Auction Sale Plans Engage Rotarians

Georgetown Rotary Club has a busy schedule these days, if the amount of events brought up at their regular meeting last Monday is any criterion of this. As usual the meeting was held at the North Halton Golf and Country Club.
Ralph Ursel showed some very interesting films after the dinner and business had been concluded. During the business a number of matters came up, including the re-showing of parts of the minstrel show at the Garden Party held recently in the park in aid of the Georgetown Hospital Association. Director Ralph Ursel and the club received a hearty vote of thanks from the club for the effort put into this.
It was decided to purchase a gas stove-with lamp for use in the future for the club and the Rotary Ann. Tribute was paid to the members' wives for their wonderful job in charge of the booth on the 24th of May.
Discussion followed about the coming auction sale, and it was decided to have a loud speaker out this week for the purpose of the approaching sale and asking for donations of unwanted items for it. So far donations have not been quite as good as other years, and it is hoped that the next ten days will bring the collection up to par.
The Rotary Ann has been selling tickets on a beautiful painting done by Hal Newman, well known local artist, and the draw will be made that day. Members were urged to get out and sell tickets for the girls.
Also it is expected that a large number of citizens will be present at the auction sale on the 14th to see the draw by the Lions Club of Georgetown, for their "Trip to Europe". This draw has been going on some time, and it is hoped that the proceeds of this will pay off the swimming pool. As well as a trip to Europe for two, \$1,000 is being provided for expense money.
This Saturday night a party is being held for members at the home of Ken Nash. All members are urged to attend. This is an annual affair and one that is looked forward to by each Rotarian.
President Bill Carr announced that the incoming officers would be installed on the regular meeting on Monday, June 16th. Bill Hamilton will then take over the club's destinies for the ensuing year, with his slate of officers.
On Wednesday, June 25th, the club will join with Milton and Acton in another Tri-Town meet. So successful was the last one held in Georgetown, that the ladies are again invited, and Milton looks forward to a real representation from Georgetown.
A number of new members were proposed for membership in the club.

WILL SEND CLOTHING FOR JAPANESE CHILD
Mrs. John Matthias, 5 Orchard Blvd. opened her home for the May meeting of the Evening Auxiliary of St. John's United Church Monday evening.
Mrs. O. M. Brewster led in the devotional and also gave a short talk on the scriptures. A very interesting book review on "Cross and Crisis in Japan" which is part of the study material for this year, was given by Mrs. H. C. Wigglesworth. Clothing for a one-year old child was on display and will be sent as a bale allocation. Mrs. Gordon Padfield and Mrs. Alan Prouse assisted the hostess in serving refreshments.

HOW'S YOUR I.Q.?
TODAY'S INSURANCE PROBLEMS ANSWERED
QUESTION: A car purchased by a friend was repossessed not long after he had paid for a whole year's Collision insurance. Can he get back any of his insurance premium?
ANSWER: Yes, the unused portion of his insurance money will be refunded either on a pro-rata basis or a short-rate basis, depending on the particular company. If cancelled by the insured it would be short-rate.
