As Georgetown Engineer

Resignation of William Carr as part-time engineer for the town was received at Monday's council

Mr. Carr, in a letter, expressed regret at leaving the position he has held for over a year, pointing out that his own business and a teaching commitment in Guelph will not allow enough time to serve the town also.

He suggested that either the A former Terra Cotta resident, town engage an experienced engin-Mrs. Violet Hackshaw was buried eer full time, or consider hiring a in Bowmanville following funeral junior engineer who could take adservice last Tuesday there.
