### Grade 8 Class Conducts Remembrance Service

Remembrance Day services were conducted by Grade 8 at Wrigglesworth School on Monday morning and were broadcast over the P.A. system to the rest of the school. Marsha Armann was chairman for the occasion and Philip Harris read the scripture from Ecclesiastes 4 in the Apocrypha. Four of the pupils read sentences of remembrance, Virginia Lee, Gail Stigger, Carroll Farnell and Karen Hamilton and then everyone joined in singing the hymn O Valiant Hearts.

Rev. Morgan McFarlane spoke on the meaning of Remembrance Day and what special significance it should have for the pupils. Knute Keire, Joanne Poot, Lawrence Pruyck, David Ingleby and Ann Lorraine Noble each gave a sentence of Thanksgiving, followed by the singing of O Canada by all the pupils.

Mayor John T. Armstrong spoke stressing the fact how thankful everyone in Canada should be for living in a democracy, for all our blessings, for being able to practice the four freedoms, for our citizenship and to those countries, England and France with whom we joined forces in the fight for democracy.

Edith Baumgartner gave the sentence and pledge of dedication in the following words "Remembering all those who have gone before, whose lives were devoted to the service of our country and all those benefits and privileges which we enjoy in this great land, let us all pledge ourselves to be worthy of our high citizenship, to be ready at all times to defend it and to live all our lives in such a way as to keep our country great and free, respected and beloved throughout the world. May God help us and keep us in this intention. Amen." The service concluded with the singing of the Queen.

### Institute Will Compile Local Tweedsmuir History

Planning of a social night next month, and a visit to Halton Centennial Manor were among items decided at a meeting of Georgetown Women's Institute last Wednesday in Knox Church auditorium.

Mrs. Norman Snyder and Mrs. Frank Petch are in charge of the December 1st social night, with Mrs. Jack Williamson and Mrs. Bert Palmer to look after the entertainment. Mrs. Harry Bailey and Mrs. Petch will make arrangements for the group visit to the Manor.

Thirty-three ladies attended the meeting and the vice president Mrs. Clare Wilson, was chairman. Members answered roll call by telling "What I would do if I were 21." Mrs. Albert Dolson presented a paper on the Royal Winter Fair and Mrs. W. T. Sinclair gave the motto "Years teach us more than books."

Mrs. Walter T. Evans is in charge of compiling information for a Tweedsmuir history book, and is issuing an appeal to all residents of town and district to assist her with information which might be included in this valuable compilation. A report on the area convention in Guelph was given by Mrs. Clifford Burt and on the meeting of district directors in Milton by Mrs. Petch.

A donation was voted to the Retarded Children's fund, and a Christmas parcel will be sent to an English institute with which the local group corresponds. A wreath was purchased for remembrance day, and ladies who had submitted articles for group entry at the fair were thanked.

Mrs. Delmer French played some piano solos prior to lunch which was arranged by a committee comprising Mrs. A. M. Baxter, Mrs. Clare Wilson, Mrs. W. Gwizdala, and Mrs. Frank Petch.

### FARM NEWS

#### HALTON BRED JERSEY COLUMBUS CHAMPION

J. E. W. Lindale Beacon Gladys bred and sold by Maurice Bealy of Milton as a three year old to Pioneer Farms of Connecticut, was made grand champion female at the All American Jersey Show at Columbus, Ohio. This is a tremendous achievement and is all the more noteworthy in view of the fact that Gladys' sire, Lindale Beacon Bas was also bred at Lindale Farm.

It may be recalled that Gladys won first in her class for Pioneer Farms at the 1957 Royal, and in addition to her achievement at Columbus, had previously this year been declared grand champion female at the Connecticut and Kentucky State Shows and the eastern States Exposition. It will be recalled that M. C. Bealy was premier exhibitor and premier breeder at the 1958 CNE and his wide circle of friends will be delighted at this further honour won by the Lindale herd for Halton county.

### WILLIAM EARLE HEADS STONE SCHOOL ASSOCIATION

A meeting of the Stone School association was held at the school on Monday evening, November 3, when an election of officers was held. The new president is William Earle and the vice president is Mrs. Bert Corbett. The election of a new secretary was held over until the next meeting.

Mrs. R. McKeown, the new teacher at the school, was welcomed by Mrs. John Gilman. Mrs. McKeown spoke briefly, outlining ways in which the association could be of assistance to her and to the school.

It was decided that the association would assist with the Christmas concert in any way possible. At an executive meeting held on Monday, a Community night was planned for the school in January, the date to be announced later. As there are so many newcomers to the district, it is hoped that this may be an event where not only parents of children at the school but all living in the community will come for an evening of fellowship with their neighbours.
