Learn 47 Blind in Halton**

G. F. Thompson of Milton was returned to the office of chairman of the Halton county advisory board, the Canadian National Institute for the Blind at the annual meeting held in his office at Milton.

Annual reports were given and several cases discussed. There are 47 blind persons registered in the county, members were told.

Officers are: chairman G. F. Thompson, Milton; 1st vice chairman, Dick Licata, Georgetown; second vice chairman, H. G. McKillop, Oakville; third vice chairman, Harry Tier, Burlington; treasurer, H. W. Kelson, Milton; secretary, G. H. Riddolls, Milton.

Members: Mrs. J. A. M. Bell, Oakville; Mrs. Eyre Davis, Oakville; K. Y. Dick, Milton; Mrs. W. Fraser, Burlington; Mrs. J. F. Gillis, Georgetown; Mrs. M. E. Gowland, Milton; Mrs. Alfred Long, Acton; Mrs. Percy Leslie, Georgetown; Mrs. Harry Ryrie, Oakville; Jack Runam, Georgetown; E. D. Francis, Burlington; E. G. Franklin, Acton; G. S. Matthews, Acton; Mrs. Harold Richardson, Burlington; John F. Isard, Oakville; Miss H. I. Tremayne, Milton; Mrs. Thomas Marshall, Oakville.

Honorary members, Mrs. W. J. Beatty, Acton; H. R. Force, Acton; Hughes-Cleaver, Burlington; Geo. Harris, Burlington; John D. Kelly, Georgetown; W. H. Kentner, Georgetown; Dr. C. A. Martin, Milton; Lady Baillie, Oakville; Mrs. W. S. Tomlinson, Oakville; L. E. Whitlock, Milton; George Elliott, Milton; Stan Hall, MPP, Streetsville; M. M. Bush, Burlington; Sandy Best, M.P., Georgetown.

The treasurer's report showed receipts of \$9757.60 and expenses \$9580.35 for the fiscal year ending March 31st, 1958.

The treasurer's statement indicated expenses for supplementary assistance \$115.00; clothing \$45.81; annual picnic, the spring dinner meeting and campaign expenses totalling \$712.26.

Some discussion concerning an annual campaign took place. It was recommended that all campaigns for funds for the CNIB in Halton County be conducted in the fall of the year.

A question concerning the Canadian Federation arose. It was explained it had a recreational and social program, a sales force but no service program. Solicitation for funds and sales are carried on by telephone.

W. Stanley, field secretary, reported that there were 47 registered blind persons in Halton county ranging in age from 100 years to a baby 11 months old. Two are pre-school children under the care of Mrs. Whitlaw's department.

These blind are distributed as follows: Acton 4, Burlington 13, Campbellville 1, Glen Williams 1, Georgetown 7, Hornby 1, Milton 5, Norval 1, Oakville 10, Palermo 1, Rockwood 1. There were six new registrations 8 moved into the district, 4 moved out and there was one death. The large increase in the Burlington area was due to the annexation of Aldershot and Nelson.

Sales of blind craft products in Milton and Georgetown Fall Fairs amounted to \$176.85 and \$85.32 respectively. These sales are important not only because they enable the CNIB to sell materials but visible publicity is therefore derived therefrom. Mr. Stanley thanked the IODE's for their help in this matter. The annual joint Halton-Peel picnic was held this year at Appleby College on June 5.

The musical part of the program was again provided by the Musicians' Union. The Oakville ladies took charge of the refreshments, assisted by the Burlington ladies. Hangers, roses, scarves, cigarettes, were distributed to all the registered blind. The total expense amounted to \$394.92. Many of the recipients expressed their thanks for an enjoyable afternoon.

Several recommendations for assistance were made. In conclusion Mr. Stanley thanked the members of the HCAB, the IODE's, Women's Institutes, county council, the service clubs, papers and radio for their effort on behalf of the blind.

Mr. Thompson, chairman and member of the Clarkwood Residence Board of Governors, delivered his report of the meeting of the Ontario Division CNIB attended by Mr. Thompson and Mr. Riddolls. The afternoon session was held in the auditorium of Bakerwood.

Cst. Dan Whitson investigated and estimated damage at \$400 to the Christensen car and \$350 to the Renz vehicle.

**Halton Juniors Do Well
In Queen's Guinea Class**

Halton 4H's were prominent among the 225 Club members who participated in the Queen's Guineas Class at the Royal Winter Fair. The "big coliseum" was filled almost to capacity for this thrilling spectacle. Haltonites got their big thrill when the steers of Caroline Gardhouse and Bob Merry, along with four others, were pulled out in front by judge Fred Major from which to pick his champion and reserve champion Shorthorn — and of course their big thrill came when the steer of Caroline Gardhouse was declared champion of the Shorthorn section which brought together 90 odd contestants and their respective steers.

Jeffrey Agnew, another Halton 4H'r had his steer in the first prize group of this section.

Another equally large group of 4H Club members were out with their steers in the Aberdeen Angus section. Here the steers of Sandy Hepburn and Evelyn McKay were selected for the first prize group, and that of the former was pulled out as one of the six from which to select the Angus champion. Eventually the steers of James Wettlaufer of Baden was declared champion Angus, and Peter Vander Post of York County had the reserve.

These same two steers went on to take the coveted Queen's Guineas and reserve position when the champion and reserve champion Shorthorn, Hereford, and Angus were brought together.

Other Halton 4H's who had their steers selected for the second prize groups were as follows:

Angus: George Greenlees, Tom C. Hays, John Hepburn and Pat McKay Hereford: Dawn and Eugene Coulter, Shorthorn: W. D. Hendershot, Tom Hunter, Charles Martin, Wm. C. Robinson, Diane Sanderson.

Harold Patterson Wins

Another Halton 4H club member who made history was Harold Patterson of Milton, who entered his steer in the special section for steer carcasses. Here in competition with 110 other entries, Harold Patterson's entry won the grand champion award, and with it the Alex G. Hall challenge trophy, plus \$125 in prize money; plus \$1.50 per pound for his steer carcass. Harold's 4H club calf by the way was an Aberdeen Angus.

4-H Grain Awards

Up on the second floor of the West Annex at the Royal, was the Grain and Hay show and here in competition were some of the top 4-H Grain Club exhibits from across Canada. Halton's 4H's had six entries in this section and we noted in the class for Rodney Oats the following awards:

4th, Tom Hunter, 5th, Jan Hunter, 7th Harold Patterson, Garry Oats, 5th Bill Robertson, 15th, Sandy Barnes.

Grand Champion

Unfortunately we did not find it possible to take in all of the judging of the beef breeds, but we saw sufficient to indicate that here too, Halton exhibitors were winning their share of the top awards. In the Aberdeen Angus' classes, Dr. W. F. James of Georgetown had the senior and grand champion on Auction at AT 611.

Another local Angus enthusiast, namely John Willmet of Milton had third on his steer in a strong class.

Reserve Champion Shorthorn

Prior to the judging of the Queen's Guineas came the crowning of the grand champion and reserve in the open Market classes of cattle. This brought together the champions and reserve champions from the Angus, Hereford, Shorthorn, and Cross Breed sections. Here is an incentive to his sister Caroline, Larry Gardhouse had the reserve champion Shorthorn steer. The A. P. Westervelt Memorial Trophy indicative of the grand championship was won by an Alberta exhibitor with the reserve award going to the province of Manitoba.

**Aircraft Workers Concerned
Plan Montreal Meeting Soon**

A special committee representing 35,000 Canadian aircraft workers will meet in Montreal next week-end to discuss ways and means for the maintenance, stabilization, and improvement of production and employment in Canada's aircraft industry, P. Podger, spokesman for the committee says here today.

A memorandum prepared by the committee will be presented to Prime Minister Diefenbaker on his return to Canada next month. "As a result of recent announcements, we believe the industry to be in serious danger of deterioration and the people of Canada that an industry employing 47,000 Canadians earning 150 million a year is imperative to the continued prosperity of Canada and its most directly affected communities."

"With unemployment growing the way it is, this country needs increased productivity in the aircraft industry, not cancellations," said Bill Benson, member of the committee and president of the Avro Union at Milton.

Some people have a flair for giving. They have a talent and taste for choosing the most exciting Christmas presents. They give the good things that make living more pleasurable. Many of these people will give modern electric appliances this Christmas—and they'll insist on having them ready for use on Christmas day, because they know these appliances will make Christmas (and every day for that matter) a new and exciting experience.

So, this year, do a little hinting. Just say you'd like something wonderful for the household—something the whole family can enjoy. And don't be surprised if you get a superb, modern automatic electric appliance to help you "live better electrically"—the safe, clean, modern way.
