### Sixty Students Attend Vacation Bible School

During the past week, sixty boys and girls of St. George's Anglican Church school attended a summer vacation session. Each day the pupils engaged in a period of instruction, followed by games, songs and handicraft.

Friday evening parents and friends attended the closing session, which began with a service in the church, followed by a brief program in the parish hall. The junior group under the direction of Mrs. Bob Borland sang a number of songs, and the senior group portrayed the seasons of the church year. A film strip, The Anglican Way, was also a feature of the evening. ### BALLINAFAD

### Sunday School Teachers Plan Rally Day Service

A meeting of the officers and teachers of the Sunday School of Ballinafad church was held on Tuesday evening at the home of Mr. Ross Shortill. Plans were made for the Rally Day service on September 21st and many helpful ideas were suggested for the future. Mr. Duncan Gibson conducted a short worship service and Mr. McBride was also present and expressed his desire to help them whenever he could.

Congratulations to Mr. and Mrs. Wendy Steinhausen on the birth of a daughter at the Brampton hospital last week.

The sympathy of the community is extended to Mrs. Lloydi Burt in the passing away of her mother, Mrs. Gertrude Johnston. She was well known around this district but has been living at Ospringe for the last few years. Interment was in the Acton cemetery.

Television viewers of the Canadian bandstand program on channel 13 on Saturday saw two of our local girls dancing. They were Misses Donna Smith and Denise Bradley and were included among 350 teenagers enjoying the broadcast.

Miss Kathryn Sinclair has been visiting cousins in Guelph for two weeks and while there she attended the Bible vacation school at Dublin Street United Church and came home with a certificate for her fine work. Congratulations, Kathryn.

Mr. and Mrs. Murray McBride visited on Sunday and Monday with relatives in Seaford. Bill Smith was holidaying last

week with relatives in Belwood and Marlene Bilton has been visiting with her cousins at the store.

Several families in this district have been enjoying the facilities offered at the new Georgetown swimming pool this summer and after attending the official opening the other Saturday night I would like to offer congratulations and sincere thanks on their behalf. There is no greater asset to a town than a fine swimming pool providing good swimming instruction.

Mr. and Mrs. Ernie Barnes have completed the alterations on the house which they purchased some time ago from Mr. Gordon Taylor. It is to be a home for elderly people but unfortunately it will only accommodate four. Mrs. Barnes' mother, Mrs. Everest who came from Dorking, England, about four months ago, will be living in the house and will be assisted by Miss Joyce Kenwood who also comes from England. We welcome these people to our midst and also congratulate Mr. and Mrs. Barnes for this fine work they are doing. Miss Brenda Barnes, their daughter is a nurse in Vancouver, B.C.
