

"ALL DELAYS ARE DANGEROUS IN WAR"
(author's name below)

When an invading germ or virus attacks your body a war begins. If your body senses that it is losing, it asks for help. You may become unusually tired, have persistent pains or other troublesome symptoms.

Any delay can make the battle hard to win. Home remedies, that only treat symptoms, may mask the real cause and permit the illness to gain a strong hold. The best way to win your war against sickness is to go to your physician at the first sign of trouble. Let him diagnose the cause and prescribe the proper treatment.

Glen Williams Anglicans Have Vacation Bible School

An enthusiastic group of young people, ages 6 to 12, participated in a vacation church school at St. Alban's Anglican, Glen Williams, last week.

Each day started with a procession, led by a crucifer, into the church for a service and hymns. A half hour period of instruction in the christian faith followed. The primary group was taken by Rev. Kenneth Richardson, rector of St. George's and Rev. John Rathbone instructed the seniors. Refreshments, games and songs followed, and the final period found all the boys and girls hard at work on handicraft. The primary group made a variety of things of interest to that age group, while the seniors painted plaster nativity figures. These have a great teaching value, portraying as they do, one of the most important festivals of the church year.

The entire instruction was on the church year, from Advent through All Saints. Colored frontals on the altar were changed each day to conform with the particular season being taught, and hymns appropriate to the season were used.

The final evening consisted of a church year pageant by the seniors, a talk on what the school accomplished, presentation of certificates and refreshments.

Mr. Rathbone extended thanks to all who participated with their time and donations of material and refreshments to the school. Primary students attending were: Michel Hoesch, Jackie Kemshead, Kathy Rathbone, Peter Rathbone, Neil Korzak, Catherine MacDonald, Billy Burlington, Chris Sargent, Margaret Hancock, Isabel Lieder, Harry Lieder, Alice Hancock, Sandra Lorrman, Pam Norton, Mary Bonathan, Jeffrey Eason. Instructors for this group were Mrs. Rathbone, Mrs. Michael Hoesch, Marlene Kemshead, Mrs. Gord Hills.

The senior group comprised Georgina Hoesch, JoAnn Kemshead, Jill Kemshead, Bobbie Kemshead, Wayne Davison, Nancy Korzak, Joy Haines, Pat Davison, Betty Sargent, Barbara Hills, Bonny Hills, Lawrence Kirby, Jimmy Hancock, Doug Hancock, Judy Hancock, Eleanor Hill, Billy Robson, Janie Bouskill, Billy Lorrman, Judy Williams, Peter Norton, Ann Davies, Mac Korzak. Instructors were Mr. Rathbone, Mr. Richardson, Mrs. Henry Lorrman, Mrs. Bill Korzak, Judy Bonathan and Margaret Eason.

Peter and Wayne Norton acted as crucifers. Mrs. Jack Lucas, president of the ladies' guild saw that cookies were provided each morning by various ladies of the parish. George Preston and Harold Wheeler provided all the freshie and ice cream for the school. Marlene Kemshead was organist for all the services.

LEGION NOTES

By Leslie M. Clark

A week from next Sunday will be the annual Decoration Day parade and service. The service is being arranged by the padre of Branch 120, Rev. Kenneth Richardson. The parade will form at the Legion Hall at 2:00 p.m. and moved off to the cemetery for service at 2:30. Wreaths will be placed on the graves of all veterans buried in the cemetery. The Georgetown Citizens Band will be on hand to play for the hymns, as well as head the parade to and from Greenwood. Henry Shepherd, perennial sergeant major of local parades, will be marshal of it.

So all comrades are urged to fall in at the Legion Hall at 2:00 p.m. Many local organizations are taking part, and it is expected a number of branches will also be on hand.

In the event of inclement weather, the service will be held at St. George's Anglican Church.

The zone parade will be held on Sunday, September 21st, in Port Credit. It is hoped that there will be a good turnout from Georgetown. Details next week.

The golf team is getting all ready to go after some trophies, district and province-wide. We hear the boys are getting in some practice these days. The finals for the province are October 4th in Windsor.

Treasurer asks us to remind you that there are still a number who are delinquent in payment of their dues. Let's get down with the shekels, boys, and get back in good standing.

Seems our young friend, Henry Shepherd, recently made a trek out to the Peace River country and he was quite surprised at the evidence of drought. But when he arrived back and visited the branch, his first reaction was "things aren't so dry out west, after all."

All fooling aside, we were happy to see Henry back and hear that he and his missus had a good trip.

We should be ready now to begin attending some more of those reunions for "Vets of the Boer War and Riel Rebellion" Henry.

With Kitchener host to the next provincial convention next spring, we expect a large number will be on hand from town. This is expected to be the biggest convention ever held in Ontario and it might well be just that.

Darts and cribbage will soon be starting again for the fall and winter season.

John Simonyi Opens Appliance Business

For several years associated with the Harold C. McClure Ltd. firm, John Simonyi is opening his own TV and appliance service centre.

Mr. Simonyi and his wife have recently returned from a holiday in Europe. During their time abroad they covered 7,000 miles in their own car, which they took over with them on the S.S. Homeric. They spent some time in Mrs. Simonyi's native Austria visiting with her mother in Styria. Mr. Simonyi was not so fortunate, for it is still not wise for a Hungarian native to return to his own country. Closest he came was to the Austrian border which is only 1 mile from his native town. He did, however, talk with his sister there by telephone.

Leaving from Montreal on their trip, the couple docked at Le Havre. They motored extensively in Germany, Austria, Switzerland, Italy, and also went to Belgium to spend a few days at the World's Fair in Brussels. John was particularly interested in visiting electronics factories along the way. Travel is cheap for Canadians, he reports. For instance in Austria, hotel room and meals for a couple cost only \$2.50 in Canadian funds per day. Since leaving Hungary, Mr. Simonyi spent two years in Austria,
