In the year 1928 Silver's opened a modest store in Georgetown. From a very humble beginning Silver's has grown — and is now considered among the finest clothing stores in Ontario. . . Having just completed an extensive programme of modernization and expansion . . . we consider this a proper occasion to celebrate . . . To the many hundreds of loyal patrons who have contributed to our progress thro' their continued loyalty, we offer our sincere thanks — and proudly present our "30th Anniversary Sale." We are certain you will consider this a most opportune occasion to save substantially on quality apparel for the entire family.
