LIMEHOUSE BOYS LEARNING INITIAL PHASE OF SCOUTING
Thirteen boys in Limehouse are having a wonderful summer learning the basic rules and regulations of Scouting which will stand them in good stead when the regular season opens up in the fall. This program that the boys are participating in is a summer schedule planned by the Provisional Committee recently formed. Brian Sprack, 21 Edith Street, Georgetown, is leading the group along with Mike Fairman and Ralph Sheppard of Limehouse. The boys meet in Limehouse Memorial Hall every Wednesday evening. Several more boys will be old enough to join the group in the fall. Those already enrolled

are Michael Noble, Norman McDonald, Sandy Findlay, Robbie Roughley, Charlie James, Kenny James, William Briggs, Jimmy Ruddell, John McDonald, Eugene Turner, Edgar Karn, Johnny Clark and Brian Phillips.
Up to date the group has been working very hard and it is planned to hold a Parents' Night on the twenty-third of August when they will be treated to a corn roast.

D. GAY, D.C.
TORTIELLIS
This is a painful condition of the neck muscles causing the head to be pulled to one side and turning the head becomes almost impossible. If the condition is left, it may remain permanently contracted, resulting in disc injury or a neuritis of the shoulder and arm.
Some of the time these spasms will clear up in time with the addition of heat and rest, but physiotherapy and manipulation is the fastest and most permanent means of obtaining results.
Contact your chiropractor when this condition arises.
