

TORONTO COUPLE WED AT FRIEND'S HOME HERE

A Toronto couple were married here on Good Friday when Rev. Morgan McFarlane officiated at the ceremony which took place at the home of Mr. and Mrs. Robert Phillips, 36 McGillivray Crescent.

Wedding principals were Miss Zeta Ruth Dechamps, daughter of Mrs. R. Dechamps, and the late Mr. Dechamps and Mr. George Eligance of Simcoe. Mr. and Mrs. Bruce Stewart of London were their attendants. The ceremony took place at 2:00 p.m.

Mr. and Mrs. Eligance will be making their home in Toronto.

Beaver Lumber Have Working Plans for the Pole Type, Rigid Frame and Laminated Arch Rafter Buildings.

All Plans adaptable to your farm program

For greater profits farming today demands new buildings that provide greater efficiency at a low cost. Beaver Lumber can help you build these from the top three farm construction methods of today — pole type, rigid frame and the laminated arch rafter. All three are economical, flexible in design, structurally sound and inexpensive. Plan and build now for greater profits. — see your Beaver Lumber manager — he has complete working plans for all 3 buildings.

Low Cost
POLE TYPE BUILDINGS

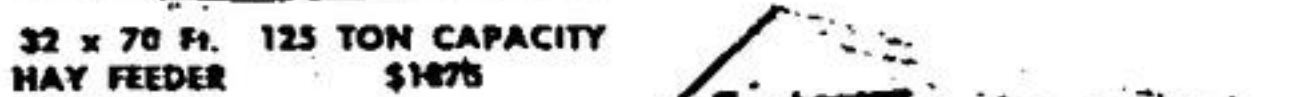

Savings on Material and Labour cut Farm Building cost up to 50%

180 TO 200 CAPACITY
HOG HOUSE ONLY \$2345

62 x 96 ft.
LOUNGING SHED ONLY \$3075

32 x 70 ft. 125 TON CAPACITY
HAY FEEDER \$1475

RIGID FRAME

UTILITY SHED
22' x 40' \$1350

Nothing but space inside with clear spans from 18 to 38 ft.

Adaptable to almost every farm building need, large or small, the Beaver rigid frame building has been readily accepted on Ontario farms. Practical in every respect, the rigid frame building is easily erected whether you build it yourself or have it built. Plans at Beaver Lumber.

Laminated
ARCH RAFTER

28' x 44' UTILITY SHED
\$1575

Clear spans from 20 to 60 ft.

Factory designed and constructed arches save time and labour. On-the-job framing and joining is eliminated — stud and rafter are one piece. Endwalls do not carry any load so there is no difficulty in providing openings for easy access. Arches for almost any farm building requirements — ask at Beaver Lumber.

FREE DELIVERY
Beaver Lumber will erect your farm building if you haven't the time. Phone today.

BEAVER LUMBER

Local Girl to Belgium For Girl Guide Rally

Barbara Kinrade, 14 Ostrander Boulevard is one of 16 lucky Canadian Girl Guides who have been chosen to attend an International Camp this summer in Belgium.

Barbara, a third year high school student, whose father is principal of Wrigglesworth public school, sails from Montreal on July 18th on the Saxonia, and arrives home on September 3rd on the Ivernia. Her itinerary includes three weeks in England and a week in Paris, as well as attendance at the camp at Mons, Belgium. As well as the thrill of meeting guides from other lands at the camp, there will be an extra attraction in Belgium, a visit to the Brussels Exposition. Barbara is one of two girls from Ontario included in the party.

She took her guide training as a member of 1st Georgetown Girl Guides after receiving brownie instruction in Preston where Mr. Kinrade taught before coming to Georgetown. Last year, Barbara received the Blue Cord and before she leaves for overseas, will be completing tests for the Gold Cord, highest award in guiding.

Firemen, Neighbours Revive Drowning Boy

Georgetown firemen, who applied artificial respiration for three-quarters of an hour to 23-month-old Clarke Holmes after he was found floating unconscious in an excavation for a septic tank were credited with saving his life on Good Friday.

Mrs. Clark Holmes, the boy's mother, looked out the front window of their home at Penson's Corners and could see no sign of her son who had been playing there. She dashed into the back yard and found little Clarke floating on water in the tank excavation, and managed to grab his coat and pull him out.

Neighbours Mr. and Mrs. Al Mintz took turns applying artificial respiration until Georgetown firemen arrived with resuscitator equipment. Dr. C. V. Williams, who was called, credited Mr. and Mrs. Mintz and the firemen with saving the boy's life.

Fire Chief Jack Harlow says it is the third time in five years that the town's resuscitator equipment has been able to save a life.

Mrs. Keith Webb is Norval W.I. Head

The April meeting of Norval Women's Institute was held at the home of Mrs. E. Burke with a good attendance. The 4-H Club girls gave a splendid demonstration on their "Meat in the Menu" project. The five girls, Norma Murray, Carolyn McLaughlin, Susan Cunningham, Margaret Miller and Sharon Fishburn were under the leadership of Mrs. H. McLaughlin and Mrs. G. Chester. Mrs. H. Sellie thanked the girls and their leaders and also presented Mrs. McLaughlin, the retiring leader with a gift from the Institute for her years of efficient leadership and interest in the club work.

Mrs. L. May the president presided at the meeting with Mrs. Chester as secretary-treasurer. The roll call "What I serve unexpected guests" gave a great variety of ideas. The nominating committee, Mrs. E. Burke and Mrs. D. Murray presented the new slate of officers as follows:

President, Mrs. K. Webb, 1st vice president Mrs. H. Smellie, 2nd vice president, Mrs. H. Collins, secretary-treasurer, Mrs. G. Chester, assist. secretary, treasurer, Miss P. Maguire, district director, Mrs. L. May, press reporter, Mrs. W. Fidler, pianists, Mrs. O. Hunter and Mrs. Fidler, auditors, Mrs. E. Patterson and Mrs. Wishart; Flowers, Mrs. J. Murray; Home Economics and Health, Mrs. J. Murray and Mrs. Collins; Canadian Industry, Mrs. D. Murray and Mrs. Burke; Citizenship, Miss Maguire and Mrs. Cooley; Historical Research, Mrs. O. Hunter and Mrs. Fidler; Agriculture, Mrs. L. Cleave and Mrs. W. Graham; Education, Mrs. May and Mrs. Royal; nominating committee, Mrs. H. Smellie and Mrs. J. Murray.

Mrs. Smellie moved a vote of thanks to Mrs. May, the retiring president, for her faithful devotion and efforts. Mrs. O. Carter spoke briefly on a plan to organize a parent and teachers' club in Norval in the near future.

Refreshments were served by the hostess assisted by Mrs. May and Mrs. Wishart. On May 1st at 8 p.m. the next meeting will be held at Mrs. Fidler's home. The roll call is a favourite cookie recipe and samples which will later be served with a cup of tea. Members are reminded to bring an article of baby clothes as a donation to a shower for the Unitarian Service Committee in Ottawa.
