

**LEAVES TEACHING POSITION,
FOR LANDS, FORESTS JOBS**

A member of the Georgetown high school teaching staff a year ago, Carl Schenk, has resigned from the teaching profession to take up a position with the fisheries research division of the Ontario Dept. of Lands and Forests. Mr. Schenk, son of Mr. and Mrs. William Schenk of Glen Williams, received his B.A. at McMaster

and taught Science and PT while here. For the immediate past term he taught at Richmond Hill high school. He has been with Lands & Forests since the first of July and is presently working out of a Department station on the lake-front at Aylmer, where the fisheries division is trying to account for the scarcity of fish in Lake Erie. Mr. Schenk has previous experience with the Dept., working with them for four summers while studying at McMaster.

WHAT COUNCIL DID

**Vote Completion of
Water Firms Report
on Town Supply**

Aftermath of a discussion last week with J. W. Kirk of International Water Supply, Ltd., council on Monday took the advice of the water committee and okayed the firm completing its investigation into future water source and supply in town. A week ago Mr. Kirk reported a possible million gallons a day in addition to the present two wells which can possibly supply 2 1/2 million gallons daily, although current consumption is in the million gallon region. His company's research has cost the town \$8756 to date, and he said another \$600 would cover cost of final tests to complete the report.

Monday's vote allotted a maximum of \$500 for the extra testing. "This company has been criticized somewhat for the amount of money spent" said water chairman Ern Hyde in making his motion, "but they are giving us a complete report on what water we have, and it is valuable information for the town to have."

Council ordered tenders called for sanitary sewers in the new park subdivision (this subject to the Municipal Board approving a debenture issue) and for roads and watermains.

Cr. Fred Harrison reported a delay in advertising land which the town will sell on Maple Ave., until a proper description of the property is obtained. His committee is now considering offering the land for sale in separate lots, rather than as one parcel, he said.

"We've had our first response from action of the new Industrial Commission," Reeve Doug Sargent reported, as he told of an industrial enquiry from a bank which has no branch in Georgetown.

The bank itself is also considering locating here, he informed council.

Reviewing of accounts brought three questions of cost to the fore. Cr. Hyde asked for a future report on cost of operating the bulldozer and sanitary landfill, as a repair bill for the dozer was paid. Cr. Harrison submitted a \$48 account for cutting grass and weeds at the park and said this could be a weekly occurrence and council should consider buying a mower for this purpose.

"Some of our worst weed patches are on town property," he said, "and we'll either have to spend money and keep them cut, or turn our heads when ratepayers let their weeds grow."

Cr. Harrison also suggested that town employees who have home phone bills paid by the town should submit a monthly list of long distance calls chargeable to the town, for checking.

ASHGROVE

**TWO SHOWERS IN DAY FOR
ASHGROVE BRIDE-ELECT**

A very pleasant afternoon was spent on Thursday, July 17th at the home of Mrs. Ernie Tindale on her lawn under a lovely large tree at a shower in honor of Margaret Bird. The hostesses Mrs. Cecil Wilson, Mrs. Leslie Giffen, and Mrs. Bruce McClure had decorations of colored balloons and a pink and white parasol and pretty flowers. After a program of accordion selections by Sandra Tindale a reading by Mrs. John Bell-boddy and suitable contests by Mrs. C. B. Dick, Margaret was seated in a gaily decorated chair and with the assistance of Marilyn Wilson and Adrienne Nurse, opened the many beautiful gifts. She thanked everyone and invited them to her mother's on the 30th of July to view all her wedding gifts, after which lunch was served by the young girls and the hostess. That same evening Barbara Cunningham opened her home for a miscellaneous shower for Margaret when she received some lovely gifts from girl friends and a dainty lunch closed the evening. Gertrude Ostermann of Brampton is spending some holidays with her little friends, Nancy and Ellen Hunter.
