Ontario Hydro as, an electrical en- I also feel that the expense involved should cover twice-a-week garbage collection all year round. I feel the present system to be unsatisfactory and feel this could be improved upon.

I therefore suggest our council investigate other ways and means of garbage collection. My own personal opinion is that the town acquire a truck and use town employees to perform this service. I realize the expenditure for a proper enclosed garbage truck is high, but I also feel the expenditure would be justified in years of to come, as the wages of two spreading weed seeds to ensure town employees and the upkeep the survival of the species.
