SINCE BULK MILK HANDLING was introduced in Ontario in 1955, the man who drives the big white milk truck has a great deal to do with the quality of the milk that appears on the householder's doorstep each morning. It is therefore necessary that he should have special training for his job. This training is provided at the Dairy Department of the Ontario Agricultural College, where courses are offered for Milk Transport Operators. The most recent course included over 30 drivers from all parts of Ontario. The students in the photo are testing the quality of a sample of milk. They are left to right: George Dixon, Georgetown; W. Hamilton, Kingston and Bill Genova, Malton. —OAC Photo

Engage Two Teachers For Public Schools

The Georgetown Public Schools teaching staff was increased by two on Wednesday, May 7th when the board accepted the applications of Janet Paskney of Alton and Mrs. Shirley Fendley of town at their regular monthly meeting in Harrison Public School. The new teachers' duties will commence in September.

The newly elected Roman Catholic Separate School Board were visitors at the meeting with the board members being introduced by their respective chairmen, Ray Salter and R. C. McDermott. Speaking for the Separate School Board Mr. McDermott said they hoped to be able to cooperate in every way with the tri-school board and being a newly formed executive would possibly need to confer with them several times before the separate school was an actuality. He told the board that they would be notified of further developments in Separate School plans as soon as more details were made available.

The results of a survey conducted by the principals of the three public schools that influx of pupils in KP classes at Harrison and Wragglesworth Public Schools next September will exceed the initial registration of last term. The survey suggests that KP attendance at the Chapel St. and Park Schools will be comparatively light.

SILVER-WOOD

JOKES MAKE NOVEL
IDEA FOR ROLL CALL

For their May meeting the members of Silver-Wood W.L. enjoyed the hospitality of Mrs. W. H. Reid in her new home. There were fifteen ladies present. The new president, Mrs. W. E. Norton, was in the chair. Members were put into a relaxed and merry mood by the jokes told in response to roll call. At the conclusion of routine business, the program was taken over by Mrs. Douglas Peck. Current events were given by Mrs. E. Scott. A paper by Mrs. George Buchanan, Jr. on the motto: "He who laughs best" left her audience convinced that it was good policy to love folks rather than laugh at them in a disparaging way. Mrs. Douglas Peck gave an interesting paper on the early history of Esqueping Township and S.S. No. 16. Many of the descendants of pioneers mentioned are still living in the district.

Congratulations to Mr. and Mrs. Donald Lindsay on the birth of their son. Mr. and Mrs. Ernie Shaw, Mrs. Jennie Foster and Mr. Tush Foster, all of Toronto, visited with Mr. and Mrs. George Hunt. Stone School choir is to be congratulated on winning second place at the music festival. Mr. and Mrs. J. L. Ford of Bal-saver spent a few days recently with Mr. and Mrs. H. Marchington. Mrs. E. Marchington attended the 3-day conference of W.L. District Directors at Guelph last week.
