EASTER SEALS
This is the closing week of the Crippled Children's Easter Seal campaign. Not that your donation will not be gratefully received and passed on if received subsequently, but the official campaign ends next Monday.
In Georgetown and Esquesing Township 3,000 letters were sent out and about 450 replies have been received. The response compares excellently with other years despite the difficult financial times which exist.
A casual glance at the persons sending money in response to this campaign reveals that people from every part of town and every walk of life are giving to the fund. It is a wonderful response to a call for funds which go directly to help the children.
The Rotary Club's minstrel show was a complete success financially and while the funds derived from it do not all go directly into the Easter Seal Fund, they are, of course, used in the local charitable activities of Georgetown Club.
Any persons who have not sent in their pink envelopes, or made their donation in other ways are urged to forward their donation as soon as possible and assist the campaign in exceeding any previous appeal.
