## POLICE NEWS

"He hath a good judgment who  
relieth not wholly on his own".  
English proverb

— Food for Thought . . .

Modern civilization continues to be plagued with her ageless infirmities of poverty, disease, ignorance and crime. Great strides have been made. In recent years, however, in improving the health and economic security of the people, and education is gradually overcoming ignorance. Similar satisfactory progress cannot be reported in the battle against crime.

The failure of society to limitish criminality imposes great handicaps on her people. It impairs somewhat the joys of living. Lives and property are rendered insecure, that peace is frequently disturbed, and some persons are subjected to degrading and terrifying criminal acts. Direct economic losses to criminals amount to tremendous sums, but these represent only a part of the total cost of crime. To this cost must be added that of administering criminal justice. The police, the prosecutors and the criminal courts, the probation and parole systems, and the penal and correctional institutions are all heavy drains on the public exchequer. In addition, unproductive lives wasted in criminal activities and penal institutions represent a terrific loss.

To the relatives and friends of the unfortunate criminals and their victims in assaults, rapes, and murders, the sorrow and anguish is even more important than the money cost of crime.

Criminality is a complex social illness that has its source in man's birth and life. His experiences mold his inherited characteristics and thus determine his attitudes and feelings. And it is these that ordain how he will behave, for as a man thinks and feels, so is he.

— Boy Meets Boy . . .

First Boy, "How old are you?"  
Second Boy, "I don't know for sure, about five or six."

First Boy, "Do you play with little girls?"

Second Boy, "No."  
First Boy, "You must be five cause I'm six."

Titter ye not.

## BALLINAFAD

TORONTO SCHOOL TEACHER IS TEMPERANCE SPEAKER

Mrs. C. Beswick and Miss Marie Dick of Hamilton visited at the home of Mr. and Mrs. Donald McLean over the week-end.

Mr. and Mrs. Floyd Shortill and Nancy visited on Sunday in Cliford.

Mr. Paul Agnew, a school teacher from Toronto occupied the pulpits in all three churches on the Ballinafad charge on Sunday morning, representing the Ontario Temperance Federation. Mr. McBride will be living at the manse for the summer at the conclusion of his exams this week at Emmanuel College. At a Sunday evening service all the missionary groups worshipped together for their spring thankoffering. Members of the Mission Band, CGIT, Evening Auxiliary and Afternoon Auxiliary took part in the service and the guest speaker was Mrs. Mills of Burlington, who is corresponding secretary of Halton Presbyterial. Her pictures of Japan, Korea, China, India and the Holy Land were both interesting and educational, especially to the children who were present. Mrs. Mills accepted a gift from the CGIT group towards the projects assigned to them from the Dominion Board and she placed a seal on their affiliation certificate. A certificate was also presented to the mission band by Miss B. Hills for the completion of five years requirements of their group. This was accepted by Mrs. A. Lawr, the leader. Mrs. F. W. Shortill thanked the speaker, and the meeting closed with the singing of the hymn "This is my Fathers World" and prayer by Miss Hills.

Mr. Arnold McEnery is still confined to the hospital in Guelph and his many friends and neighbours wish him a speedy recovery.

## COMMUNITY CENTRE GEORGETOWN JUNIOR SOCCER

Now that winter has passed on its way, hockey sticks and skates are being replaced by plimsolls, and footballs, in preparation for the advent of the Junior Soccer Season. This year Georgetown is very fortunate to obtain the services of the two men who contributed so much to the success of the Brampton Juniors last season.

The opening day of the season was a big success, with 80 to 100 enthusiastic boys ranging from 9 to 16 years of age, registering and reporting for training, and the coaches in attendance were really kept busy. It has been proposed that two teams shall represent Georgetown in the Oakville and

district junior soccer league, these will be comprised of first the Bantams in the 13 to 16 age group and the Atoms in the 9 to 12 age group. In addition there will be a local league competition formed for all boys.

If there are any boys aged 9 to 16 residing in either Norval, Glen Williams, Limehouse or Stewarttown or Georgetown who wish to register for Soccer, they should report to Georgetown Park at 10 o'clock Saturday morning. Any man who is interested in joining with Bert Shepherd, George Dickson, Hans Richter, Ken Pridley in coaching these lads should also contact Mr. Shepherd at the Park on Saturday morning, it must be stressed however, that

these men must be prepared to exercise a good deal of patience, and put a lot of hard work into the job in hand.

### WILL YOU HELP?

Last fall the members of the 4th Brownie Pack planted tulip bulbs around the cenotaph. These bulbs are now popping through the ground, and the Brownies would be very happy if the boys and girls playing near the monument would be careful not to tramp these flowers. The Brownies want our cenotaph to look its best this spring for the Governor-General's visit. Will you help? Parents could help too, by reminding their children of this fact.
