Washer - Dryer
Combination

Wash-Rinse Dry . . .

in **One Unit**

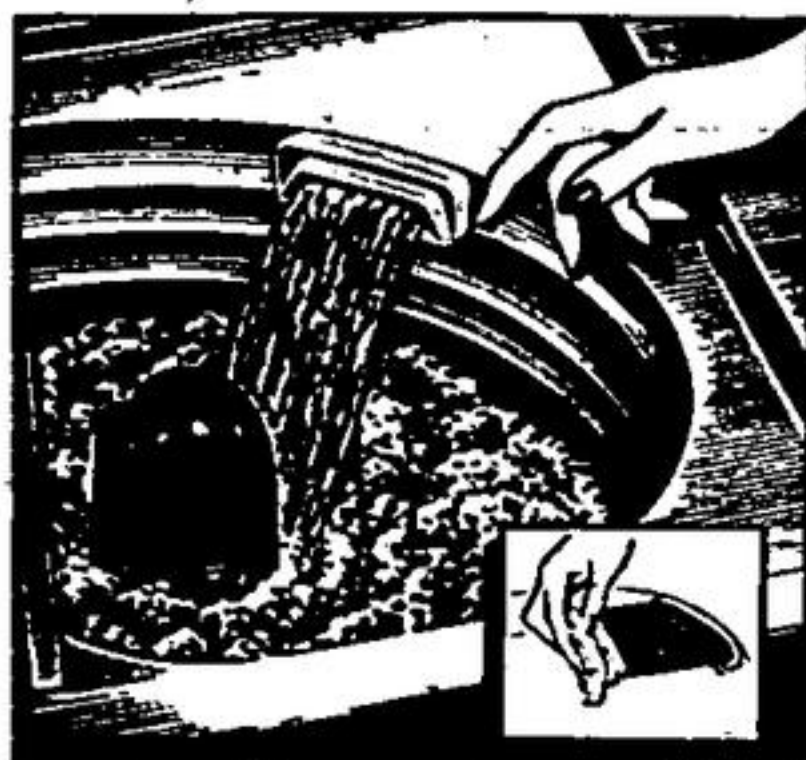

. . . *Automatically*

Here is the ultimate in home laundry equipment — to wash cleaner, rinse more thoroughly and dry your clothes in one continuous operation. Simply set the dials on the illuminated control panel and your INGLIS Washer-Dryer Combination does the rest — automatically. One dial selects the wash water temperature, another selects the drying heat, and then the combination dial setting selects the correct washing and drying time. The INGLIS washer-dryer combination goes through the entire washing, rinsing and drying cycle — then shuts off . . . automatically!

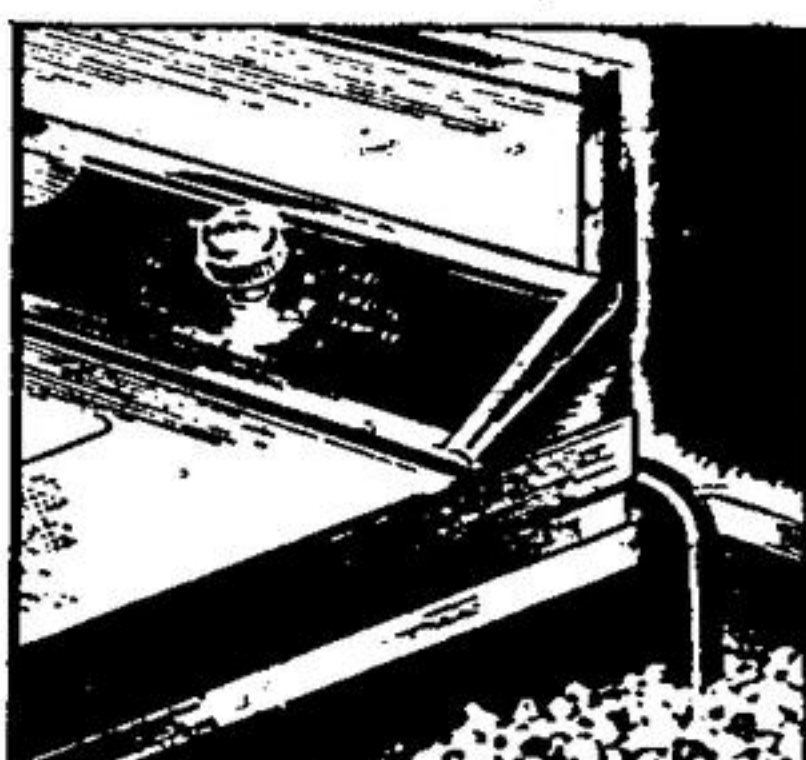

**GIANT
TRADE - IN
Allowance**

This New Inglis Washer-Dryer Combination is Particularly Suitable for People In Septic Tank Areas, Because of Low Water Consumption.

AMAZING BUILT-IN LINT FILTER

Removes all lint — all the time! Removes lint at all water levels! Never gets in the way of your wash! So easy to clean — just rinse!

"WAT-R-WIZARD" SUDS RETURN

Stores hot, sudsy water between loads . . . cleans it . . . returns it for use over again! Saves gallons of water and boxes of soap!

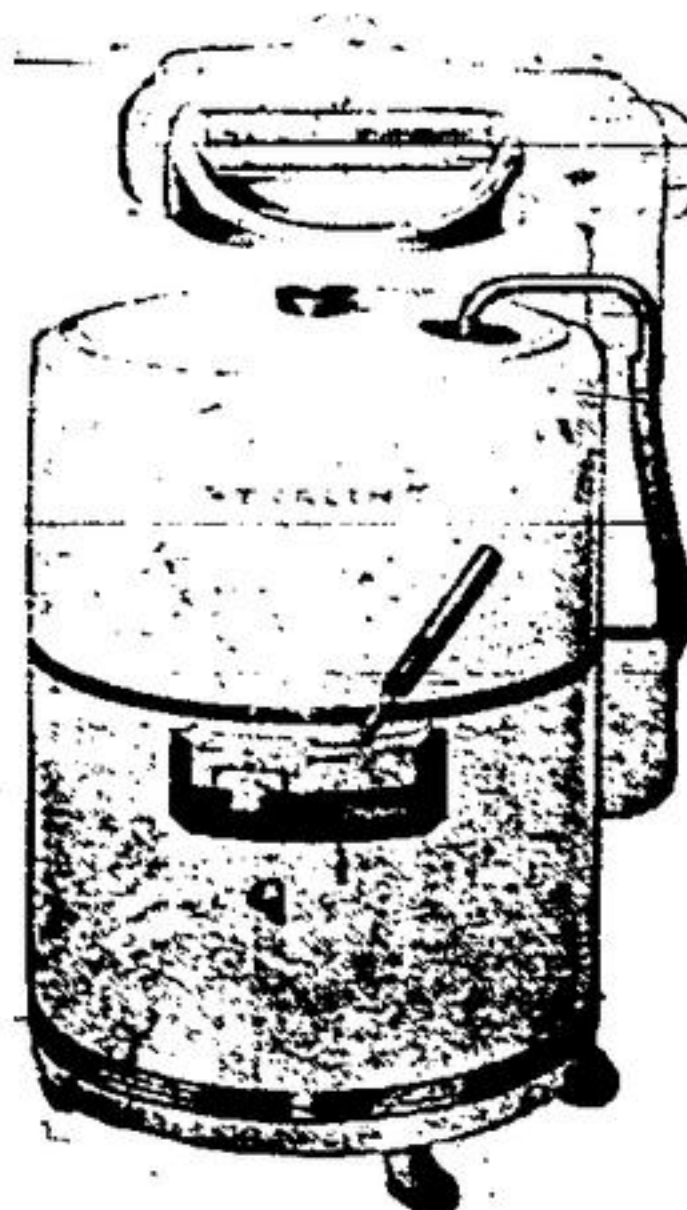

FAMOUS INGLIS 7 RINSES

Plus Free-Flow Draining flushes away all the dirt — leaves clothes thoroughly clean! Uses less water than most ordinary washers!

**2-Speed . . . 2-Cycle Action
Gives You 2 Washes in 1**

7 Rinses: 4 Pow. Spray, 1 Washing Action - 2 Power Spray

A touch of your finger — and Inglis magic goes to work for you. This top-of-the-line model features the exclusive "Wat-R-Wizard" suds return; saving you over 2,500 gallons of hot water and up to 26 boxes of soap a year. No other washer is more willing and responsive to your command. You can stop, repeat, shorten, lengthen or skip any part of the complete operation. You'll get so much more with the "Inglis Royal" at bigger savings than ever at Georgetown's best-known appliance dealer.

THE STERLING

Inglis

WRINGER WASHERS

FOR . . .

1958

with the new

Continuous Automatic Filter

Inglis Washers get clothes cleaner because of proven "Magi-matic" balanced washing action combined with the new continuous automatic filter. Every garment is gently flexed again and again — every particle of dirt removed.
