## Family Reception Here For Texas Newlyweds

Miriam Louise Grace, Dallas, Texas, daughter of Mr. and Mrs. Richard Grace, 50 Queen Street, became the bride of Nathan Lee Cade, son of Mr. and Mrs. George Cade, Rockwall, Texas, in a quiet ceremony at the home of the groom on Saturday, August 23rd. Rev. W. O. Bucy officiated at the evening ceremony with Mrs. Bucy as pianist. The bride was gowned in a street length silk organza gown and her flowers were white tuber roses and carnations.

Mrs. Lloyd Acker, Garland, Texas, sister of the groom was matron of honour and Mr. Acker acted as groomsmen. It was a double ring ceremony.

Honoured guests at the ceremony were the groom's grandfather who is eighty-eight years old and his grandmother who is eighty-four, Mr. and Mrs. James Cade, Rockwall, Texas.

The bride left Georgetown to go to the States about three years ago and is employed with Fred M. Ramsey, Attorney, CPA, Dallas, Texas. The groom is a student at North Texas State College. They will make their home in Denton, Texas.

Mr. and Mrs. Cade arrived at her parents' home on their honeymoon trip on the 27th of August and stayed until the 2nd of September. Mr. and Mrs. Grace had a reception for them at the Jack O'Lantern on Saturday, August 30th for members of the family and close friends. Guests were present from Toronto, Oakville, Milton, Cheltenham, Inglewood and Norval.

### FARM NEWS

#### TWO MORE HALTON HERDS JOIN 400 LB. GROUP

J. E. W. When we wrote the story on Halton herds in Dairy Herd improvement work recently, through some oversight, we failed to include in the group of 400 lb. herds, those of Daniel Jones and Ralph Ford. This makes twelve Halton herds out of a total of 70, which made the charmed circle.

The Daniel Jones' herd of 16 cows on the average produced 11,873 lbs. of milk and 425 lbs. of butterfat; while the Ralph Ford herd of 22 cows had an average production of 10,624 lbs. milk and 411 lbs. butterfat.

When one considers that all records in DHIA are 305 day records, and that in each herd are a number of two and three year olds, these herd averages are very, very good.

In the same DHIA report, it is interesting to note the result of an analytical study made between cows which are natural service daughters of known sires and heifers, and cows which are the result of artificial insemination. In each class or age group, that is, 2 year olds, 3 year olds, 4 year olds, and mature, the average production of those born as a result of artificial insemination exceeds that of those born as a result of natural service. To illustrate, here is average production of the AI Mature group namely 10,631 lbs. of milk and 374 lbs. butterfat.

On the other hand, the average production of the Natural Service mature group is 10,340 lbs. milk and 358 lbs. butterfat. While a difference in average production of 191 lbs. milk and 15 lbs. butterfat may not seem large, it would appear to indicate that Artificial Units are in a position to acquire and make available, sires with better production backgrounds, than the average dairyman is able to purchase.

### HORNBY

#### CHURCH W.A. LADIES ENTERTAINED AT GRIMSBY

The Evening Group of the Hornby United Church W.A. held their September meeting at the home of Mr. and Mrs. Stanley Learmont at Grimsby on Sept. 8.

Mrs. James Reid, president, opened the meeting with the theme song and Lord's Prayer. Mrs. Tom Bousfield was in charge of the devotional part of the meeting. The members discussed the forming of the Explorers and the continuation of the Mission Band.

After the business, Mrs. Harold Learmont sang a solo. Mrs. Geo Learmont acted as commentator for a fashion show, of all the latest styles, modelled by Mrs. Harold Learmont, Mrs. Arthur Death and Mrs. Johnson Neelands.

Mrs. Stanley Learmont was presented with a little gift for her kindness in inviting the group to her home. A lovely lunch was served and everyone returned to their Hornby homes.

The Forresters of Milton Court held a picnic on Sunday, Sept. 7th at the Hornby Community Park.

Races were held in the afternoon. A picnic supper was enjoyed by everyone with the children getting treated to ice cream and pop. A ball game was played after supper and then it started to rain so all went to the Hornby Orange Hall where the corn roast was held. Everyone seemed to enjoy their day.

Sympathy is extended to Mr. and Mrs. Harry Newton on the death of Mrs. Newton's sister of

Detroit. Mr. and Mrs. Don Woodbeck, Anne and Billie of Collingwood visited with Mr. and Mrs. Lew Sampson on Sunday.

Mr. and Mrs. Roy Wilson and family visited with relatives at Port Elgin on Sunday. Mr. John Wilson returned home with them after a two weeks holiday at Port Elgin.

There was another accident in the Hornby district last Wednesday afternoon. Two cars met head on near Mr. W. J. Thompson's store. No one was injured but one car had to be towed away.

Mrs. Agnes Cavanagh left Monday for a visit with friends in Alberta. Her grandson Ted Smith has enrolled at Lorne Park College near Port Credit.

Birthday greetings to Denny Leslie, who will be five years old on Sept. 20th and to Lorne Ella on Sept. 21st.

#### AFTERNOON AUXILIARY HAS NEW STUDY BOOK

Mrs. R. H. Jones introduced the new study book "Concerns of a Continent" and "Our North American Neighbours" at the September meeting of the Afternoon Auxiliary of St. John's United Church WMS on Wednesday. She was assisted by Mrs. Val Stein.

Mrs. George Ward gave an inspiring devotional based on Proverbs, 2nd chapter, stating we should seek for wisdom as for gold, not spending our time in dreaming but be active in good deeds. She closed with an appropriate poem.

"Lovely" was the theme word for the roll call and visits to sick and shut-ins were recorded. Mrs. Nessie Coulson of the Victor Home for Girls in Toronto will be guest speaker at the thanksgiving on October 7th.

## Name New Assistant to Wrigglesworth Principal

Wrigglesworth public school teacher, Charles Pinkerton was named assistant principal of the new Park public school on Tuesday when the board held their regular monthly meeting at Harrison School. Harold Catling, who was assistant principal at Wrigglesworth under William Kinrade is the principal of the Park School which has been holding classes during the afternoon at Chapel Street until their building is ready.

Two teachers were also hired at the meeting Miss E. Johnston at Park and Mrs. John McClure, 66 King St. E., who was formerly a supply teacher, now full time at Harrison.

## Clothing Buyers Will Learn About Fabrics

Buyers for clothing stores in this district will receive first hand information on fabrics when they attend a special night being sponsored by the newly-formed district chapter of the Dry Cleaners Institute.

Meeting last week at the Queen's Hotel, Brampton, members decided to hold a special night in December when Mary Humphreys of the Thompson Research Laboratories will explain some of the newer fabrics and their adaptability to dry cleaning.

Don Barrager of the local Barrager Cleaners, who is president of the group, presided at last week's dinner meeting. Hartley Currie, manager of the Ontario Institute was a guest. Another project discussed for the future is a night when employees will be invited to a dinner meeting.

#### PIRATES ADVANCE TO LITTLE LEAGUE FINALS

Pittsburgh Pirates under the direction of Bud Hyde and Tom Beckett handled Bill Martin's Los Angeles Dodgers easily in their second game of Community Centre Little League semi-finals at park Saturday, 10 to 3 the final outcome. The loss eliminated the Dodgers from further play and boosted the powerful Pirates into the league finals.

Bobbie Kemshead came through with a fine pitching performance and went all the way to gain the win. The Pittsburgh cause was aided with a number of haubles by some of the better players on the Dodger nine who were plagued with errors and just couldn't produce their regular calibre of play. No discredit however to Bill Martin who is one of the most faithful and dependable workers in the league.

In the other semi-final series in the 10-12 age group Cliff Norton and Cliff Davison's Cincinnati Redlegs were handed the right to advance into the finals against Pittsburgh when hardluck Earl Walters' Phillies failed to show, forcing a default.

### THE MAIL BAG

#### PRaise RED ASSETLINE FOR COMMUNITY CENTRE

Georgetown, Ont.  
Sept. 11th, 1958

Dear Sir:  
In answer to the thank you Mr. Red Assetline has passed on to his co-workers in the Community Center, we feel he, himself, deserves a great big thank you.

Red put a lot of work into this project and gave up a considerable amount of his vacation time to help make it the success it was.

So thanks a lot, Red, your time and effort has been greatly appreciated.

Sincerely,  
Your Co-Workers.

#### LEAVING FOR EXTENDED VISIT IN BRITAIN

Miss Eileen Kerr, 15 Queen St. sails aboard the Saxonia on Friday from Montreal, bound for an extended visit in Britain.

A member of the Smith & Stone office staff, Miss Kerr plans to be away for about a year. She will first visit at Barnehurst, just outside London with a pen-pal, Sheila Hulso—the first in-person meeting for the girls. They have tickets to see "My Fair Lady" the Rex Harrison show which is playing to acclaim in London after its smash hit in New York. Later they will go to Largo, Scotland for a week.

Eileen intends to visit relatives in Newcastle-on-Tyne, Southall and the Lake district, as well as her godmother in Bristol. She will cross to Metz, France to visit a Georgetown friend who played with her in the Girls Pipe Band, Mrs. Homer Stennett. Mrs. Stennett, the former Joan Chaplin, and her husband are living there while he is stationed with an RCAF unit.
