Brown, one man obtains employment he does of a group of ex-Avro men, who not always notify the service im-

He estimates that 25 per cent making this information available of this total have become employed, and said that 12 to 18 people Mr. Brown said 415 of a total of are weekly being placed in new

Questioned as to whether

thought many ex-Avroites are thinking of "pulling up stakes" and leaving the district, Mr. Brown said a small percentage is doing so, but he feels the majority are hoping to find employment close enough to keep their homes here. He personally knows of only three families who have moved so far, he said, but he knows of several who will be moving to the United States some time in the future. Whether there will be a mass movement, of people depends on

the future industrial situation in the district, he said. There is indication that speculators have been approaching people looking for "good buys" in houses, but most home owners have quite a stake in their property and are not going to be panicked into losing their

#### Chapel Street Pupils **Entertain at Manor**

On Wednesday evening, March 25th, sixteen pupils of Grades '7 and 8 of Chapel Street school had an entirely different experience that gave them all a great deal of pleasure. They, along with their principal, Mr. Val Stein, Bruce Mackeson, Hazen Allen, Bob Pinkerton, Mr. and Mrs. Vern Mc-Cumber and Mrs. James Evans, their accompanist and Kenneth Harrison, their musical director, travelled to Halton Centennial Manor where they entertained the residents with a musical evening.

The program for the evening

consisted of "The Happy Wanderno duet of Tea for Two." Barbara Evans and Bobby McCumber sang the vocal duet "Come Sweet Delight." "The Wedding of the Painted Doll" was the second selection of the piano duet team. Bobby McCumber's solo was the "Knight's Song" and the choir concluded the program with 'Let us with a Gladsome Mind" and "The Battle Hymn of the Republic." Miss Muriel Thompson, secretary at the Georgetown, thanked the Georgetown guests for the great pleasure they had given the residents. The from the Ontario Municipal Board pite Malton. Since Avro slackened, some new Delrex houses have been sold. he said. There is the question, too, of a temporary treatment system being used in the newer portion of Delrex and if this were added to the present disposal system it would aggravate the system even

had discussed the matter with the Municipal Board and it was felt Displays Carvings wise to let the town know that if Malton had a serious effect, the OWRC would consider delaying its plans. Referring to informaby Kelvin C. Brown, about the number of locally unemployed people, he said he was convinced that a job is not being imposed on Georgetown beyond its financial capacity. The bid for a trunk sewer was exceptionally low, he said, and one which he was anxious to accept. (Of 9 bids for this, ranging as high as \$451,000, the tender of East End Excavators had been accepted to do this part of the job for \$155,609.)

Mr. Dutton explained that the new treatment plant is designed um of sewage:

"What would happen if Georgetown said 'it couldn't afford to the meeting on behalf of the Womproceed at present?" asked Wayor en's Hospital committee. Armstrong.

financing and Dr. Berry is health. Mrs. H. J. Newman and Miss Laura We have a commitment from the Treble. town to proceed and have authorixed the building of more houses because of this. Legally, you are committed to proceed, but we are not a government body which would force you."

"In other words," said the mayor, in jocular vein, "e have the choice of deciding whether to proceed or not, providing we say yes." spell of balmy weather.

Cr. Ern Hyde said there must have been some thought on the part of the OWRC and Municipal Board to write to council in the first place, and wondered if it was giving them an easy way out if the town wishes.

Mr. Larmour explained that he had suggested the letter himself. He had read in the Toronto papers

Georgetown's new sewage dis about Malton and believed at tem this year, even though the posal plant got the go-ahead signal that time it might be calamitous disposal plant will not be completed, and avoid paying "interest on

SPRING COMING

Slowly but surely spring is coming. The odd mild day has disposed of large quantities of snow and ice just the right way to avoid floods which could be disastrous were we to have one prolonged

There is still a lot of the winter's accumulation to disappear yet, and road chairman Walter Gray isn't looking his usual jovial self these days as he contemplates the scads of road work left in winter's wake. It has been one of the roughest years on record for roads which are full of potholes.

More than 30 of Ontario's most skilful young speakers are preparing to charm away any notion' that they should be seen and not

Speaking Finals Tonight

At City Education Meet

They're the cream of the junior orators across the province, compétitors in the Public Speaking Contest during the Ontario Educational Association's 99th annual convention at the King Edward Sheraton Hotel, Toronto.

For the first time in the contest's 35-year history, the competition is open to secondary school students. Their finals are being held to night, April 1, the elementary schools competed last night.

The contest is sponsored by Ontario Hydro and the Ontario School Trustees' and Ratepayers' Association.

All the speakers are champions from previous district contests-13 regional semi-finals in the elementary school division, 10 in the secondary-and all will talk on the benefits and applications of electricity.

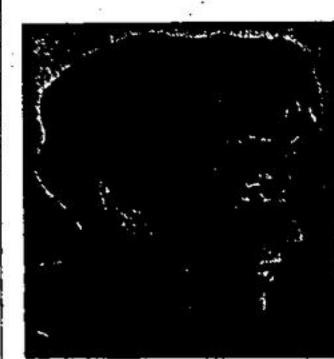

In addition to prepared speeches, five to seven minutes long,

The nine provincial winners will be chosen on a point system for their material, style, language and delivery.

Ontario Hydro, which has supplied more than 50,000 kits of background and reference material, will also donate cups, shields and cash prizes: in the elementary contest, \$75 for first place, \$50 for second and \$25 for third; secondary prepared contest, \$100, \$75 and \$50; and secondary impromptu contest, \$50, \$25 and \$15.

Drinking to another man's health 'sn't going to improve your own.

## MORAL RESPONSIBILITY **FOR** TRAFFIC SAFETY

During April, religious leaders of all faiths throughout Ontario will stress the moral aspects of the traffic accident problem. They will be asking you, as a motorist or pedestrian, to accept individual responsibility for obeying the traffic laws and the rules of the road.

This personal appeal to the users of our streets and highways is the basis of the Moral Responsibility Campaign sponsored by the Ontario Department of Transport. It is receiving enthusiastic endorsement and active support from the Ontario Federation of Agriculture and from local safety councils, police departments, service clube, women's groups and other community organiza-

You can help the Moral Responsibility Campaign achieve success by practising the Golden Rule of traffic safety-drive and walk as you would have others drive and walk.
