At Ollivier-Fogg Wedding**

Calvary Baptist Church, Brampton, was decorated with white shasta mums and pink snapdragons, June 28, for the wedding of Miss Irene Margaret Fogg and Mr. Robert Charles Ollivier of Georgetown. The bride is the daughter of Mr. and Mrs. H. J. Sienko, 14 George St., and parents of the groom are Mr. and Mrs. R. A. Ollivier, 44 Prince Charles Drive. Pastor Bruce Penny officiated at the ceremony. Miss Arlene Hill played the wedding music and accompanied her sister, Miss Diane Hill, the soloist.

The bride, given in marriage by her father, wore a ballerina-length silk organza over nylon net gown. A tiara headdress of iridescent sequins held the waist-length embroidered net veil. She carried a bouquet of pink roses

and Stephanotis. Miss Mary Davison of Toronto, the maid-of-honour, and Mrs. Marjorie Teasdale of Brampton, the bridesmaid, wore matching gowns of turquoise brocade taffet with nylon chiffon overskirts. Head bands, shoes and mitts matched the gowns. They carried cascade bouquets of pink carnations. Jacqueline Williams of Georgetown, was the flower girl. She wore a pink organza frock with a headdress of roses and carried a basket of white mums and pink roses. Mr. John Ollivier of Georgetown was his brother's groomsmen and ushering was another brother, Mr. Raymond Ollivier of Georgetown, and Mr. Richard Sienko of Winnipeg, the bride's brother.

Following the ceremony a reception was held at the Yellow Briar. The bride's mother received the guests in a gown of dusty rose taffeta and lace with navy accessories and a corsage of pink carnations and blue cornflowers. The groom's mother assisted wearing a blue lace gown with pink accessories and a corsage of white carnations and pink roses.

The couple left for a honeymoon in Northern Ontario. The bride travelled in an olive green two-piece dress with white accessories and a corsage of pink roses and white mums. They will make their home in Georgetown. The groom is employed at Thermo-Electric, Brampton, and the bride is a member of the office-staff of Delrex Developments.

**STRAWBERRY TEA HELD AT
MRS. GEO. STEPHEN'S HOME**

Perfect weather favoured the guests who attended the strawberry tea held at the lovely home of Mr. and Mrs. George Stephens, 62 Rexway Drive on Thursday afternoon. Shady umbrella tables on the lawn and patio, with the background of flowers was most attractive. Delicious strawberry shortcake and tea were served to about eighty guests who enjoyed a social time, a chat and visit with friends.

The tea was under the auspices of Park Group 3 of the Women's Association of St. John's United Church. The berries were a donation from Mrs. Stephens and grown in her garden. Miss Luena Campbell won a box of berries as a prize for being the person to buy the fiftieth ticket.

**Sixth Generation
Is Now Farming
Brownridge Homestead**

One hundred and forty years of living in Europe or the Middle East might not seem unduly long, as history goes, but such a period in this young land of Canada has seen some vast changes, from a land of primeval forests and vast unploughed prairie to one of the fastest growing and most progressive nations on this earth.

Firm foundations for this young and vigorous land were laid more than a century and a half ago, largely by sturdy young settlers from the British Isles, who braved the 6 to 8 week crossing of the Atlantic in sailing vessels to establish new homes in Canada, then known only as Upper Canada and Lower Canada. One such was Thomas Brownridge of Yorkshire, who emigrated to Canada in 1819, at the age of 29 and homesteaded Lot 4, Concession 7, of Esqueping Township in the county of Halton, about midway between Milton and Georgetown. He married Eliza Ward of Islington and together they raised a family of seven sons and one daughter on the homestead, which has remained in the family for all but two of the 139 years since that time. Through the years the homestead has passed in successive generations from father to son and is now owned by Mr. Ward Brownridge, who is a great-grandson of the original settler and the sixth Brownridge to occupy this farm since it was first established.

Descendants of Thomas Brownridge and his wife Eliza Ward who were born in Canada or the USA, now number over 650. Most of them are still in Ontario with the rest scattered all over this continent, but principally in Western Canada and Michigan.

On Saturday, July 5th about 200 of them joined in a family reunion at the Brampton fair grounds where a full day's picnic program had been arranged under the leadership of Mr. John Guthrie of Toronto, president of the reunion association, and the executive; Ward Brownridge, vice president; John H. Brownridge, secretary and Mrs. Richard Bailey, treasurer. Coming from Vancouver were Mrs. S. B. Fleming with her son-in-law and daughter, Mr. and Mrs. Cairns Gauthier. A large delegation from Michigan also attended. This was the tenth reunion, the first was in 1907.

In honour of the departed members of this pioneer family a memorial service was held in Ashgrove United Church at 2.30 p.m. Sunday, July 6th.

**TWO ANGLICAN RECTORS
INDUCTED IN HALTON**

Rev. Kenneth Richardson of Georgetown, who is Halton's Anglican rural dean, assisted in the induction recently of two new rectors who will have parishes in the county.

The Venerable S. A. Kirk, Archdeacon of Trafalgar, officiated at services when Rev. J. H. Bieby became rector of St. Luke's Palermo and St. Simon's Mission at Oakville, and Rev. J. H. B. Rye became rector of St. Cuthbert's Oakville. At Palermo, Rev. C. E. Ladds of Stratford was the preacher for the occasion; and Rev. E. S. Bull, chaplain of Trinity College preached the sermon at Oakville.

Another change in the diocese takes place in Acton where Rev. Evan Jones has left St. Alban's Church to become an RCAF chaplain at Val D'Or, Quebec. Rev. H. Stokroff has been appointed rector, with duties commencing in September.

Georgetown and district were heavy contributors to the Canadian Cancer Society according to a report issued last week by P. K. McWilliams, president and R. M. Clements, treasurer.

The report of North Halton Unit covers campaign collections, private donations and In Memoriam donations. The latter has increased considerably this year over last, the report states.

**1ST GEORGETOWN CUBS
HAVE HIKE TO LIMEHOUSE**

1st Georgetown Thursday night cub pack wound up their cub year on June 28 with a hike to Limehouse. The cubs met at St. John's United Church at 1.30 and were transported to the seventh line where they began their trek. After a Weiner and marshmallow roast at their destination they returned home at about 5.30.

Two of the cubs, Gary Armstrong and David Brewster took advantage of the hike to pass their campfire lighting test. A couple of incidents highlighted the trip. At one point along the CNR tracks the pack came across a ground-hog trapped under one of the rails and freed it just minutes before a train crossed the spot. The boys later assisted a farmer in shooting a bull off the tracks.

Joining in the hike under cub master Dave Hastings were cubs Larry Allen, Gary Armstrong, Brian Peavoy, Rickey Peavoy, Steve Lawr, David McMenemy, Bob McMenemy, Wayne Norton, Bill Schenk, Roly Tomlins, Peter Tomlins, Tom Connely, David Howard, David McDonald, David Brewster and Larry Bradley and Dennis Steif.
