**Roy Warwick President  
East Town Ratepayers**

The East Georgetown Ratepayers Association held their regular monthly meeting at Harrison School on November 18th. This was a departure from their usual meeting place of Wrigglesworth School, and on a Tuesday instead of a Thursday. Despite the change approximately 60 people attended. President Sid Hardie opened the meeting. George McCauley explained that due to the addition of four volunteer members to the executive instead of an election at the previous meeting, the executive had formed itself into a nominating committee.

The committee proposed a slate of officers, and at the same time opened the meeting to members to nominate someone else or comment on the proposed slate. A motion approved the reorganization of the executive as proposed and to take effect immediately. Sid Hardie thanked the members for their support of him over the past three years and stated he was happy to turn over the gavel of office to the new president, Roy Warwick.

Members of the reorganized executive are:  
President, Roy Warwick, 7 Pr. Charles Drive; Vice President, Geo. Macaulay, 60 Delrex Blvd.; Secretary, Mrs. Bryan Gosling, 45 Norton Cres.; Treasurer, Chris Fisher, 69 Edward St.; Sunbeam Area Rep., Ted Francis, 5 Keats St.; Delrex Area Rep., "Siggy" Sigurdson, 42 Hale Dr.; New Delrex Area Rep., Murray Parsons, Raylawn Dr.; Publicity Director, Ron Kitchen, 83 McIntyre Cres.; Members at large, Sid Hardie, 4 Shelley St.; Bernard Cassell, 12 Windsor Rd.

President Roy Warwick introduced the guest speaker, mayor Jack Armstrong. The mayor expressed his pleasure at the members taking an interest in municipal affairs and thanked the association for the invitation to speak. His speech covered the makeup of municipalities from a village to a city, including county and township. The Municipal Act, types of by-laws and debentures were among the items explained. A number of questions were asked by members following the speech. The mayor was given a good hand by the members after the president thanked him for coming.

Routine business followed but on the question of whether to meet at Harrison or Wrigglesworth School in future, the majority favoured returning to Wrigglesworth because of the auditorium. Following the meeting a number of members volunteered to donate blood to the Red Cross Blood Clinic on December 3rd.
