## Webster's Five Goals Spark As Glen Ousts City Barlocks

Bob Webster netted four goals in the last period to break open a tight industrial league semi-final game in the Glen's favour Saturday night as Barlocks had the playoff door slammed on them after just four games.

The Glen collected three wins and a tie to capture the best of five series.

They owned a 3-0 margin at one time in the game on goals by Kemshead at 2.21, Bob Webster, who collected five on the night, at 8.02 and Judge at 9.50 only to have the Toronto club tie it up and take a brief lead in the second frame.

Bazen scored twice from Lucyik late in the first session and Lucyik from Bazen at 7.43 of the second and Bazen again unassisted at the 17.20 mark had it Barlocks 4, Glen 3. Kemshead was quick to pull his club even notching his second from Johnny Haines and Jarvis just 8 seconds later.

Bob Webster found the target again at 8.37 of the third from Jarvis and George Webster, and repeated at 10.50 from the same pair, at 13.59 from George Webster and again at 16.51 from Jarvis and George Webster.

Bany accounted for the Barlocks only answer, scoring on a solo effort at 18.08.

The Glen meets Halton Homes in the finals and are favoured to wrestle the league supremacy from the redshirts.

## Queen's Park News

Stan Hall, M.P.P.

Premier Frost said that he had not anticipated what took place in the cancellation of the contract for the building of the Avro Arrow because he understood there was set aside \$50,000,000 for the orderly termination of the contracts.

Mr. John J. Wintermeyer, Liberal Leader of Her Majesty's Opposition called for the appointment of a Select Committee of the Legislature to study the situation at Malton.

Donald MacDonald, leader of the CCF, demanded that Premier Frost lead a delegation to Ottawa seeking action by the Federal government.

Premier Frost manoeuvred the Liberal members into voting with the Government against a CCF motion for public ownership of natural gas distribution systems.

The Assembly voted 72 to 14 against a Liberal non-confidence motion criticizing the government's policies on unemployment, labour, natural gas, safety, education, municipal finances, agriculture, and northern development.

The CCF moved an amendment to the Liberal motion which was defeated 83 to 3.

Hon. James Allan, Provincial Treasurer, presented the budget on Wednesday, February 25, for the fiscal year ending April 1st.

The financial undertakings of the provinces this year will be almost one billion dollars. When I cast my first provincial vote, the budget for all purposes was five million dollars, an unbelievable development.

At least six records were set in this budget.

1. There are no new taxes.
2. No increase in present taxes.
3. The seventeenth consecutive Budget presented by the Progressive Conservative Government showing a surplus.
4. \$200,000,000 for education.
5. \$42,800,000 for health.
6. \$58,000,000 for mental health program.

Hon. James A. Maloney, Q.C. Minister of Mines, said in his report of the Dept. of Mines that Ontario produces 93 per cent of Canada's nickel production and 70 per cent of the world's production. He also said that our gold mining was in a very healthy production.

I am pleased to report two matters outside the Assembly, first, that a cheque for \$38,421.00 has been sent to the Hospital Building Committee at Milton, the first of four equal amounts that will be received by the hospital committee as construction progresses.

Secondly, that the Avro employees from the Town of Milton and district have formed an association known as the Milton and District Mutual Employment Service. They have found employment for several of their number and have more prospects in sight. I wish to congratulate these people and may they have further success.

### ACTION TOURNAMENT FOR LEGION KID HOCKEY

JUNIOR A'S  
1st Game — Acton vs. Georgetown  
(8-10 years)

Georgetown 2 — Acton 0

2nd Game G'town 3 — Milton 1  
Milton started the game with a goal in less than two minutes. Our team looked shaky for ten minutes but then a change occurred.

Our players started to check Milton into the ice. With superb backing by Rick McNiven, the goal tender, our team started to click.

Doug Hills tied the score before the first period ended. By the end of the second period, Paul Robinson, playing a good left wing position had scored twice. The game was now won, due to the steady checking of Pete Barefoot, Phil Lavelle, Bill Chard, Phil Bludd, and Doug Hills. Every member of the team played very well. The big stars of the game were Ricky McNiven, Paul Robinson, Doug Hills, Pete Barefoot and Phil Lavelle.

Final score Georgetown 3, Orangeville 2. Goals by Rod Presswood, A. Blair, W. Davison, with Blair assisting on another.

2nd Game G'town 3, Milton 2  
The teams were evenly matched in play throughout the game. The game itself was a hard checking, rushing affair and went into sudden death overtime, 5 minutes or first goal. Mike Cummins came through for the Georgetowners on a backhand shot after a pass from Don Norton.

Goals by Bill Campbell and Murray Marchment knocked Milton out of the finals. In the final game Bill Campbell was the big gun for G'town with 3 goals. Jack Gudgeon with two goals and singles by Terry Lane and Ken Morrow.

Terry Lane started things off with a goal in the first period and Georgetown never looked back. In the first 10 minutes of play, Orangeville never got a shot on goal, which showed a great team effort. Every boy played heads up hockey.

This was the result of a great effort on the part of the coach Fred Harrison, Jr., and the boys who week after week played exhibition games and had 6 o'clock practices every Saturday morning.

The team celebrated after the game with a get-together at the home of team manager Jack Gudgeon, Sr. And a good time was had by all.
