**SHOWS FRIENDSHIP CIRCLE  
OVERSEAS TRIP SLIDES**

The October meeting of the Friendship Circle of St. John's United Church was held on Monday, October 27th in the ladies parlour. Ladies of the congregation were invited to share with the group in the presentation of coloured slides by Miss Barbara Kinrade on her recent trip overseas to the Girl Guides meeting in Belgium.

The devotional period was very ably carried out by Mrs. Milton Armstrong and Mrs. Don Powers. Plans for the tea at the annual ba-

**Local Man Consolation  
Winner in Sweepstakes**

The most interested local family in the running of the Cambridge Stakes in England last Tuesday was without a doubt the Bob Nethercutts of 22 Birstow Cres., and for good reason for Mr. Nethercut was holding a sweepstakes ticket on one of the entries in the big run a horse named Full-Minute. However, their horse failed to finish in the money.

Mr. and Mrs. Nethercut, and their two children Julie and David listened to an account of the race broadcast over CBI, at 9:30 and even though their horse didn't share in the winnings they weren't too downhearted since they will still receive \$100 for holding the ticket. Had Full-Minute won the race they would have received approximately \$140,000 but Mr. Nethercut assured his family before hand that the chances of winning were slight. Full-Minute was mentioned only briefly during the early stages of the race and fell back apparently boxed in by other horses. The race was won by London Calling.

Mr. Nethercut received a telegram on Friday notifying his that his ticket had been drawn.

Another golf season has failed to dethrone Ken Nash from his perennial position atop North Halton Golf and Country Club's list of flight champions.

Ken was awarded the club trophy and a Ronson lighter for taking top honours in A Flight, by the club pro Russ Kelly at the Men's Closing Day banquet held Saturday, Oct. 25th at the club house. This is the fourth year in succession that he has captured the championship.

Ted Fenning was runner up in the lead division while Charlie Jenner locked up B flight over runner-up Norm Marchmont. Ross Norton took C flight with Stan Wade runner-up and Jack Hamilton copped the Handicap tourney with Dr. John Kerby runner-up here. Consolation prizes in B and C flights went to Frank Wallace and Graham Farnell respectively.

Low net champion on the day's play was Zek McCandless while the closing day gross tournament was captured by Harry Chappel. Other prize winners included Les Percival, Hugh Dickie, Stu Young, Bill Hamilton, and Earl Wilcox. Each golfer's division was decided by his handicap.

Dr. John Kerby chaired the banquet and in leaving his position as club captain thanked the men's section as a whole for their cooperation during his term of office directing a particular vote of thanks to his two fellow members of the 1958 executive, vice captain Ted Fenning and secretary Hugh Dickie. Ted Fenning succeeded him in an election of officers in which Harry Chappel moved into the vice-captaincy and Hugh Dickie was returned as secretary.

Presentations were also made to some people who won nothing in the form of trophies but did, through their dedicated assistance and attention, gain the respect of every member of the club. Dr. John Kerby performed the pleasant task of presenting tokens of the club's appreciation to Russ and Mrs. Kelly and Mr. and Mrs. David Spicer.

Entertainment was provided by films shown, courtesy the Hiram Walker Co. by the representative Mr. K. Archer. Approximately 33 golfers took part in the Closing Day competition with 60 sitting down for the dinner.

**ATTEND DEDICATION OF  
CHURCH MEMORIAL WINDOW**

Mr. and Mrs. A. H. Feller, 2 Emery Street, with Mrs. Feller's brother, George Lake and Mrs. Lake of Thornhill motored to Powassan last week, later visiting Timmins and returning home by way of the Ottawa Valley.

Their trip to Powassan was to attend the dedication of a memorial window in St. Mary's Anglican Church, in memory of Mary Abraham Lake, wife of Joseph Lake, publisher of the Powassan News who died last December. Mrs. Lake was a native of Acton and her husband is a former Georgetown who, after learning the printing trade with the Acton Free Press, established his own business in Powassan 51 years ago. Another brother Charles and Mrs. Lake of Peterboro were also at the dedication at which the Rev. W. L. Wright, Archbishop of Algoma and Metropolitan of Ontario officiated.

The 3 panel window shows Christ teaching in the large centre panel, and Mary and St. John in the side panels, with lilies intertwined throughout.

**MINOR ACCIDENT ON  
GUELPH ST. HIGHWAY**

Cars driven by Stanley Hall, M.P.P. of R R 2, Streetsville and Olive Meret, Guelph, were in collision on the afternoon of Oct 25 on Guelph St. near Chuck Tyler's BA station. Neither driver was injured in the accident which was reported to local police at about 5:20 p.m.

Damage to the 1954 Cadillac driven by Mr. Hall was estimated at \$95 with the Meret car damage almost nil. The Hall car struck a hydro pole when Mr. Hall swerved in an attempt to avoid collision. Both cars were westbound when it occurred. Cpl. Jim Bilsborrow investigated.

**THIEVES FOILED IN  
ATTEMPT ON DELREX**

Three New Toronto youths were arrested last week by local police for the theft of building materials from the Delrex subdivision.

The youths were stopped for an infraction of the Highway Traffic Act while passing through Streetsville by PCs Donald Carnegie and Robert Nuttall who discovered the materials in the back of the truck while making a routine inspection. The stolen goods consisted mainly of plywood and shingles. Cpl. Jim Bilsborrow arrested the youths after the Streetsville police department made a check with the local office.

**LEGION NOTES**  
By Leslie M. Clark

Friday night will be the usual big night with the Remembrance Dinner staged for 7:15 p.m. sharp. A crowd of approximately 250 is expected to be present, and another grand evening is looked forward to.

The ladies as usual are going to cater for a turkey supper, and this is always a real event.

Rev. John McDermid has accepted the job of being guest speaker that evening and we know that everyone will enjoy hearing him. Rev. John is a former Georgetown, having lived here until going away to theological school. His father was postmaster for many years in town and before that ran a grocery store.

There will be a dance later to the music of the Debonnaires.

Sunday is the annual day for our Remembrance service, and it is hoped that there will be a big turnout, not only of the Legion members, but of the townspeople as well. It would be particularly nice to see every man on parade that belongs to our branch, and it should not be impossible by any means at all. It is our strong contention that every man who ever wore a uniform as a token of respect to those who have paid the supreme sacrifice, should be on hand for this service. We do not believe that anything can be more important that day than attending this very solemn service.

The parade will form at the Legion Hall at 12:15 to move off at 12:30 for service at the Cenotaph. Henry Shepherd will be in charge of the parade. Any and all organizations interested in being in the parade are asked to report to him on Mill Street, outside the Legion Hall at 12:15 to 12:30 Sunday.

Let's see every member in this parade, and even more important let's see every person in the com- (continued on Page 4)

Remember the day you brought that tiny bundle of joy home from the hospital? It was a great moment. You were determined nothing would mar the happiness of the days ahead.

It is quite natural for the mature young man to think seriously about the unforeseen... to think about family protection through life insurance. For family protection at low net cost... talk to a Mutual Life of Canada man. He represents the company with the outstanding dividend record.
