success with the usual large crowd on the sixth lime has been ing Friday night party, with a in attendance. Unfortunately, we were unable to be present too long, but from the time spent there, seemed to be its usual fine party. Lunch was served by ladies of the W.A., and we think the president Dot, deserves a hand for working so hard at this, with her very capable committee. She has been the weather for some time, and it was good to see her around once

SHORTHORN SHOW HEIFER GOES TO ILLINOIS

A Shorthorn transaction of note was made by T. C. Amos, Moffat, with the sale of one of his show heifers to an Illinois breeder. This was a polled heifer of considerable promise, having won her c ass at the Canadian National Exhibition, and-was Reserve Cham-

pion at that strong show. The buyer, F. C. Herriott, Champlain, Illinois, assembled a small select group of Ontario Shorthorns at the International Show at Chi-

Anoth r Illinois breeder, W hard Nelson of Geneseo, took out stron, selection from the herds of W. H. B'ack, Moffat; Bruce Flehar, Galiph, J. S. Norrish, Mof-Carry's " Lamont, Gue'ph; T. V. Buch, San, Moffat, and T. C.

Malton Debaters Move Into the Third Round

Wednesday evening of last week say Halton's 1953 59 debating martette move into the third round of the Ontario Junior Farmer inter-county debating competition. when they defeated the Brant County sepresentatives. Actually e should refer to this year's rep re-entatives as a debating quintette, since Joan Wrigglesworth of Hornby substituted on rather short notice for Dave Wilson, who unfortunately is confined to hospital -- incidentally,' Dave's wide circle of friends across Halton are all wishing him a speedy recovery. It goes without saying, that the popular, able and energetic Dave is sadly missed not only in Junior Farmer circles, but up around the Milton Co-Op where

he is the assistant manager. However, to get back to last week's debate, over in Brantford, Halton's negative team, of Bill Wilson and Joan Wrigglewsorth defeated the Brant County's affirmative team by a margin of eight points - the resolution being, "Resolved that Ontario rural youth is being adequately trained for

modern agriculture." At the same time, on the same resolution. Halton's affirmative team of Sandy Hepburn and Evelyn Booth defeated Brant's negative team by a margin of eleven points up in the board room of the Ontario Dept. of Agriculture in Mil-

Important Winter News to Fuel Oil Users!

See and save the difference next season with HY-TEST 303!

HY-TEST 303-The revolutionary NEW premium RED FUEL OIL can save you up to 20% of your heating cost--starting with your first tankful!

DON'T BE ROBBED BY SOOT!

Do you know that as little as 5/16ths of an inch of soot built up in your burner by ordinary fuel oils - will reduce heating efficiency by as much as 20% ? The premium additive in HY-TEST 303 not only causes it to burn soot-free - but actually burns off soot deposits in your furnace! Prove this amazing fact to yourself - by checking your own furnace before and after using HY-TEST 303.

The result: You will burn less oil using HY-TEST 303 yet pay no more per gallon than you would for ordinary oil.

KEEP WATER OUT OF YOUR TANK!

It ery one of our trucks is equipped with a patented filter and d bydrator that removes all impurities and extracts every trace of water from HY-TEST 303 on delivery BEFORE it reaches your tank. In addition, the premium additive in HY-TEST 303 prevents moisture from collecting at the bottom of your fuel tank - banishing the danger of tank corrosion and leakage.

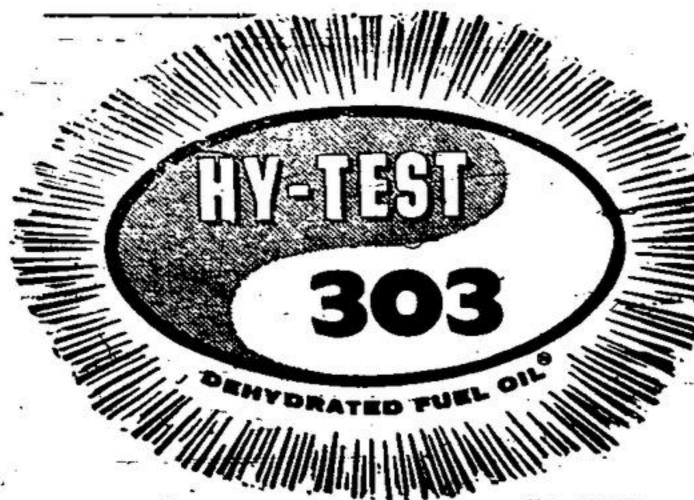

SEE THE DIFFERENCE IN YOUR OIL BURNER, IN YOUR HOME!

Because HY-TEST 303 is the purest oil ever delivered, because it burns off soot most completely, you get the cleanest burning, most economical, trouble-free fuel oil ever available. At checking time look for, and see the difference! No more nozzleclogging sludge, no more heat-killing, home soiling +001-0 even the unpleasant petroleum odor is gonel

PROVEN IN THOUSANDS OF HOMES AND IN INDUSTRY IN U.S. and CANADAL

Never before has a new petroleum product received with instant acclaim. Used in schools, factories, offices and hours from lowa to West Virginia, from Carolina to the food St. Lawrence International Seaway project in Canada -HY-TEST 303 has proven its superiority in tens of thousands of oil burners. Let us show you the big difference - status 3 with your next tankful!

*From an analysis by an independent engineering firm.
