MEMORIALS

CAIN—In loving memory of a
dear father, Robert Thomas
Cain, who died suddenly Decem-
ber 6th, 1950.
Every day in some small way,
Memories of him come our way.
Though absent he is ever near,
Still missed, still loved,
Still ever dear.

—Always remembered by daugh-
ter Bernice and son-in-law Earl
Emond.

CAIN—In loving memory of a
dear father, Robert Thomas
Cain, who died suddenly Decem-
ber 6th, 1950.

You're not forgotten, father dear,
Nor ever shall you be,
As long as life and memory last
We shall remember thee.
—Always remembered by daugh-
ter Marlene, son-in-law George
Webster and grandson Rob.

SINCLAIR—In cherished memory
of a dear wife and mother, Jane
E. Reddy, who passed away De-

CAIN—In loving memory of a
dear father, Robert Thomas
Cain, who died suddenly Decem-
ber 6th, 1950.

Not now, but in the coming years
It may be in the better land,
Will read the meaning of our

CAIN—In loving memory of a
dear husband and father, Ro-

suddenly December 6th, 1950.

We often sit and think of him
When we are all alone;
For memory is the only friend

When other things decay,
Our love for him will still be green
And never fade away.

**TO SET BOUNDARIES
FOR SCOUT TROOPS**

The district group committee of
Cubs and Scouts met at Norval
United Church on November 10th.
The purpose of this committee is
to help the individual group com-
mittees in each community with
their problems.

The possibility of setting up a
boundary map was discussed and
the committee voted to start the
project. This briefly means that
each locality will have a boundary
line which will let them know ex-
actly which group a boy will be-
long to based on his residence.
Each individual group will submit
their idea as to where their bound-
ary should be and it will be fin-
alized by the district group com-
mittee.

It was pointed out that whereas
Georgetown would not benefit as
much as the smaller outlying dis-
tricts it would be a great help to
know just where one group's bound-
ary stops and another starts.

To Revisit British Isles**

After four and a half years, Mac
Sprowl is returning to the British
Isles to revisit the friends and re-
latives who were his hosts when
he toured as a Nuffield scholar-
ship winner.

Mr. Sprowl, popular district far-
mer, sailed from Montreal on the
Empress of England, and expected
to arrive on December 2nd.

Among his plans: a visit to the
Rotary Club of Acton, England, as
a guest from the Rotary Club
here; a visit with Sir Frank Engle-

Sprowl farm here last summer;
Christmas with his relatives at Ab-
erdein; evenings spent showing his
movies of Acton, and as he learned
before, that most interesting
Canadian feature, Niagara Falls.
He leaves Southampton on Decem-
ber 29th and will likely disembark
from the Queen Mary at New
York on January 4th.
Mr. Sprowl and Sir Frank Eng-
ledow have been corresponding
