Your HAMILTON ELECTRIC Watch . . .

For years the world has looked forward to the development of a portable timepiece which could be depended upon for continuous performance in any and all circumstances.

NOW IT'S HERE!

Hamilton Watch Company, distinguished maker of fine timepieces for more than half a century, is proud to announce the completion of this project after ten years of intensive research and development. The result is a watch you can be proud to own and to wear . . . a tribute to the engineering skill and precision production of great American craftsmen in this jet age of mechanization and automation. The electric watch is the ultimate in scientific horology. It is the only watch which runs without winding whether or not it is worn. The platinum energized motor, powered by a tiny energy cell, combined with simplified construction and built-in shock resistance assures incredible wrist watch accuracy and long life.

HORNBY MAY FORM SCOUT GROUP AT HORNBY

A meeting was held at the home of Mr. and Mrs. Glenn Saunders on Wednesday evening, Dec. 10th, concerning the possibilities of a Scout and Cub organization. A committee of five was formed including Mr. George Prestidge, Mr. Pat Flippance, Mr. Al Bye, Mr. Norman Cramp, and Mr. Jeff Drewbrook to investigate the possibility of a cub and scout movement in this district under the sponsorship of St. Stephen's Anglican Church. Mrs. Young of Glen Williams and Mrs. Collins of Norval who are leaders explained some of the points of cub work and stated that everything was to be gained by training and working with the young boys.
Mr. Dave Dills of Acton, district scout commissioner showed films depicting scout activities and emphasized the need for good leaders to help to keep the club self-sustaining.

The Hornby United Church ladies had a very busy week. On Tuesday, Dec. 9th they catered to the members of the Halton Federation of Agriculture at the Orange Hall.

The afternoon and evening groups of the WA served fifty eight at noon, although they were prepared for a larger attendance. On Friday evening, Dec. 12th the afternoon group of the W.A. served a turkey dinner to the Halton Plowmen and their guests at the United Church basement hall. Seventy three people sat down to the supper.

The Hornby hunters had a better day on Saturday and better weather for the hunt. Four foxes were shot with Alfred Bridgen, Jim Hamilton, Ross and Edward Robertson each getting a fox.

Mr. and Mrs. Lew Sampson visited with Mrs. Sampson's sister and her husband, Mr. and Mrs. Charles Latimer of Toronto on Sunday.

Bil Bailey received a lighter last week as the fifth prize in a fishing contest sponsored by a firm in Fort Wayne, Indiana.
Bil caught an eight and a half pound lake trout using one of their fishing lures and sent the pictures taken this spring after a trip to Virginiatown.

The December meeting of the Hornby Women's Institute was held at the home of Mr. and Mrs. J. McCarron and was their Christmas meeting. There were fifteen members present.

The president Mrs. W. Coulton was in charge of the business session and opened the meeting in the usual manner. The secretary read the minutes and gave the treasurer's report. The usual Xmas gift to the Halton Centennial Manor of 3 subscriptions to the Champion was approved. Donations were also given to the Children's Aid and Retarded Children's school and cards are to be sent to friends. The roll call "My favourite Christmas carol" and was answered by all present.

Mrs. S. May was in charge of the program which opened with the singing of the carol "Silent Night." Mrs. M. J. Brown gave a paper on the origin of "When you and I were young, Maggie." Mrs. C. Ford rendered a delightful solo. Mrs. May introduced the guest speaker, Mrs. Maurice Beatty, who is a former member. Mrs. Beatty gave a short story of Edna Jacques childhood and read several of her poems with a short comment on each.

Mrs. R. King expressed the pleasure of the ladies in having Mrs. Beatty with them and thanked her for her talk. Mrs. Coulton and Mrs. J. Wallace reported on the senior training school which they had attended. This was called "The Third Meal."

An exchange of Christmas gifts took place and Mrs. Wallace acted as auctioneer for a sale of articles. Mrs. M. J. Brown and Mrs. R. King assisted the hostess in serving lunch.

BARLOCKS ADVANCE. HOCKEY STANDING

Barlocks was the only team that made any advance in the industrial hockey league on Sunday. The Toronto club took an easy 5-2 decision from Frank King Cleaners and moved into a second place tie with Halton Homes who managed a 4 all tie with the league leading Glen.

The tie was the third for the Glen who also have three wins and still no losses for 9 points. Halton Homes and Barlocks each have two wins and three ties for seven points while Frank King Cleaners own but a single win for 2 points.

Charlie Jones of the Glen and Ross Dillon of Halton Homes are deadlocked for the goaltending lead with 3.66 goals per game averages. Gord King of Barlocks is not far behind with 4.00 and Carman Maltby trails with a 5.50 mark.
