European Summer Trip**

There was a good attendance at a meeting of the Stone School Community Association held in the school last Friday evening with president William Earle in the chair. It was decided that in order that the Association might function more efficiently, the existing committee of three should be enlarged by an additional three and Mrs. Hans Lindauer and Messrs. George Henderson and Harry Marchington were elected. The feature of the evening's entertainment was an illustrated tra-

velogue of a trip to Europe last summer by Miss Hilda Boyles of the Glen Williams School staff. She gave a most interesting and humorous account of the life and customs in the various countries she visited.

The meeting was also the occasion of the presentation of a chair to Mr. and Mrs. George Ironside (the former Charlotte McCullough). The presentation was made by Mrs. Robert Southon on behalf of old friends and neighbors of the district and a suitable reply was made by both Mr. and Mrs. Ironside.
