WHAT COUNCIL DID

Conservation Authority Speaks to Council Mon.

Georgetown's representative on the Credit Valley Conservation Authority, Mr. Alex MacLaren, gave council a very comprehensive report of the year's activities when he addressed Monday's meeting.

Mr. MacLaren, in stressing the importance of water, said that water means a lot more to the town today than it did back in 1921 when this was only a village — incorporation coming in 1922, and a population of 2000 compared to 7100, in 1958.

He said every individual must have water to live, and that each uses a 100 gallons of water per day.

The water cycle is determined by various means, he said, rainfall — of which the Credit valley has approximately 33" in a year — snow, atmospheric moisture, dew (which is of great value), run-off to the rivers etc., seepage in soil, and what comes off the surface through reservoirs, pumps, etc.

Industry uses a great deal of water. He cited one case where the city of Kitchener uses 60% of the water consumption in industry. Agriculture also uses a larger quantity of water for irrigation. He said a 32-acre tobacco farm would use 500,000 gallons in a season. A sewage system uses considerable water and Georgetown will be using more in the future. The conservation system was attempting to slow up the water cycle so it can be used economically and as fully as possible.

He outlined the various advisory boards in the authority. The farm planning and farm use board was encouraging farmers to conserve by means of rotation of crops, fertility, pasture renovation; grassed waterways to stop erosion, strip farming also to prevent erosion on side hills, drainage and reforestation, gulley control and terracing. The land use side of the picture meant the judging of land for its suitable use. The authority was endeavoring to get a by-law for the control of gravel pits so they would not be left in such deplorable conditions. The department was paying subsidy for farm ponds up to 50% on a \$200 pond.

He touched briefly on flood control and pollution of streams, and said work was going ahead on these, with six dams suggested

MARCH MEETING FOR DAUGHTERS OF ST. GEORGE'S

The first March meeting of St. George's Daughters of the Church took the form of a tea towel show-er for the kitchen Monday evening, March 5th. Each member donated a towel and there were also several yards of towelling on hand which was cut and hemmed. The members also worked on doll clothes which will go on sale at their 11 a.c. tea held in May.

The March 17th meeting will be a St. Patrick's social night designed to welcome new members. The ladies of this group are most anxious that any young women or girls of St. George's who do not already belong become associated with them and that they attend the meeting in the church rooms on March 17th where a warm welcome will await them. A most interesting program has been planned for the spring meetings. There are two a month, one a work meeting and one a social evening.

in the watershed, the acreage had already been purchased for one in the Organgeville district.

4,000 Acres of land in the Credit River valley has been recommended for reforestation, but real estate costs have made much of this area prohibitive at the present time. Trees are available for private planting free of charge in excess of 1000. 3000 trees may be planted in one year by one owner. A tree planter is available, and if used a subsidy of \$5.00 and \$10.00 a thousand to planters. There is to be no cutting for at least 15 years and the area must be fenced.

The parks and recreational advisory board had set up a scenic route from the lakefront up the Credit River valley and a map will be published showing this drive for sightseers. He referred also to the Terra Cotta conservation parkland recently purchased, and mentioned briefly the proposed Georgetown park along the Credit and the hope of purchasing the old dynamo property for park purposes, as he believed it was of historical interest, since the first power generated for industrial purposes in the world came from there.

Mr. MacLaren said the authority hoped to have publicity material available, shortly for display at fall fairs and other events. He complimented the town council on being the first municipality to send their contribution to the authority for 1958.

Take Advantage . . . OF OUR TERRIFIC SALE OF TV and APPLIANCES

We want you to be happy with our prices!!! Clearing of our stock to make room for other models.

RANGES - REFRIGERATORS - TVs General Electric - RCA Victor and Philips

Clearance .. of .. USED TV SETS

Choice of 15 Models 17" and 21"

priced from \$50. up

Completely reconditioned - 30 days guaranteed, some of them with brand new one year guaranteed picture tubes.

THE LORNE SCOTS

PEEL, DUFFERIN & HALTON REGT

Men Wanted!

Extra spending money and good comradeship are assured you when you join the Peel, Dufferin and Halton Regiment (Militia)

You'll enjoy your weekly "night out" with the Lorne Scots at your nearest company armory. Learn the drill and weapons training program provided by topnotch instructors, fully versed in the demands of modern militia training, and the fellowship will appeal to you.

For those who wish to specialize, there are excellent trades training courses, with extra pay for successful candidates. There's promotion, too, for the conscientious soldier.

The ranks are open in this historic, colourful Scottish regiment for any able-bodied man of good character between the ages of 16 and 45.

For high school students and other young men between 16 and 18, there are a limited number of vacancies for our summer recruit training.

And for all hands there will be a summer camp again this year.

ANY THURSDAY EVENING

Chi Rho Club Host To Diocesan Missioner

The young adults Chi Rho association of St. George's Anglican Church were hosts to the Diocesan Missioner of Niagara, the Rev. H. M. Creal, B.C. The discussion leader was introduced to the group by the president, Roy Cook, and after a brief address the members divided into discussion groups to tackle the question of "The true function of the parish and its related program." The contributions from the members was quite exciting and lively questions were posed to the pertinent problems and matters involved.

The missioner was extended the gratitude of the membership by Mr. R. McMillan and plans were laid for the next meeting to be held on the second Thursday of April. The meeting was marked with the largest attendance to date with the members participating in an extremely informative evening.

Some of the members were fortunate enough to be able to attend the Parish Life Conference at the Niagara Diocesan Conference Centre at Dundas over the week end for another stimulating time. Those attending were Mr. and Mrs. Jim Costigan, Mr. and Mrs. Roy Cook and Robert Borland.

New Members for United Church W.M.S.

Mrs. W. Brownridge, the president, extended a warm welcome to several new ladies who are attending W.M.S. meetings this year. Mrs. Walter Evans read Phil. chapter 1, 1-14, as the scripture lesson. Paul in his letter to the Phillipians gave earnest exhortation and kindly reproof to the Christians in the struggling new church. Mrs. Evans stressed that all should pray for one another and speak words of encouragement, thanking God for friends and fellow workers without whom life would be very empty. A moment of silent prayer was held in memory of Mrs. Tyndall, who had been a faithful member for many years. The roll call was answered with scripture verses, the theme word being "honest".

Mrs. C. Junkin reporting on Christian stewardship stated that the members must try and win Canada for Christ and that W.M.S. members must be faithful in their

Willis George Young Dies at Glen Williams

Willis George Young, Glen Williams, died at his home on Sunday, March 2nd in his 46th year. Mr. Young had been in ill health for some time. He was born in Newfoundland, the son of Sarah Evans Young and George William Young, both of whom survive him. He and his family have lived in Glen Williams for thirteen years, in Montreal and Halifax prior to that time. Before he became ill he was employed at Orenda Enterprises as a machinist, where he was a member of Lodge 717, Malton. In 1935 he and Margaret Jean Campbell were married in Toronto at the Church of Little Trinity. His wife and their four children, James, Royal Canadian Navy, Jean, and Laura of Scarborough, and Fred at home survive him, as do brothers and sisters Fred, Henry and Bert, all of Montreal, Frank, Sydney, N.S., Cassie (Mrs. S. Inkpen) Halifax, Hilda (Mrs. A. Gruchy) Newfoundland, and Laura (Mrs. Paul Truhan).

A Jehovah Witness funeral service was conducted at the Harold C. McClure Funeral Home on Thursday, March 6th. Jack Timlock, Earl Scott, Nick Carter, George Brandford, local friends and Wilf Farrant and George Purcell, fellow workers were pallbearers. Interment was in Glen Williams cemetery.

MAIN STREET ACCIDENT

Dennis Brown of 11 Parkview and Bernice Emond of 7 River-view Crescent had their cars involved in a collision on Monday, May 3rd in front of the Corner Cupboard Restaurant, Main St.

witness. Touching on temperance, Mrs. Junkin stressed the need for more temperance education and said that alcoholism has doubled in Ontario in the last few years and this is public enemy No. 1 in Canada.

'Rebuilding on old Foundations' was the subject of the topic on Japan read by Mrs. V. Stein. It gave an interesting account of the forming of the United Church in Japan or "Kyodan" and told of the great work being done by all missionaries during the last war and since. Two thousand years ago God said "Go ye into all the world" and has never recinded that order, Mr. Stein stated.

Mrs. J. Hoock of Brampton will be the guest speaker at the thank offering in April.

Made Fine Showing At Granite Curling Club

A ladies rink from the Georgetown Curling Club made a wonderful showing at the Robertson Trophy bonspiel, curled at the Granite Club in Toronto. This was an open bonspiel with rinks competing from all over Canada as well as seven rinks from the United States, and held Monday, Tuesday, Wednesday and Thursday of last week.

The rink, skipped by Mrs. Ernie Currie comprised Mrs. Wray Bessey, Mrs. Jack McGibbon and Mrs. Sam Mackenzie, reach the semi-finals after four days of competitive curling, being eliminated by a rink from Milwaukee, Wis. on Thursday.

The trophy was won by a Granite Club rink, skipped by Mabel Patterson who defeated Mrs. Woolley's Granite Club rink in the finals.

The ladies were entertained at the club on Monday evening to dinner and entertainment. The ladies members of the Granite Club put on a minstrel show for their guests which was greatly enjoyed. They were also present at the tea and presentation on Thursday afternoon after the last game.

Social & Personal

Rosemary Francis, daughter of Mr. and Mrs. E. R. Francis, 5 Keates Avenue, celebrated her ninth birthday with a party on Saturday, March 8th. Her guests were Sharon and Paul Anstee of Agincourt, Debbie McAfee and Linda Helliwell of Toronto with Elspeth Macintosh, Susan Asseltine, Dianne Carr, Carolyn Wright, Yvonne Mountain, Janice Wild, and Margaret Parker, all of Georgetown.

Flight Cadet Ian Wallace, son of Mrs. Win Wallace, 32A Guelph Street, whose base is Centralia RCAF Station, has been on home leave after completing a four-week survival course. Flight Cadet Wallace spent seven days in Edmonton, ten days in the bush country at Jarvis Lake and ten days in the Arctic at Cambridge Bay. One day during the course the temperature dropped to 78 below zero.

Gail King, nurse-in-training at Guelph General Hospital is home on three weeks holiday with her mother, Mrs. W. King.
