**Home & School Speaker
From Retarded Assoc.**

P. McGrath, president, presided for the February meeting of Milton and District Association for Retarded Children which was held in the Sunshine School, Milton on February 12th.

A request was received from the Georgetown Home and School Association for Mr. Addison, honorary president to attend their March meeting and give them some further information on retardation.

Mrs. Sillars, correspondent-secretary read the announcement of the sixth annual meeting of the Ontario Association for Retarded Children to be held April 24 and 25 at the Smiths Falls Ontario School. The Hamilton association under the supervision of Mrs. McKillop will be responsible for Region 3 display—educational.

The Oakville and district association announced their annual dinner for Thursday, February 19 at Lusk Hall, St. John's United Church, Dunn St., Oakville, when Mr. Murray Finlayson, president of the Ontario association, will be guest speaker.

The Provincial Camp of Ontario Association for Retarded Children will be held again this summer at Guelph Kiwanis Camp Site on Lake Belwood, north of Fergus. Financial assistance is again being given by Ontario lodges, Loyal Order of Moose, Girls' camp—July 17 to August 6; boys' camp—August 8 to August 28. There will be accommodation for 60 at each camp with the age limit 12-18 years.

Mrs. Jeffares, principal, gave a progress report of each pupil and one could readily realize the interest teachers display in the individual pupil. The latest addition to the curriculum was the subject of health with each pupil being presented and instruction given with the use of a tooth-brush.

The tickets for the lucky draw for the Loyal Order of Moose are ready for distribution and can be secured by contacting Fred Cross, R.R. 1 Milton.

Mrs. Jeffares delighted the audience with a film of pictures taken at the high school, Milton, with Mrs. Buckner's Acton class of normal pupils in music and movement, followed by a film of pupils of Sunshine School in the same exercises.

BALLINAFAD

**MANY CHURCH ACTIVITIES IN
WEEK AT BALLINAFAD**

The W.A. met for their regular meeting on Tuesday afternoon at the home of Mrs. A. Himes. Mrs. L. Marshall had charge of the program and the lunch committee was Mrs. F. Smith and Mrs. R. McEnery. A short devotion was read by Mrs. C. McEnery and the group made plans for their March meeting at which time they will entertain their husbands and families to a turkey dinner in the church. The sewing committee reported on their work and suggested making a quilt with material that had been donated. The roll call was answered by exchanging valentines and each one reading the verse and despite the stormy day there were nine present.

The World Day of Prayer was observed by very small representation of our community in the church on Friday afternoon, but those present enjoyed with great feeling the fellowship of being a part of a great world-wide circle of continued prayers being offered continually for the twelve hours.

Mrs. F. W. Shortill was the key woman for this year and she was assisted by Mrs. N. Sinclair and Mrs. Black sang a very suitable solo "Did you stop to pray this morning." Prayers were offered by Mrs. Barpes, Mrs. Himes, Mrs. Lawr, Mrs. Smith and Mrs. McLaughlin and Mrs. Jesse McEnery gave a very inspiring talk on prayer. Mrs. E. McEnery was appointed key woman for next year and the singing of the hymn "The day Thou gavest, Lord, is ended" brought the service to a close.

The Evening Auxiliary met for their February meeting at the home of Mrs. A. Lawr on Thursday and also on Tuesday night the officers and teachers of the Sunday School met at the home of Mr. Duncan Gibson for the purpose of discussing the very worthwhile work being accomplished among our children. There is a great need at the present time for a leader to encourage our older teenagers to remain in Sunday School and to build up a class which would bring back the boys and girls who feel they have outgrown such activities. A great deal of enjoyment can come from working with young people, as well as a lot to be learned and if a challenge, your offer will be welcomed by our two young superintendents, Ross Shortill and Duncan Gibson.

Mission Band was held on Sunday in the church school room under the leadership of Mrs. Alan Jamieson, the president helped to preside over the meeting Brian and Kathryn Sinclair, Larry White, Dianne Snow and Bill McEnery assisted in the worship service, which was arranged by Mrs. McEnery. A beautiful supply of soap has been brought in by the children for their supply parcel. The story from the topic book "The Secret for Lupe" was read by Mrs. Lawr, and was all about rural evangelism in Mexico. The meeting closed with the Mission Band purpose.

In place of a skating party which had been planned for Monday night, the members of the CGIT group enjoyed a Valentine party in the church basement. Mrs. Black read the story of the legend of St. Valentine and led the girls in several entertaining games and contests. The girls had their "little sisters" as their guests and Donna Smith and Marie Mitchell assisted as social committee in serving ice cream, cake and cookies. The evening closed with the singing of taps. Next Sunday afternoon, the girls plan to visit the shut-ins in the community.

Mr. and Mrs. Donald McLean visited in Hamilton for the week end with Mr. and Mrs. Clayton Beswick. February 14th was the wedding anniversary of both couples.

**COUPLES CLUB HAS
TOBOGGANING PARTY**

Fourteen members of the 1st Baptist Church Couples' Club were greeted with cold crisp weather and plenty of snow when they held their tobogganing party on Friday evening Feb. 6th.

The couples ribboned Gilman's hill on the 9th Line north of Glen Williams with toboggan trails for more than two hours before retiring indoors at the home of Mr. and Mrs. Al Robson, Glen Williams where a short business meeting preceded a welcome lunch arranged by the food committee Mrs. Don Livingstone and Mrs. Al Robson.

The club presidents, Mr. and Mrs. Don Hancock, presided at the meeting where it was decided that a skating party be held Friday, Feb. 27th.
