhamer, John Y. Mc-
