"TOMORROW WILL GIVE US SOMETHING TO THINK ABOUT"

— author's name below —
When you reach the future tomorrows, will you think about what you might have done in the present to insure a healthier life? Are you punishing your body now by not taking proper care of it?

There is nothing more aging than prolonged sickness. Any illness has a tendency to overwork the heart and other important organs. The sooner trouble is corrected the better.

At the first sign of any ailment visit your physician. He will diagnose what is wrong and prescribe medication to correct it so that you will have many healthier tomorrows.

Local People Attend Dry Cleaner Convention

Mr. and Mrs. Don Barrager of Barrager Cleaners and Dyers, Main Street South and Mr. Ed Mallison, Maple Avenue West, attended the 10th annual convention of the Dry Cleaners' Institute (Ontario) Limited. The convention was held in the Prince Edward Hotel, Windsor, on Sept. 29 and 30th.

The convention was officially opened with invocation by Rev. Dr. R. S. Rayson, Principal Canterbury College, Windsor. F. N. Heuchan, president of the Chamber of Commerce welcomed the delegates to the City of Windsor and Angelo Olivastri welcomed for the County of Essex Division of the dry cleaners.

The convention was packed full of ideas on fabrics, cleaning methods, salesmanship and advertising to mention a few. Mrs. Mary Humphries of the Thompson Research Institute spoke on Fabrics and Garments Examined. A film "Loyds of London" on insurance was most interesting.

Mr. Art Schuelke spoke on Things Look Fine for '59 and Mr. C. B. Kasson from Chicago was the speaker for "The Show in Showmanship". There were discussion groups and various other speakers all of whom were profitable to listen to.

The final social affair and the close of the conference was held in the Elmwood Casino, Canada's largest night club where there was dinner, dancing and a floor show.
