**BROWNIES AND MOTHERS AT KNOX CHRISTMAS PARTY**

It was Mother & Daughters night in Knox Church hall on Monday, December 1st, when thirty Brownies and their mothers joined together to enjoy a pot luck supper, which took the form of a Christmas party.

After the enjoyable dinner five "Tweens" were enrolled, Marlene Seaton, Mary Henderson, Phyllis Barber, Jane Garside and Brownwyn McKnight, Elspeth Macintosh and Barbara Evans walked up the golden road to receive their golden bars and Marie Pignatelli received her first year service star.

After the ceremonies the Brownies entertained their guests with the singing of carols and an exchange of gifts. Brown Owl, Mrs. Bruce Harley and Tawny Owl Miss Lillian Wolf were surprised when from under the toaststool where the gifts were, two were presented to them from the Brownies and Paekie, Miss Carol Boudreau, was also given a gift. The evening closed with the Brownie Prayer and Taps.

**SMITH & STONE STILL LEADS INDUSTRIALS**

With Albert Stapleton and Geo. Webster showing the way with nice bowling of 774 and 744, Smith and Stone continuing to lead the industrial bowling league by one point over Silver's. In third spot No. 2 Legion, and Kentner's are tied, with Glen Andersons, Kays, Ramblers, No. 1 Legion, Firemen, Cottons and Davidsons following in that order.

Triple honours went to Stapleton, Webster, Jerry Lameront 719, Norm McDonald 711, Don Wilkes 708, Sparky Oron 707, Harry Bradford and George Burlington 704. High single for the night was bowled by Lameront 340.

High average to date belongs to George Webster with a dandy 229, followed by Frank Anderson and Nip Shipway 221, George Barber and Harv Chappel 216, Sid Williams 214, Lou Bradford 209, Don Wilkes 207, Bill Korzack 206, Bill Anderson 205.

**NOTE:** Bowlers of this league and every league in town! Please watch this column and the board at the club regarding the big night that will be staged to help a fellow bowler, Bill Korzack, and family who had the hard luck to lose his home and belongings on Sunday by fire.

**CHAMBER OF COMMERCE DISCUSS PARKING**

Downtown parking problems have the attention of the Chamber of Commerce, which recently circulated a questionnaire among businessmen, asking if they would be willing to share finances on a proposed parking area.

Response was quite favourable and a meeting is being called on January 13th, to further discuss the question.

While no definite plan has been formulated, the possibility is that property behind one Main Street block might be purchased and a modern, surfaced parking area created for the shopping public.
