"Miracle" drugs are not perfected overnight. In 1929 Dr. Alexander Fleming noted that Penicillium Nattum mould inhibited certain bacteria growth. It then took many more years to perfect it so that it could safely accomplish its wonderful work.

Millions of research dollars are spent on every new drug before it can be released for use. Often expected benefits do not occur and the money is entirely lost. Modern prescriptions can produce almost miraculous cures, but equally amazing is the fact that they cost so little for what they accomplish.

Harry Norton, 57 Seed House Employee

Eustace Harry Norton, 57, a Georgetown resident since coming from England 3½ years ago, succumbed to a heart attack early Thursday morning at his home, 12 Academy Road.

An employee of Dominion Seed House, and member of St. George's Anglican Church, Mr. Norton was a first war veteran, serving with the Imperials in 1917-18.

Son of the late Harry and Louisa Whitehead Norton, he was a native of Cambridgeshire, England. He leaves his wife Muriel (Peggy) Talbot and five children, Joan of Vancouver, B.C., Donald in England, Harold John (Bill) of Hope, B.C., Michael (Mike) of Ballinacraig and David at home. He also leaves six grandchildren and a brother Aubrey of Norfolk, England.

Rev. Kenneth Richardson officiated at the funeral service in St. George's Anglican Church on Saturday afternoon, with interment following in Greenwood Cemetery, Georgetown. Pallbearers were Frank Petch, Herb Cleave, Cecil Davidson, John Davidson, John Koloski, and Gordon Spence.

SNOWED UNDER

The night was dark, the snow was blowing. The traffic jam was horrendous. The road with ash and ice was deep. And cars were moving at a creep.

Joe Doohan was travelling close behind. The car in front, so he could find his way by the red light ahead... His windshield wiper had gone dead.

And all was well with Joe until for no reason, a sudden spill. Slipped off the car right down the line. For careful drivers, this was fine.

Joe jammed his brakes, began to slide. His drivers don't, but Joseph did. Now six feet down, Joe takes it easy. He wasn't smart when it was freezy.

BIRTHDAY, BAND CONCERT HIGHLIGHT MANOR WEEK

A delightful informal birthday party replaced the usual work period at the regular meeting of the Halton Manor Hobby Class on Thursday afternoon, Nov. 13th. The meeting was held on Thursday afternoon this week rather than at the regular time, Wednesday afternoon. The birthday party was held to honour Mrs. S. Allen whose birthday had occurred on the previous Saturday. Almost forty women attended the party, among them two special guests, Mrs. Ganton, who is Mrs. Allen's mother and Mrs. Louis Keene. A brief business period, conducted by Mrs. Lockie and Mrs. Allen, preceded the party. Mrs. Allen reported receipt of prize money won by class members at Milton Fair.

Both Mrs. Lockie and Mrs. Allen demonstrated the making of Christmas decorations as projects that might be undertaken by the class between now and Christmas. Sympathy was expressed for Mrs. Laura Smith and Mrs. Hazel Smith who are both on the sick list. Mrs. Allen introduced Mrs. Louis Keene, of Campbellville who will be assisting with the Hobby Class work this season. At this point, Miss Clara Sutton announced that the previous Saturday had been Mrs. Allen's birthday. The happy birthday song was sung for Mrs. Allen and a hearty round of applause followed. Miss Sutton then presented two gifts to Mrs. Allen, an electric television lamp in the shape of a castle, and a pair of salt and pepper shakers. A few minutes later a coloured maid, Chloe, entered the room carrying a birthday cake decorated with lighted candles. After addressing Mrs. Allen with a few very witty remarks, Chloe, impersonated by Miss Elizabeth Hannant, presented the cake to Mrs. Allen. Mrs. Allen blew out the candles while the class sang "For she's a jolly good fellow."

After Mrs. Allen had expressed her appreciation of the gifts and cake, she cut the cake and it was served with ice cream to all present. During the refreshment hour all present sang the song, "The more we get together" which has become the theme song of the hobby class. Several flash pictures of the gathering were taken by Mr. Allen. The hobby class members are indebted to Mrs. Howard and Miss H. Marcy for having selected the gifts, to Miss C. Sutton for having made the arrangements, to Miss E. Hannant and Miss H. Metcalfe for having donated the ice cream and to Mrs. Lockie for having baked and donated the birthday cake.

The sweet strains of the singing of young girls enhanced the regular chapel service on Sunday afternoon, November 16th, when Rev. D. A. Powell, rector of Grace Anglican Church, Milton, brought seven young girls belonging to the Junior Auxiliary, a missionary organization of his church, to assist in the service. Mrs. Waters was the pianist for the afternoon. Mr. Powell preached an eloquent sermon on the subject of the miracle performed by Elisha when he used a stick to recover an axe-head as described in Chapter 8 of the second Book of Kings.

A band concert that was played by thirteen bandsmen who were small in number, but mighty in effort was given on Sunday afternoon, November 16th, when the same bandsmen belonging to Oakville Citizens' Band came to present this concert at the Manor. The program was announced and conducted by bandmaster Frank Lockley. In view of the fact that Armistice Day had been observed only a few days earlier, the special program presented was of a military character. Well-known hymns that were played on parade during the two great wars as well as Colonel Bogey and other wartime marches were presented with fine spirit. Two medleys of songs during the two Great wars brought back poignant memories. A selection featuring the waltzes and ballads of the Gay Nineties and known as "An Old Timer's waltz" was a welcome number on the program as it has been on former occasions.

The effort made by these thirteen bandsmen and by bandmaster Lockley in coming to entertain the residents by playing these nostalgic selections is sincerely appreciated. In her speech of thanks, Muriel Thompson paid a special tribute to bandman Burrill who has been a bandman for sixty-six years, thirty five of which he has been a member of the Oakville Citizens' band. He enrolled at Kneller Hall in England at the age of ten.

The residents will be keenly anticipating a concert by the same band to be given some time in December.

HALTON JERSEY BREEDER ROYAL PREMIER WINNER

(continued from Page 1)
not mention in passing, the achievements of Lloyd Pickard, of Pickard and Clark, of Carstairs, Alberta. Lloyd, a resident of Halton for a number of years, had the senior and grand champion female on Silvia Pabst Texal, a second on his Progeny of Darven Eva, to mention but two of the many top awards won by Lloyd and his partner, who were runners up for the premier exhibitor award, while J. M. Fraser of Huttonville, won the coveted premier breeder award.

Bull Calf — \$30,000
Those of us who saw Harry J. Wilcox of Beeton, pay \$9,000 for fifteen year old Glenvue Nettie Jimma last June at the Rosafe Dispersal, were very critical of his judgment, to say the least. Mr. Wilcox's judgment was vindicated at the Holstein Sale of Stars last Wednesday when old Nettie's seven weeks' old bull calf sold for \$30,000 to a syndicate of eight Ontario artificial breeding units. It goes without saying who is having the last laugh.
