## 44 Competitors in Popular Calf Showmanship Class

One of the biggest attractions at the fall fair is the commercial beef and dairy calf competitions, open to members of Halton 4-H clubs, and other county residents, ages 12 to 20.

The judging culminates in the showmanship classes, where the Canadian Bank of Commerce offers a Bulova wrist watch to the junior winner, and Barber's Gift Shop a similar prize to the winner in the 16-20 age group. There are cash prizes also for the first eight winners in each.

The junior class on Saturday had 23 boys and girls competing. While Bob Merry and Carolyn Gardhouse placed first and second, they had won watches at previous fairs, and this was awarded to Charles Martin, who followed in third place. Others, in their order of finishing were Lorne Ella, Bill Alexander, Jeffrey Agnew, Margaret Alexander, Anne McColl and Larry Gardhouse.

In the class for 16 to 20 year olds, Sandy Hepburn won the Barber Gift Shop watch when he placed first. Following in order were Terry Hendershot, Bill Robinson, George Greenlees, Lorna Woodley, Ron Archer, Dawn Coulter and Eugene Coulter. There were 21 competitors.

### Bronte Now Part of Trafalgar Township

The village of Bronte, incorporated as such just less than seven years ago, is suddenly off the face of the map.

Last week the Ontario Municipal Board decided to approve neighboring Trafalgar Township's request to swallow up the whole village into the township.

The annexation becomes effective of January 1, 1959. It will mark the first time a township ever annexed a complete village.

A special hearing by the OMB will be held to establish a ward voting system for the future Trafalgar elections. The board has also recommended a study of the Oakville - Trafalgar area.

The village, incorporated in 1951, comprises 448 acres, 2,100 persons and \$2,400,000 in assessment.

# IGA FAMILY DIVIDEND PLAN

## THE MODERN WAY TO SAVINGS

#### HOW THE PLAN WORKS

Members of the Family Dividend Plan, through loyal continued shopping, make possible extra savings which come back to them as Dividend Credits. These they may apply on the purchase of more food products or merchandise from the value-packed Family Dividend Catalogue. Additional dividends are offered in turn on these extra purchases. Each week specified products on sale will also offer extra "Dividend Credits" as "Dividend Boosters" if they are purchased. Judicious buying of these extra weekly Dividend Booster Features will permit plan members to greatly increase their savings of the Dividend Credits regularly issued with all purchases.

For every dollar you spend on orders through the Family Dividend Plan Catalogue, you get a Dividend Credit worth five cents. For every dollar you spend in an IGA market, you receive a Dividend Credit equal to one cent. These Credits, when accumulated conveniently, may be used at your IGA market for food or for additional catalogue purchases.

#### HOW TO USE YOUR DIVIDEND CREDITS

Dividend Credits may be used on presentation at the IGA Market or the Family Centre whose name and address they bear.

They may be used either to purchase any item sold in the IGA store, or to prepay all or part of any catalogue item you wish to order.

Orders placed through the Family Centre will include Dividend Credits that can only be applied on further catalogue purchases made through that Centre according to Canadian law.

Dividend Credits cannot be used for payment or part payment of the merchandise with which they were issued. They can only be applied on the following purchases.

For maximum efficiency, Plan members are asked to hold their Dividend Credits until they have at least \$1.00 (or more), at which time they should be converted to Dividend Credits in dollar denomination at your Service Centre. They may then be conveniently applied on catalogue or store purchases.

#### BUDGET TERMS

For amounts over \$20 are available at low interest rates on application to the Dividend Plan Credit Department through your nearest IGA Service Centre.

A convenient revolving credit plan is also available on request.

#### TO THOSE WHO HAVE BEEN SAVING BONUS BUCKS:

The new Family Dividend Plan does not interrupt or interfere with the Bonus Buck offers made during the past year. It only adds to the benefits you can enjoy as an IGA customer.

Starting today, Dividend Credits will be issued instead of Bonus Bucks and they will be considered of equal value and interchangeable when applied to IGA store purchases or Family Plan catalogue purchases. 100 Bonus Bucks equals 100 Dividend Credits.

In order to make the Family Plan Catalogue available to savers of Bonus Bucks, they merely are asked to register as Family Plan members, and will gain thereby all rights and privileges of Plan members without cost or obligation.

The current IGA Bonus Gift Catalogue will remain in full use until the end of 1958, and items listed therein will continue to be available as previously advertised without cash or for half cash and half Bonus Bucks or Dividend Credits. After January 1st, 1959, the Bonus Bucks Gift Catalogue will be discontinued and only the new Family Plan Catalogue will be in use, with Bonus Bucks and Dividend Credits valued equally when applied to purchases.

#### BALLINAFAD

SEE COLOURED SLIDES  
OF EUROPEAN VISIT

The Ballinafad Women's Institute members met at the home of Mrs. A. Law for their September meeting. Mrs. F. J. Shortill prepared the motto for the month "Take pains with your meals and you will never have pains after ward." Two reports by Mrs. N. Sinclair and Mrs. T. Gibson were splendidly presented on the convention in Guelph in September. As convener of the meeting, Mrs. R. B. Kirkwood introduced Miss Jean Ruddell of Georgetown who showed some beautiful slides of her trip to Europe last summer. These pictures were much enjoyed and appreciated by the members. The roll call was answered with an idea for recipe substitutions. Current events for the month was read by Mrs. D. Brown. Mrs. H. Hiltz, Mrs. J. McEnery and Mrs. E. McEnery assisted the hostess during the social hour.

The YPC group met on Sunday night for their meeting at the home of Myrtle and Joan Storey of the McVillie church district. CGIT met for their meeting in the church on Monday night and made plans to decorate the church for the Thanksgiving service next week.

Mr. Maurice Baker has returned home from the hospital and we wish him a speedy recovery. Mr. J. W. Snow has again been taken to the hospital and we trust that he will soon be well enough to be out among us again. Many from this district attend-

ed the Georgetown fair on Saturday. Our ladies of the WA and the Institute again had a very successful day and congratulations to all those who participated in the various competitions.

#### SUPPLY SHEAVES, PUMPKINS FOR OAKVILLE HARVEST HOME
