Halton Homes Gain In Industrial Race

Halton Homes gained ground on the league leading Glen, Sunday afternoon, edging King's Cleaners 4-3 while the Glen club marked time by playing to a 5-all tie with Barlocks, in the Industrial League double header at the arena.

The Homes had to come from behind to snatch the win after being down 2-0 at the end of the 1st frame. Hall from Gibbs and Wylie and Gibbs unassisted gave the Cleaners their cushion. Bob Exard wiped out the difference in the second period scoring all alone after just 45 seconds and again from Bludd about a minute later.

Ron Ritchie from Mike George put the Homes ahead at 3:15 of the finale, and the same combination but this time with George on the scoring end completed the Halton Homes total at 18:12. King outched the other tally for the losers.

Glen and Barlocks matched each other in every period to play to a deadlock. Both clubs scored once in the first period and twice in each of the second and third periods. Bud Haines led the Glen attack with two markers, Kemshend, George Webster and Quackembush got the others.

Balaski with two, Bany, Cernik, and Kostyluk were the Barlock marksmen.

The tie for the Glen was their second of the season and coupled with three wins gave them 8 points to head the loop, two points in front of the late-starting Halton Homes who have two wins and two ties for 6 points. Barlocks trail them by one on the strength of three ties and a single victory, while King's Cleaners have had four setbacks and just one win for two points.

Charlie Jones of the Glen and Ross Dillon of Halton homes set the goalkeeping pace with averages of 3.60. Gord King of Barlocks has a 4.40 mark and Carman Malby of Kings sports an average of 5.60.

Table with 5 columns: Player (Team), G, A, Pts. Lists top ten scorers including George (H.H.), Kemshead (Glen), Haines (Glen), Kostyluk (Bar), Ritchie (H.H.), Webster (Glen), Jarvie (Glen), Gibbs (King), Bazen (Bar), Webster (Glen).
