A local firm, Hofmann Construction, will build the ten room public school proposed for Weber Drive. It was announced Wednesday evening, April 4th following the opening of tenders before the board at Harrison public school. The Hofmann firm submitted the lowest of seven bids received by the board and were awarded the contract after each tender was considered at some length.

Construction on the two storey building will begin immediately with the completion date set at August 15th. The architects are John B. Parkin Associates.

At a meeting last month the board expressed concern over the CF-105 project, a situation which could have meant a decrease in the number of rooms proposed had the Dept. of Education seen fit. Had the department instructed a re-plan the opening would have been delayed possibly until January 1960.

Though slackening off sharply, the influx of new residents in the Delreux area did not halt entirely the only fact that saved the proposed teaching capacity from being cut in half.

PRESENT LENTEN BOXES AT EASTERN SERVICE

The rector spoke of the meaning of Easter and told the students about the Youth Mission and the Missioner, the Rev. J. Baldwin, who will be a special guest of the church school on Sunday, April 12th and for the week following from the Monday to Friday.

BARBER TEAM CLINCHES TOP SPOT IN BOWLING

All that remains to be decided in Provincial bowling with one week remaining is the league's 1959 cellar resident. Barbers clinched league title Monday night by picking up five points to climb out of reach of their closest rivals, Varesy, who managed only two, and were left with a 106 total. Barbers have amassed 117.

A single point separates the second division clubs, Arnolds and Allens, and they'll have the spotlight next week in the scramble for their position. Arnolds have 92 points, Allens 91.

E. Allen had the best triple of the night — a good 765 topped T. Wylie's 675 and B. Tost's 671. Allen's 290 led the singles, H. A. Tolled 262 and T. Fenning 260. For the ladies, A. Wylie carded a 691, D. Sanderson 629, and M. Carey 599 to occupy the top three triple spots. A 277 by A. Wylie, also gave her singles honours over Marlene Tost's 247 and D. Sanderson's 222.

Ray Milot and Ross Duncan still hold the season's marks of 385 and 834 and Marlene Tost continues to lead the ladies in both departments with a 339 and 779.

The top five men's averages belong to Trevor Williams 221; Harv Chappel, 216; George Barber 215; Ray Milot, 206; and Ted Fenning, 207. Jean Chappel heads the ladies here with a 192 and is followed by Annie Wylie, 185; Mary Carey, 174; Doreen Sanderson, 173, and Joan Harrington, 168.

Honour Church Organist Leaving for New Position

On Sunday, Mr. Norman Laird concluded almost sixteen years as music director of St. John's United Church. While this period of time had a break after 6 years of service, Mr. Laird came back and has now completed almost ten years more as St. John's music director. He leaves this church to become the music director of Alderwood United Church, and will be succeeded by Kenneth R. Harrison.

After the evening service on Sunday, the congregation, members of the junior and senior choirs and others who had assisted in the choir on special occasions met in the Memorial Hall to bid farewell to Mr. and Mrs. Laird. Bruce Williamson, chairman of the music committee of the Session, most fittingly called it "Norman Laird Night." Words of appreciation and good wishes were expressed by the chairman, Bruce Williamson, by Rev. M. G. McFarlane and by Tom Faram, a member of the Session and a member of the choir during Mr. Laird's time of leadership which went back 24 years. Alex MacLaren also a member of the Session, spoke.

Mrs. Bernard Shrubsole brought the greetings of the Junior Choir and one of the girls of the choir presented Mr. Laird with a gift on their behalf. Bernard Shrubsole, president of the senior choir, expressed the appreciation of that choir to Mr. Laird for his many years of service and expressed their good wishes to him as he went to his new field of service in Alderwood.

On behalf of the congregation, Session and choir of St. John's United Church, Mr. Shrubsole presented Mr. Laird with a Woolen-sack tape recorder, together with a tape recording of "The Crucifixion" by Stainer, sung by the choir under Mr. Laird's direction on Good Friday, and also a tape recording of the proceedings of the farewell itself. These recordings were made by Vernon McCumber and Tom Trouton. Mrs. Shrubsole asked Mrs. Laird to receive a bouquet of flowers and Mrs. Creighton (Mr. Laird's sister) a corsage, which were presented by two members of the junior choir. The junior choir and the senior choir both sang most fitting selections for the occasion.

Mr. and Mrs. Laird each spoke a few words of thanks, expressing gratitude for the fine years of fellowship in service in St. John's Church, reminiscing on some of those years.

Mr. McFarlane closed the meeting with prayer.

Refreshments were served by the ladies of the church.

90TH BIRTHDAY FOR LADY EDITH WINDLE

Another Georgetown resident marked an important milestone on Saturday when Lady Edith Windle, 39 Market St., celebrated her 90th birthday.

A Georgetown resident for three years, Lady Edith, who is a native of England, came to Canada in 1920 when her husband accepted a position as professor of philosophy and archaeology at St. Michael's College. He had previously been president of the university in Cork, Ireland. Following his death in 1929, Miss Marjorie Nazer came from England to make her home with her aunt, and the two ladies moved here from the city.

Store Window Display Boosts Sunshine School

Young's Pharmacy windows are usually filled with tangible beauty. This week one of the windows is a little different, beauty, yes, but not at first glance. Mr. Frank Black has made a very descriptive poster and there are several different pieces of literature on display regarding Sunshine School for Retarded Children.

An intangible beauty is brought into the lives of the children who attend this school which is fitted for their own needs, which fills and develops their minds and makes them useful, happy people. Parents are urged to contact the school where classes are held daily and transportation from Georgetown supplied. Parents are invited to visit the school and see for themselves how happy the children are and how well they are progressing. There are no tuition charges and transportation is also free of charge. Your attention is directed to the window, also the ad in this issue.

Tonite's Game Important Sundridge Series Tied 1-1

The ultimate expense riding on the flip of a coin at the local arena has been the price of a hot dog. However, in an inconspicuous 'toss' which took place in the superintendent's office immediately prior to the launching of the Georgetown - Sundridge series last Wednesday night may have cost Sundridge the series.

The trivial gamble for the 4th home game in the best of seven series was won by Georgetown and after two games has taken on new importance since the even strength of the clubs, obvious in both clashes, could carry the play off the full seven games and in the two already played, the puck has been bouncing for home team.

Hunter's Realtors outlasted the Beavers in a high scoring affair here on Wednesday night to pocket the opening 10 to 7 before one of the best crowds of the playoffs, but emerged on the rough end of a 5-4 squeaker at Sundridge on Saturday. The third game, a key one, is here tonight.

A third period goal by Lorne Boyer at 11:57 was all Sundridge needed to turn the tables and avenge their Wednesday loss. Boyer led the Sundridge snipers with a pair while Mogridge, Ivan O'shell, and Johnstone accounted for the rest of the damage.

One fact that lightened the load of defeat was Blake Inglis return to the score sheet. He celebrated the end of his goal famine with

SUNDIDGE SERIES TIED 1-1

two tallies in the middle period. Playing coach Nick Ferri stepped into the gap left by the absence of Dave Irons in the second line and triggered the other two.

There was one ten minute misconduct that to rearguard - Dave Voyce at 12:51 of the third period. Voyce was chased to the box by NOHA referees after blueing the northern air with a passage that inferred the officiating had all the straight and unslanted qualities of the Tower of Pisa.

Jamie Cunningham reached hero proportions on Wednesday when he counted four goals and collected three assists in pacing the Hunters to their 10-7 win. Junior Beaumont and Dave Irons each notched two and Bud Valey and Ron Dixon netted singles.

R. Johnstone was the eager Beaver for Sundridge with a hat trick - L. Boyer, H. Anderson, H. Kidd and O'shell each scored once.

After tonight it's back to Sundridge Saturday and the fifth game is here on Monday.

Fans who enjoyed viewing some of the NHL playoffs in the arena lobby will join with the hockey club in thanking McClure Furnishings and Cec Greenslade for the use of the TV, aerial and line.

The venture has taken some of the pressure of the between periods crowd off the booth and so has been a success two ways.
