BALLINAFAD

PRESENTATION PARTY FOR ROY SWITZER, BRIDE

Week-end visitors at the home of Mr. and Mrs. N. Sinclair were Mrs. Bessie McKechnie and Alva of Georgetown and Mrs. Ellen McEnery of Guelph.

Mrs. J. Black, Bobby and Billy spent the week-end with relatives in Fergus.

Congratulations to Mr. and Mrs. Mike Norton on the birth of a daughter this week at the Guelph hospital.

Rev. Ross Adams was at all three churches, on the Ballinafad charge on Sunday conducting communion services.

The Institute sponsored a very successful Easter party, on April 1st in the hall at Stewarttown. The prizewinners for the progressive euchre were Mrs. J. Murray and Mrs. Hall and Messrs. Robert and Jack McEnery. A bountiful lunch was served at intermission and the latter part of the evening was spent dancing, the music being supplied by Doris Halls' Orchestra.

Mr. and Mrs. Roy Switzer, a recent bride and groom, were honoured at a party in the hall at Stewarttown on Saturday night. Friends and neighbours in the district gathered for a social evening and presented the young couple with a set of dishes, a mirror and a telephone table. The evening was spent playing cards and dancing and a presentation address was read by Mr. William McLean and Mr. Tom Gibson acted as chairman.

RED FEATHERS STILL LEAD LADY BOWLERS

Shakeups were limited to individual scoring in the ladies afternoon bowling league last week as the top eight teams in the twelve team league stood pat with Mrs. Bud Bishop's Red Feathers still leading the circuit by over 200 pins.

Mrs. Vic McNeven bowled a 729 to move into first place in the triples and Mrs. Tom Trouten's 724 gave her a second place standing. Mrs. George Burlington with 713 is third.

A 312 by Mrs. Trouten earned her first place in singles, edging Mrs. George Burlington 311 while Mrs. Harry Shortill took over third with an even 300.

Other top scores rolled this week were Laura Treble's triple of 647 and single of 285 which was duplicated by Mrs. Jack Crichton.

LOCAL AIR FORCE MEN RECEIVE PROMOTIONS

The names of two Georgetowners appeared on the annual list of RCAF airman promotions announced April 1st.

Promoted to Warrant Officer, second class, is F/S Ron Kitchen, 83 McIntyre Crescent and promoted to Flight Sergeant is Sgt. A. (Doc.) Wilkinson, 48 McGilvray Crescent. Both NCOs are employed at the Avro aircraft plant in Malton, on detached duty from 12 Technical Service Unit in Weston.

Their promotion coincided with the 35th anniversary of the organization of the RCAF. A party was held in the sergeant's mess at Downsview RCAF station to celebrate those promoted in the Toronto area and the anniversary. Local airman who attended in addition to the fortunate two were F/S Fred Norton, 54 McIntyre Cresc., and A) Turner, 36 Hale Dr. who recently retired from the RCAF.

A WELCOME WINDFALL

A welcome windfall of £100 sterling will be arriving in the mail for Mr. George Armitage, 9 Elizabeth St., in the near future, his share of winnings from the sweepstake on the Grand National Steeplechase run at Aintree, England, Saturday, March 21st.

The amount figures out to approximately \$285 in Canadian currency.

Mr. Armitage was notified that his ticket had earned him some of the consolation money by telegram two days before the race and without a horse in the running was spared the nervous anticipation that gripped many all over Ontario when they received similar notices.

GALA DAY PLANNED BY HOSPITAL BOARD

Plans to hold the annual Hospital gala day in May were discussed at a meeting of Georgetown Hospital Association on March 31st in the Municipal Building.

To stimulate interest, a poster competition is being held among school children. There will be a raffle in conjunction with the gala day and many special features are planned.

Mrs. Alex Taylor reported to the meeting the launching of a monthly draw of the Bigger & Better Club, with proceeds going towards the hospital.

Last night the campaign committee held a meeting to discuss this important aspect of hospital work.

Receive Instruction in Foebel Craft Teaching

Ten teachers of Georgetown and Acton had the great privilege of attending a course conducted by Mrs. Kool, who came from Holland a short time ago. The course was in Arts & Crafts for children from the ages ranging from five to eleven years.

Mrs. Kool is a teacher trained from the Foebel School which is world famous, and it was a wonderful opportunity for the teachers to receive instructions from a teacher of this school.

The classes, which were recently held were in the kindergarten room of the Howard Wrigglesworth school every Wednesday for ten weeks. At the time of the classes Mrs. Kool was staying with her daughter, Mrs. John Sierema 67 Prince Charles Drive, but is now living in Toronto. At the last night of instruction members of the class presented her with a redreaga in appreciation.
