THINE OWN
IGNORANCE"**

(author's name below)

Your body is more complex than any machine man has ever devised.

Yet, it is amazing that there are still some people who follow the advice of untrained people who presume to tell them what to do or take.

Always remember — only a physician has the knowledge to find out what is wrong with your body and to prescribe the right medicine.

And, when you need any medicine, get it only from a pharmacist, because we know how to protect potency, answer questions about safe dosage and are licensed by the state for your safety.

**HOG
PRODUCERS**

A vote on the continuance of the Ontario Hog Producers' Marketing plan will be held on Friday, July 25th.

Polls will be open from 10 a.m. to 8 p.m., local time.

A list of voters is being prepared by your Municipal Clerk. If you are a hog producer make sure your name is listed. Remember you must vote in the Township in which you reside.

The Ontario Farm Products Marketing Board has directed a letter to all producers on the voters' list. If you have not received a letter, check to make certain you are registered.

Consult the voters' list or check with your Municipal Clerk for the location of your polling booth.

REPRESENTS TCA

Miss Lisa Wilson, TCA-Cowboy. Air lines stewardess, reached the south-shore recently in the International Airline Stewardess contest held in Milton Beach. The attractive hostess competed with representatives from all the major world airlines. Based in Vancouver, Miss Wilson is five feet six and one half inches tall, 125 pounds and has light brown hair and light blue eyes. The contest was won by an E-AI travel stewardess.

FARM NEWS

**Land Judging
Competition at
D. Charles Farm**

J. E. W.

Plans are now completed for the land judging competition being jointly sponsored by the Sixteen and Credit Valley Conservation Authorities in cooperation with the Ontario Dept. of Agriculture. The event is scheduled for Thursday, July 24th on the farm of F. D. Charles, on the fifth line of Equestrian, Junior Farmers and 4-H club members will be registering at the Stewarttown Hall at 9 a.m. The morning will be spent on a tour, where they will receive instruction from members of the Soils Dept. at the OAC on appraisal of soils, etc. In the afternoon the young people will have their competition as previously indicated on the farm of F. D. Charles, where four "its will be dug in as many different soil types. The competitors will classify the different soil types and indicate their suitability for various designated crops.

We attended a portion of a similar event in Peel county a year ago, and frankly it was nothing less than an "eye opener" to yours truly. Provision is therefore being made for senior farm operators to see the four pits and soil profiles and hear a discussion led by Prof. Tom Lane of the Soils Advisory Service at the OAC. This senior programme is being called for 1.30 p.m. and we can only suggest to our farmer friends that they make note of the date so they won't miss out on this opportunity of seeing for themselves, since normally "seeing is believing."

**LEGION
NOTES**

By
Leslie M. Clark

Sunday, June 29th was the day set for the annual Branch 120 Legion picnic, and with the weather being excellent just about the biggest crowd ever turned out to have a real day of it.

Races were handled by Herb Arnold and a squad of volunteers with almost everyone taking part. Prizes were given to all young children, and there was a good selection of prizes for all those who won their events. Special races such as plate race, ball in the basket, and the annual hunt for the mystery man and woman were held to the enjoyment of all.

Basket lunches were opened at 5 and everyone sat down to a get-together. Buses left at various intervals for home after the meal.

Approximately 700 were present for the affair.

The last monthly meeting was a well attended one, with one of the most contentious subjects in some time coming up. There was quite a discussion on this (the price of our basic commodity) and it was finally decided to raise it, more into line with other outlets. The meeting seemed largely in favour of this.

Jim Murphy and his helpers had not beef sandwiches for the meeting, and these were a real treat for all present.

Wonder if Charlie Davies ever did get "Barking Dog" home? We heard that the poor critter was still heading for the finish line early this week!

We were asked by some curious members who were the mover and seconder of the hike in rates in the branch, and while we are not absolutely certain, we think it was moved by Jim Bradley and seconded by Chubby Stapleton, or was it Merle Reid, seconded by Earl Linee? At any rate, they were among those most heartily in favour of it. In fact we understand that the latter two were so filled with boyish enthusiasm about it going over, that they travelled over to the Glen to personally congratulate the president on it.

Provincial Command for Ontario has a new address, we believe it's 178 Richmond St. West in Toronto. They have moved from their old 22 College Street stand, to a new building at that location. Due to the inadequate accommodation at College, the full executive last spring decided to buy and got what they considered a good buy at the above address. It is a fine two storey building and should be ideal for Command. It is about three years old, with adequate accommodation for offices, as well as room for expansion. We believe part of the building will be rented.

A member recently asked us what was the connection between the lieutenant governor and the Legion. Col. Keiller McKay was probably the most active worker in the formation of the Canadian Legion into Provincial Commands, and was one of its first presidents. Before that he was active in the formation of Dominion Com. and we understand was the principal architect of the writing of the constitution originally. Bringing with him one of the keenest legal minds in the country (he was a judge and master of the Ontario

**STOCK 750 PHEASANTS IN
HALTON IN 1958**

Halton game warden Robert M. Reid of Milton, and the Halton Sportsmen's Association will this year stock Halton's hunting areas with 750 pheasants — about 600 five or six week old poults, and 150 of the Department's two-year-old arrived at the Eyrington farm of Russ Coulson last week. The rest of the birds should arrive sometime next month, and will be divided between Equestrian and Trafalgar townships.

The first shipment included 30 roosters, and the rest were hens. Since their arrival, the hens have produced about 75 eggs which Mr. Reid has been gathering for experimental purposes. When about 100 eggs have been obtained, the hens will be let free.

The cocks will be kept penned until the day before the season opens, in early October. Unless, of course, they start fighting each other. In this case, the game warden reported, the cocks will have to be freed earlier.

Feed for the birds now penned at the Guelph line farm near Campbellville is being paid for by the old Nelson township licence fees. Feed is expected to cost around \$50.

Exact date of arrival of the remainder of the pheasants is not definite, but Mr. Reid explained it will probably be within the next few weeks.

Last year 250 birds were freed in the Trafalgar area, above Hwy. 5, which is the boundary between the hunting and no hunting zones of the township. However, on opening day of the season, only about one in 35 of the hunters had procured a bird. Mr. Reid thinks they all flew south to the no hunting section.

No birds will be released in Nassagaweya township, where a private hatchery is maintained.

The game warden also reported that in February, the Oakville gun club expects to bring in some Hungarian partridge, which are smaller birds and harder game to shoot. Plans are now being formulated to board and feed them.

**PRESENTATION TO TEACHER
BY STONE SCHOOL STUDENTS**

Stone School picnic was held on June 27th at Waterfalls Playground. After swimming the races were run. The winners were:

Boys 6-8, Ricky Corbett, George Graham, Dale Carleton; Girls, 6-8, Anna Simonyi, Debbie Rogers, Laura Henderson; Boys 8-10: David Presswood, Terry Burt; James Graham; Girls 8-10: Carlie Norton, Judith Norton, Marjorie Burt; Boys 10-12: Ricky Bell, Melvyn Reynolds, Robert Melanson; Boys 12 and over: Melvyn Reynolds, Patrick Graham, Alex Colborne; Girls 12 and over: Carlie Norton, Viola Melanson, Diane Melanson; Three legged race: Jacqueline Burt and Eleanor Colborne; Carlie Norton and Viola Melanson; Wheelbarrow race: Robert Melanson and David Presswood; Tommy Melanson and Steven Reynolds; Shoe Race: Carlie Norton, Eleanor Colborne; Ball race, Jacqueline Burt, Margaret Melanson; pie plate race: Mrs. Colborne and Mrs. Burt; 2nd Mrs. Carleton and Mrs. Henderson.

A pleasant picnic lunch followed the races with ice cream provided by the Stone School Association.

The children presented their teacher, Mrs. Albert Presswood, with a sandwich and relish server as she is leaving the Stone School to take up another position.

—If you have visitors at your home, the Herald personal column would be pleased to carry their names.

supreme court) his help in the early days of the Legion was invaluable. The number of pension cases during "the hungry thirties" that he took an interest in was enormous and the work accomplished by him towards the growth of the Legion is indicative that in the formative years as president, membership doubled. He was recently made honorary president of Ontario Command, the first time that this honour has ever been given anyone. An excellent speaker, he has often spoken at full executive meetings of the Legion, and at other large Legion affairs in Toronto. Col. Keiller Mackay was of course, a veteran of the first war, holds the Distinguished Service Order, and was severely wounded, which however, did not deter him from his interest in veterans work, even while hospitalized for a number of years.

The list of those in our branch who are ill or hospitalized, grows steadily these days, we note with regret, and we hope that this is only a passing phase. With so many members reaching rather substantial ages, it is only to be expected, but nevertheless regretted that there is a greater degree of illness. We have a number of cases in hospital, and we are sure that they would be happy to see any of their comrades. Sunnyside, we know, is an awkward place to get to, but we are sure the boys would be glad to see you. In particular we think of Bill Hadley, who has been there for so very long, and Alvin McDonald, who also has been there for many months.

IT'S MORE THAN JUST A GAME—The faces of these five pupils from Port Perry Public School reflect the interest they show in the Safety Game, distributed to over 800,000 Ontario school pupils by the Departments of Transport and Education this summer. Transport Minister, Dr. M. B. Dymond shows how the game works to (left to right) Elizabeth Willoughby, Jackie Fransen, Kathy Whitter, Norman Ballinger, and Eva Levack. Purpose of the game is to remind youngsters during the summer of the safety lessons they learned in school from their teachers.

**Hornby United Church Setting
For Royce-May June Meeting**

Hornby United Church was the scene of a double ring ceremony, which united in marriage Betty Florence, daughter of Mr. and Mrs. Lloyd May of R.R. 4 Milton, and Craig Collin Royce, son of Mr. and Mrs. J. G. Royce of Hornby.

Rev. Clifford G. Brown officiated for the wedding in a setting of white gladioli, white mums and fern.

Mrs. E. Price was organist, and accompanied the soloist, Mrs. Stewart Lockie who sang "The Voice that Breathed O'er Eden" and "Through the Years."

The bride was given in marriage by her father and wore a floor length gown of lace and net over taffeta. The lace bodice descended into several star points in the skirt of net. Her fingertip veil with matching lace appliques fell from a crown studded with pearls and sequins, and she carried a white bible adorned with pink sweetheart roses and Stephanotis.

Miss Marilyn May, sister of the bride, was maid of honour, wearing a deep blue crystaletta, street length dress with matching gloves. She carried a cascade of light pink carnations centered with deep pink, and a matching headpiece.

Beverly Royce and Joy May being bridesmaids wore similar dresses of sky blue crystaletta with matching gloves. They carried cascades of light pink carnations with matching headpieces. Valda Royce was flower girl and wore a light blue dress of net over taffeta. She carried a small cascade of light pink carnations with a matching headpiece.

Roy May, brother of the bride carried the gold wedding bands.

Earl Claridge of Brampton, friend of the groom acted as best man. Ushering the guests were Bill Lockie of Milton and Grant Royce of Hornby.

Pink carnations and white spiraea on the table in the S.S. room, formed an attractive setting for the reception of 90 guests. Rev. J. E. Maxwell was toastmaster and read congratulations to the bride and groom received from their aunt and uncle in Nottingham, England.

The mother of the bride chose for the occasion a dress of driftwood crepe, wearing a corsage of Lesteria Hibberd roses. The groom's mother assisted in a navy blue dress and a corsage of pink delight roses.

For travelling to the Eastern United States the bride chose a powder blue sheath dress, a navy coat, with white accessories and wore a corsage of pink sweetheart

Associate Agric. Rep. J. Allen Francis, assisted by A. T. Woodley, chairman of Halton's Club Leaders' Advisory Council, was in charge of the Halton party.

4-H groups from many sections of Ontario participated in the excellent day's programme.
