**Appoint Leslie Clark  
Defence Coordinator**

Leslie M. Clark, 3 John St. W., who is zone commander of the Canadian Legion in Halton and Peel counties, was appointed civil defence co-ordinator for the town at a council meeting last week. He succeeds Lt.-Col. John R. Barber who held the post until his resignation recently.

The matter came up at council when a letter was received from one of the town's newer residents, G. R. Aspden, 16 Mary St., drawing attention to the fact that no local civil defence organization seems to be operating and offering his services in any capacity possible. Mr. Aspden said in his letter that he had had some previous experience which could help in such organization.

Council acceded in a request of Joseph Gibbons, who is collector of dog taxes, that payment date be advanced from the previous April 30th to a February 15th deadline.

Provincial Mill backed into the league title Sunday afternoon, getting the rough end of a 6-3 tilt with Smith and Stone to fix their record at the end of the 12 game schedule at 7 wins, 4 losses and a tie for 15 points, two more than the S&Sers.

Toronto finished the season on a winning note by breaking the Combines winning streak with a 7 to 6 victory over the redshirts. E. Kostyluk led the Metros to their win with a scoring display that moved him to seventh place in the points race.

Gordie King of Smith and Stone won the trophy for top goalie and Bill Hewitt of Provincial copied the scoring award.

The opening games of the two 3 of 5 playoff series start next

Sunday afternoon with the Provincial and Combines meeting in series A and Smith and Stone pairing off in series B with Toronto. It's anybody's championship as indicated by the final standings which show only a single game dividing each of the four clubs.
