occupied by Georgetown Cafe. The building has been completely remodelled and carries a complete stock of men, ladies and children's wear.

The business is owned by David Peters of Brampton who operates the Brampton Bargain Centre. Mr. Peters is a veteran, having served five and a half years in the air force. He and his family live in Brampton.

The Georgetown store is mana-

ged by Gerry Pancer who at the moment, is living in Toronto but plans to move to town when he finds accommodation for his wife and two sons Ronnie and Barry.

The name "Kenton" means a lot to Mr. Pancer because it stands for fair play, integrity and sportsmanship in his mind, it being the name of a boys' club he belonged to in connection with the YMCA in his youth and he chose it for the name of his store.
