### Georgetown's Fire Chief Is Bureau Vice-Chairman

Georgetown's Fire Chief Jack Harlow was elected vice chairman of the Halton county Fire Prevention Bureau on Thursday, April 10th when the bureau held their annual election of officers at Milton.

Chief A. E. Clement of the Milton Fire Brigade was elected chairman, Chief J. Newton of the Acton Fire Brigade is secretary and A. Klarer of the Oakville-Trafalgar Chamber of Commerce is treasurer.

Mr. Elliott is chairman of the literature committee, the treasurer, Mr. Klarer, will handle publicity and George Bundy is chairman of the trophies and poster committee. The program for Fire Prevention activities for 1958 was one of the main topics of discussion and it was decided that the possibility of a Slogan Contest to be held for all children in the county be investigated.

Dangers of grass and rubbish fires will be brought to the attention of the public and the Electrical Contractors Assoc. will be asked to cooperate in publicizing electrical hazards in the home.

### CHALLENGING MESSAGE FOR PRESBYTERIAN WMS

"What are we of the Christian Faith doing this Easter of 1958 about the revolutionary resurrection of Christ?" This was the startling challenge in the message that Mrs. Jean Stewart brought to over thirty members and guests of the Norval Presbyterian WMS when they held their monthly meeting at the home of Mrs. G. L. Royal.

Mrs. Stewart stressed that the revolutionary power that came to the disciples that first Easter is still alive today to help in home and church life. Mrs. A. Watson read the scripture and commentary followed with a prayer by Mrs. C. Archdekin. Miss Anne Davis concluded the devotional by singing "The Old Rugged Cross."

The president, Mrs. Harold Reed extended a welcome to the guest speaker and the visitors on behalf

### HOME AND SCHOOL VIEWS NIAGARA TRAVELOGUE

The April meeting of the Wrigglesworth home and school association was held Monday, April 14th with the vice president Vic Babey acting as chairman.

The program portion of the meeting was taken in the presentation of a travelogue of the annual grade eight tour to Niagara Falls. The assistant principal, Harold Catling, used coloured slides to show the members points of interest on the tour which has been a yearly affair for the past three or four years.

Following the travelogue refreshments were served by the social committee headed by Mrs. William Chaplin.

of the auxiliary and Mrs. L. Brown and Mrs. F. McNabb assisted the hostess in serving lunch.

### Nurseryman Explains Care, Pruning of Shrubs

Junior horticultural competitions were held in Wrigglesworth School Auditorium on Wednesday evening April 16th with Gail Stigger, Anne Sheldon and Lisa Hoare winning first in their respective divisions.

In the grades 7 and 8 competitions to arrange a table centre using pine cones etc. Bado Janssen was second behind Gail Stigger while Jane McFarlane and Rosemary Meades were second and third to Anne Sheldon in the grade three and four competition, "a colour picture of spring."

Michael Paris and Phyllis Barber were also prizewinners in the grades one and two class won by Lisa Hoare which required the creation of a miniature rock garden in a dish using stones, soil, moss, etc.

A film "Study of Spring Wild Flowers" was shown to the horticultural society members while the judges, Mr. and Mrs. John Ord were selecting the winners.

The guest speaker for the regular meeting was Mr. Brown of Sheridan Nurseries who gave an interesting talk on the use, culture and pruning of shrubs, after which he extended an invitation to the society members to visit Sheridan Nurseries in July.

A door prize of a Variegated Philodendrum, donated by Norton Floral was won by Mrs. P. W. Cooke, of the Milton Horticultural Society who with Mr. and Mrs. L. G. Needham was a visitor at the meeting.

### Hope Trip to Europe Will Clear Swim Pool

The Georgetown Lions Club hopes to wipe out the remaining balance due on the Community Swimming Pool next month when they will hold a blitz canvass of the town selling lucky draw tickets on a Trip to Europe and soliciting donations. The date of the blitz was set at Monday, May 12th last Tuesday April 15th when the Lions held their regular dinner meeting in the Legion hall. Any overflow of funds will be used toward the construction of a wading pool.

Nominations from the floor were received at this meeting and added to the 1958-59 slate of officers already prepared by the nominating committee. The club election, which will be held at the next regular dinner meeting Tuesday, May 6th, promises to be an interesting one since almost all offices are contested by general members.

Reg Bousfield of Toronto, who is the Ontario Representative of the Embalmers Supply Company, (Emsey Chemical Co.) was the guest speaker and gave an interesting address, "Facts on Branch of Chemical Industry". The use of chemicals in the undertaking industry, how new chemicals are discovered by their firm and brought into use in embalming, were explained by Mr. Bousfield. Introduced to the members by Harold McClure, he was thanked by Jim Jones.

A donation of \$25. was voted to the North Halton Unit of the Canadian Cancer Society. A large delegation from the local club will journey by bus to the Regional Rally at Credit Valley Golf Club, Erindale, on Wednesday, April 30th.

### FARM NEWS

#### BULK TANK DECREASES TORONTO MILK SHIPPERS

J. E. W.

The advent of the bulk tank has resulted in a slight decrease in the number of shippers to the Toronto market, stated John W. Pawley, secretary-manager of the Toronto Milk Producers, at a meeting of the executive of District No. 12 held at Stewarttown.

Along with this, stated Mr. Pawley, the average shipper has increased his output and in the overall analysis the Toronto market is over supplied.

Furthermore the distribution of milk in Toronto is becoming increasingly competitive. As a result the Highland Dairy is reported to have closed its doors on March 31st last and some 17 Halton shippers were left without a market. However, we understand these shippers are being absorbed by another dairy, but at the present time there is little possibility of securing an increased base, stated Mr. Pawley.

We gathered that indications are that milk markets are likely to be flooded during May and June.

Present prospects point to an open meeting for all milk shippers in district No. 12 being held sometime the week of May 19th at Stewarttown, and we would suggest that every Halton shipper to the Toronto market make a special effort to be in attendance and thereby secure first hand information on their market and some of the possible developments.

# GAS

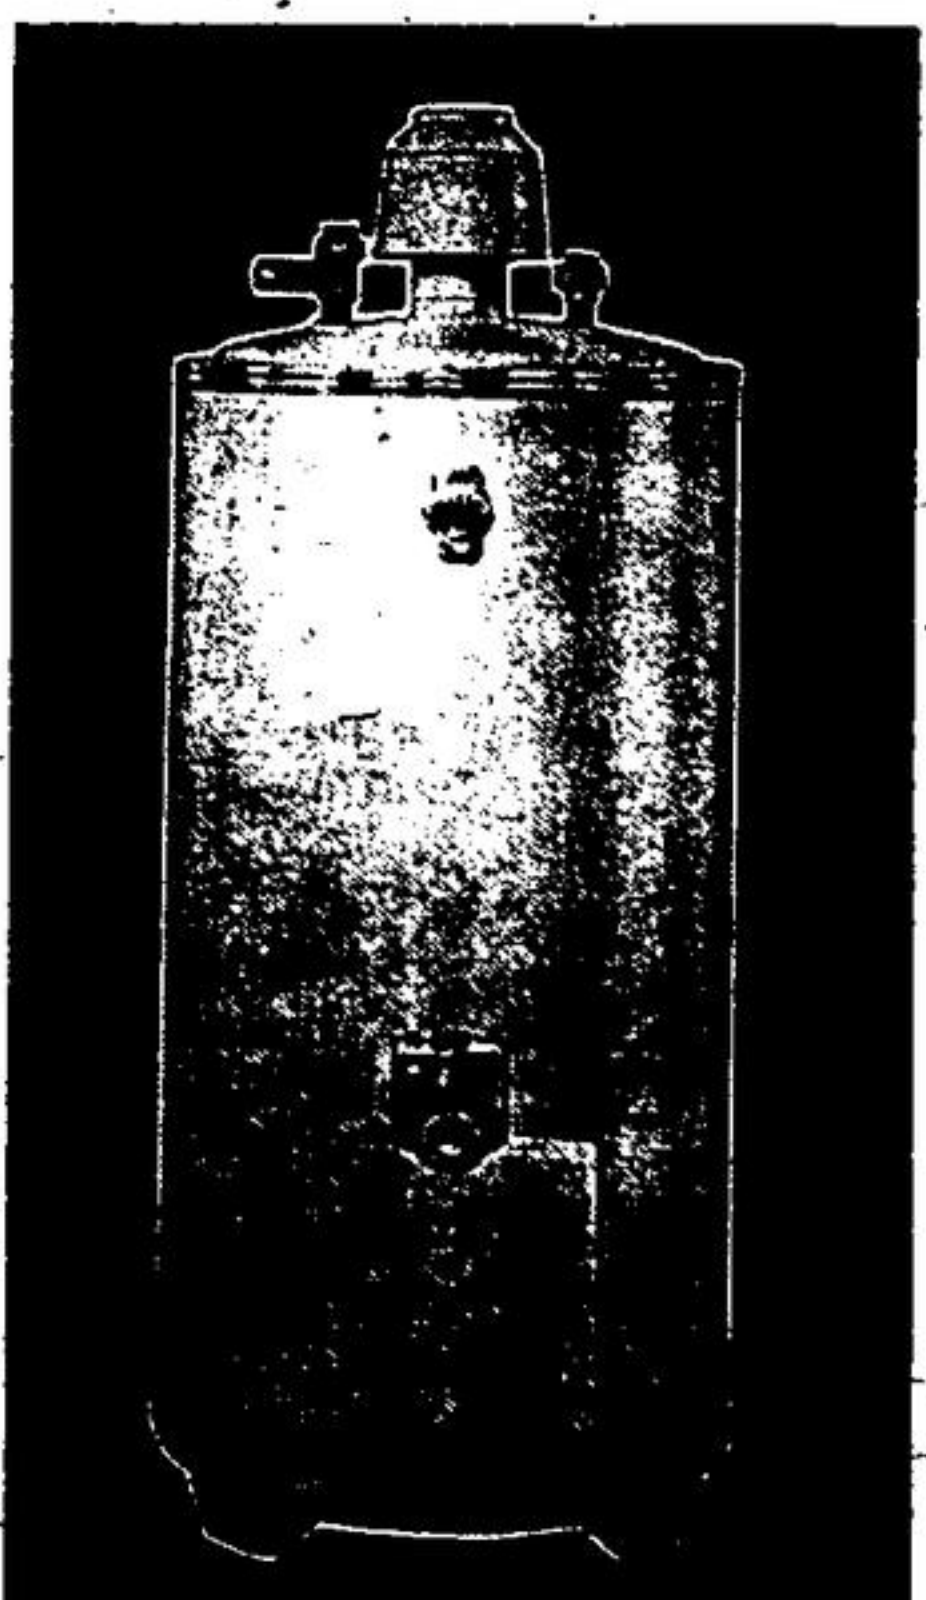

### HEATS WATER FASTER AT LESS COST

Let the kids splash away in bath after bath — there'll still be plenty of hot water for the grownups! With a gas water heater properly sized for your family, you're sure of a constant supply because it starts heating more water as soon as you turn on the tap. And the wonder is . . . an automatic gas water heater is economical to operate too!

### PLANNED TO MEET YOUR NEEDS:

Modern families use more hot water than ever before. Automatic washers and dishwashers gulp it up by the gallon. That's why you need a gas water heater designed to keep pace with today's stepped up hot water needs. Have an automatic gas water heater 'fit to measure' for you.
