VOTE FOR THE MAN WHO GETS THINGS DONE!

Experienced business-man, teacher and scientist, Sandy Best works in the best interests of the people of Halton. This conscientious hard-working young man represented Halton County in the Diefenbaker Government which doubled hospital grants.

Almost every municipality in our large riding stands to benefit from this legislation. New hospitals are planned or are under construction, and needed additions scheduled for others already built.

You, the taxpayer, benefit as a result of Sandy Best's efforts and the efforts of others comprising the Diefenbaker Government. For example, Conservative Government assistance in the construction of hospitals was increased from \$1,000 to \$2,000 a bed. In addition, major renovations and alterations to existing hospitals will be considered for assistance within the terms of the grant.

So far the Diefenbaker Government has cut taxes by \$178 million. In easing the former Liberal Government's Tightly Money Policy, John Diefenbaker's Administration reduced the Corporation Income Tax by \$12 million a year. This was of particular value to small businesses.

By amending the Succession Duties Act, taxes on small estates are now 70 per cent less than formerly. Reduction of taxes made possible by this amendment total several million dollars a year.

Obviously there is only one way to vote on March 31st in order to keep down municipal taxes and benefit from increased Federal Aid. Vote for Sandy Best and return the Conservative Government which passes legislation of great advantage to all Canadians.

COMING EVENTS

Raiders and Brampton Will Break Tie To-night

The Raiders rolled to their first win against the Brampton Consumers at Brampton Saturday night to knot the best of seven series at four points apiece and set the stage for the key battle of the campaign back here tonight. Blake Inglis was top sniper for the Raiders scoring a pair while Fred Lawrence drew praise for the way he held the local fort. Ford was a standout for the Consumers. Lawrence blanked the Gassers in the first period as Blake Inglis and Bud Varey potted two. Ford and Hunter finally found the range in the middle frame but Bingham scored to give Raiders a one goal margin at the end of the period.

Junior Beaumont, Ron Dixon and Blake Inglis each notched a single in the final session. Mullis and Nevis tallied for Brampton to complete the scoring. After four games each club has chalked up exactly the same number of goals, 25 each.

Petro contributed four of those last Wednesday when Brampton turned back the Raiders 8-6. He scored once in the first period, twice in the second and again in the third to emerge as the night's best marksman.

He was backed up by Keadall and Formeka each with a pair, while the Raiders were paced by Jerry Inglis and Ron Dixon who accounted for 4 while Leapin' Lou Fawcett and Bud Varey added singles.

The sixth clash will be in Brampton on Saturday and if a seventh and deciding game is needed it will be played at Georgetown arena.

REAL ESTATE CHANGES HANDS IN VILLAGE

Mr. and Mrs. Melville Warnick from Gadshill, Miss Louise Wagner and Mr. Bruce Kreller from the Clifford district visited on Sunday with Mr. and Mrs. Floyd Shortill.

Sunday visitors at the home of Mr. and Mrs. Jesse McEnery were Mr. and Mrs. Stanley Sinclair and family from Guelph and Mr. and Mrs. Dan Hindley and family from Orton.

The Jennings farm has been sold and following their sale on March 15th, Mrs. Jennings and John will be moving into Georgetown. The Ferguson property has been sold to Mr. Archie Law and there has been quite a good deal of activity going on around the corner the last few week ends. He has rented the former blacksmith shop building to Mr. Mike Norton, "Case" dealer from Georgetown who will be opening up a farm implements and tractor repair shop in the near future. Swindiehurst's garage will also soon have a new proprietor, Mr. Charlie Plouff taking over the business the end of the month. We wish him success in his new venture.

Mr. and Mrs. J. C. Reine and Mrs. R. Smellie visited one day last week with the Black family.

Mr. Eddie Smith and Billy went to Simcoe on Sunday to visit with Mr. and Mrs. Wm. Robinson. Billy had a slight accident on Saturday afternoon while playing around the yard at the back of the store. He slipped in the snow and hit his head on the corner of the stone building and the cut required about five stitches.

Mr. Arnold McEnery was able to come home from hospital last week and is improving slowly.

COMPENSATION AND CHIROPRACTIC

In the past there has been some misunderstanding on the part of the workman and employer on the subject of where a workman must go to be treated when accidentally injured at work. The employer or plant nurse has no authority to direct a workman to a certain doctor. The workman has the sole right to choose whether he wants to be treated by a Doctor of Chiropractic, Dr. of Medicine, or Dr. of Osteopathy.

Incidentally, research has found that it costs less and the workman is on the job sooner when treated under chiropractic care, according to compensation files.

MARK V QUINTET COMING BACK TO TEEN TOWN

Club Mid-town, never the dull-est place on a Friday night, was "jumpy" a little above normal for a couple of weeks last month and the cause of it all was the appearance of a "live" orchestra from Toronto, and live it was. Billed as the Mark V Quintet, the band made their debut at Mid-town Feb. 14th and their music met with such tremendous response the executive were forced to give them an encore the following week.

On both occasions the quintet had the stand from 9 until 11.30, with records filling the last half hour. The club president Grant Caseley promises that the group will make another appearance, probably before the end of this month.

MINOR DAMAGE IN ACCIDENT NEAR CULVERT

There were no injuries resulting from a two car collision early Sunday morning involving cars driven by Robert Hills, 6 John St. E., Georgetown, and James Schofield, 10 Pauline St., Georgetown, which occurred on John St. West on the south side of the culvert. The damage was divided \$75 to the '51 Pontiac driven by Mr. Hills and \$125 to Mr. Schofield's car a '54 Plymouth.
