New Church Federation Plans Busy 1959 Program

On Wednesday, Feb. 11th, at Cedarvale school, the Woman's Federation of St. Andrew's United Church was joined by ladies of the Evening Auxiliary of St. John's United. The president, Mrs. Kelvin C. Brown opened the meeting by introducing Mrs. Andy Crichton and Mrs. Delmar French of the Auxiliary, who handled the devotional. Mrs. French leading in prayer and reading the scripture and Mrs. Crichton giving a talk on the life of St. John. At the close of the devotional, the auxiliary adjourned to another room to hold their business meeting and the federation proceeded with theirs. It proved an important business session. Items brought up and voted on included selecting members to attend the World Day of Prayer Feb. 13th; planning refreshments for a social hour following the service of constitution on Sunday; delegates to attend Halton Presbytery annual in Oakville April 5th; acting as co-hostesses for a WMS presbytery meeting in St. John's April 30; and setting the date for the first annual bazaar October 17th, as well as naming a committee to look into costs of printing a cook book to be made available for sale by June.

When business was adjourned, the Evening Auxiliary returned, and Mrs. O. M. Brewster, the president, introduced Mrs. O. M. Houston, Cedarvale superintendent, who gave an inspiring talk on the work done by the staff illustrating how essential home mission work is. Mrs. Brown introduced Mrs. W. F. Smith who did a demonstration on making fancy sandwiches illustrating 15 different types. The tasty bits were greatly admired and enjoyed during the refreshment hour when Mrs. Jack Runham, Mrs. French and Mrs. Crichton of the Auxiliary and Mrs. F. R. B. Matthews, Mrs. Milton Armstrong and Mrs. B. Bradley acted as hostesses. A White Elephant sale closed the meeting.

Board Chairman Speaks Norval Home & School

Members of the Norval Home & School Association met at the school last Wednesday evening for their regular monthly meeting. In spite of bad weather conditions there was a good attendance. After the business portion of the meeting which was in charge of the president, Fred Fendley, the group listened to R. J. Cunningham who is chairman of the Area Board. He spoke on the various aspects and problems encountered by the Board. His talk gave his listeners a bird's eye-view of the work and a much better understanding and appreciation of the Board. After his talk the lunch committee, comprising Mrs. G. Shering and Mrs. R. Crawford, served lunch and a social time was enjoyed.
