**Offer Coloured Prints For Decorating Contest**

Rules for the Chamber of Commerce Christmas decorating contest have been somewhat altered this year.  
 Enormously successful with householders in its first two years, the contest did not prove so successful last year when a section was added for merchants, with the public asked to cast ballots for their prize choice. This phase has been dropped this year, though the Chamber is hoping that all merchants will display the fine cooperation of last season and strive to outdo their previous decorating plans.  
 This year the town has been divided into three zones. Competition has been broken into three classifications — door decorations, a Christmas scene (religious, Santa, etc.) and use of lighting. Replacing the former purchase vouchers as prizes, will be framed coloured prints of the prizewinners' decorating scheme. A prize in each zone in each classification will mean a total of nine pictures for winners to treasure in years to come.  
 Full details of the competition will be revealed in an advertisement in next week's Herald.

**Cold, Blustery Day For Turkey Shoot**

The Rotary Turkey Shoot held on Saturday, November 22nd, ran into a number of difficulties, not the least of which were a cold blustery day, and the fact that industry in Georgetown had set that particular date as one of the days the plants were to work to make up for the long holiday week ends.  
 Despite these adverse factors, a goodly number of sportsmen turned out to vie for the turkeys and combined to make the shoot successful, if not quite as large as others in the past.  
 The lucky sportsmen winning the turkeys were: D. Puckering (with a score of 29), L. McGowan (23), Don Puckering (22), W. Taggart (29), Cliff Grace (21), Lloyd Crichton (24), Earl Burt (20), Ed Haas, Sr. (25), Ross Burt (22), George Burt (bullseye), Ed Haas, Sr. (20), George Burt (10), C. Grace (25), A. Pugsley (10).  
 All those present were unanimous in hoping the club would hold future shoots.

**HORNBY DESTROY DOG, CHECK FOX HEAD FOR RABIES**

On Friday afternoon a fox was seen by Earl McDowell amongst his cattle in the barn. Alfred Bridgen was called and they saw the fox come out and attack the dog twice. Mr. Bridgen shot the fox and then had to shoot Mr. McDowell's dog. The head of the fox was sent away to be tested as to whether the fox was rabid or not. The same afternoon a fox was seen among the herd of cattle belonging to Gordon Robinson. They were unable to get a shot at the fox before it got away. On Saturday a number of fellows went hunting foxes. Several were seen. Bill Chisholm and Jim Hamilton each shot a fox that looked quite shaggy, so there are three less in the district now.  
 Celebrating birthdays this past week were Mrs Harold Learmont on Nov. 23rd, Doug Leslie on Nov. 23rd, Mrs. Martin Southwood on Nov. 24th, Mr. Martin Southwood on Nov. 26th, Mr. Dave Leslie on Nov. 26th and Itady Howden who was four years old on Nov. 26th.  
 Mr. and Mrs. Robert Ross motored to Shoal Lake, Manitoba to visit with Dr. and Mrs. Bardahl. They plan on being away for two weeks.  
 Randy Howden had his collarbone and shoulder bone broken when a pile of tires fell on him at his father's garage.  
 Congratulations to Mr. and Mrs. Tom Rippen who were married on Saturday. Mrs. Rippen is a former Mrs. Agnes Cavanagh. They are going to make their home on Mr. Rippen's ranch in Alberta.  
 Mr. and Mrs. Craig Royce moved into their new home on Saturday, November 22 on the Sixth Line.  
 Lorne Ella fell to the cement floor of the barn while putting down straw. He was taken to the Oakville hospital by ambulance and after x-rays was allowed to return home.  
 Miss Shirley Downs, a student of Teachers' College, Toronto, is at Quatre Bras school this week as student teacher. The teacher there, Mrs. Giffen was Shirley's first teacher when she started to school at the Sixth Line in Trafalgar.  
 Sunday evening around Hornby really seemed quiet. Around 7:15 p.m. a car knocked down a hydro pole and there was no power in the district. The hydro came on around 8:30 p.m. everywhere except the Seventh Line until the pole was replaced and power restored at 11:45 p.m. The accident occurred on the Seventh Line just below Ashgrove on Ruddell's hill. The driver was taken to hospital by ambulance.  
 The Black Knights held their annual supper party at the Orange Hall on Friday evening, Nov. 21. The W.A. of Hornby United Church catered and served one hundred and six turkey dinners. Euchre was played and prizes were given to the first and second highest scores for the men and women. A dance followed the euchre. The music was supplied by Mr. and Mrs. Gear Sinclair and Mr. Thomas Howden. Hornby had its first snowfall on Monday morning, Nov. 24th; enough to cover the ground.  
 Mr. Joe Thompson is in hospital in Toronto where he had an appendicitis operation.
