HOUSE AND 5 ACRES

3 BUILDING LOTS

WE ARE TOLD THAT the smart buyer buys property at or near the edge of town, knowing that just being there increases its value over the years. So it is that this property with 4 roomed house, located on 5 spacious acres with 3 building lots on a paved road just can't fail to be a good investment, as well as a very nice place to live. Let us show it to you! Phone TR. 7-3245!

It's Got Adjustable Metal Awnings!

FRANKLY ANY MAN (and some women) would be intrigued by the fascinating metal awnings on this very desirable 1 1/2 storey home that has 4 bedrooms (or 3 bedrooms and a dining room) plus quite fancy storms and screens, a finished recreation room, a screened in flagstone patio and an unusually shaped lot! The whole house is a delightful combination of perky neatness, solid comfort and refreshing newness—not in a subdivision and close to downtown. \$1,000 down would handle, full price \$13,000. Phone TR. 7-3245.

A LIVING DOLL!

AS THE TEENAGERS would say: "This is the MOST!" Take a well built brick bungalow with 3 bedrooms and steel beam construction—add the subtle charm of carefully selected wallpapers, subdued and restful pastel decoration with enough dashes of gay color to add excitement, then include a new breezeway, aluminum storms and screens, and combination doors plus a beautifully tailored lot and you have this delightful home! The price for all this is \$13,500. P.S.: Even the basement is painted! Phone TR. 7-3245.
