Bell Representative Speaks to Lions Club

The district representative for the Bell Telephone Company, Mrs. J. Millard, was the guest speaker at the regular dinner meeting of the local Lions Club held Tuesday, April 21st in the Legion Hall. The Lions and guests from Merriton, Rexdale and Parry Sound clubs were treated to an adventure in sound when Mrs. Millard demonstrated stereophonic audio and produced the sensation of a train, jet and symphonic orchestra right in the hall. Mrs. Millard also informed the members of present Bell research with microwave relay beams and possibility through this research of world wide television in the hot too distant future. She mentioned a coming achievement when double calls may be made on the transatlantic cable.

The members were brought up to date on direct district dialing which has now extended north to Barrie, east to Montreal, and south through the USA to Florida. Next week Winnipeg, Calgary and Regina will be linked with the system. Introduced by Don Barrager, Mrs. Millard was thanked for her interesting talk by Tom Reed and club president Dick Miller. A large delegation from the local Lions plan to attend the Region rally at the Connaught hotel in Hamilton tonight.
