WORKSHOPS HELD BY UNITED CHURCH WMS

Halton Presbyterian of the Women's Missionary Society of United Churches in the county held four excellent workshops this week at various locations.

Miss Marion Thompson, field secretary of the dominion board was director. Mission Band and Explorers met in Waterdown United Church, while OGT leaders convened in Acton United Church. Two sessions on adult education

were held, one in Oakville and one in Acton. Miss Thompson introduced the new mission study on Africa. She discussed program planning and local problems with the delegates.

Elect Shirley Fendley Young People's Head

The final meeting of the 1958-1959 season for the Presbyterian Young People's Society of Norval and Union Churches was held in the home of Bill Hunter on Sunday evening, May 17th. The Study Book chapter entitled "The Aftermath of Solomon's Reign" was taken by Victor Ostrander followed by a very interesting discussion on the lesson learned by the mistakes made by the men of history. After the devotional period the report of the committee to nominate was brought in and the new slate of officers for the 1959-60 season was approved by the Society.

The Rev. G. L. Royal, society counsellor, installed the following officers: past president, Victor Ostrander; president, Shirley Fendley; vice president, Bill Hunter; secretary, Ruth Ismond; treasurer, David Anderson; Worship Convener, Joan Crawford, Mission Convener, Betty Jean Anderson; Evangelism conveners, Ted von Zuben (Union), Robert Crawford (Norval); Publicity Convener, Tom Leslie; Fellowship conveners, Sandra Allen (Norval), Murray McKane (Union); Lunch Convener, Donna Ostrander; Pianist, Dorothy von Zuben; Society Counsellor, Rev. G. L. Royal.

The retiring president expressed his thanks to the society for the cooperation he had received over the past year and then turned the chair over to the incoming president. The new president asked for the spirit that had prevailed in the past in the Society and immediately called a meeting of the executive for Tuesday, May 26th at 8 p.m., in her home.

Note Pupil Progress At Sunshine School

The regular meeting of Milton and district association for the Retarded Children was held in the Sunshine School, Thursday, May 14th. Mr. Fred Cross, acting president in the absence of Mr. J. McGrath called the meeting to order and welcomed the new members. When the business arising from the correspondence was taken care of, Mrs. Jeffares, school principal was called upon and gave an outline of the gradual progress of each pupil. This proved to the parents and members that each child was receiving the special attention which is required for these pupils.

Mrs. T. Howden in presenting her report from the Mothers' Auxiliary expressed the gratitude of the mothers for the splendid cooperation received, both in donations, assistance the day of the bazaar and for those who came to purchase. They were proud to donate to the treasurer, Mr. Sproat \$100 to increase finances.

Mrs. Howden also reported that a carload of parents journeyed to Orillia and were taken on a conducted tour of that institution. They returned home quite satisfied that all was being done for the happiness and welfare of these children.

Mrs. Ernest Ball, Georgetown, spoke of the continued interest displayed by the Kinsmen of that town in the work that is being carried on in Milton in the interests of Retarded Children. She reported that Mr. Addison, past president and Mrs. Jeffares had attended and addressed Chapel Street Home & School association and she had received some very complimentary comments on the information they had given. The North Halton Teachers' Federation had also been addressed by these speakers and were well received. Mr. Addison accompanied by some executive members journeyed to Burlington where Mr. Addison installed the new officers for the Burlington and district association for this year.

Mrs. Ball also attended the sixth annual convention of the Ontario Association which was held at the Smith Falls hospital school for retarded. In presenting her report Mrs. Ball related her personal experience as she toured the class rooms interviewing the pupils as she went along. These pupils were delighted to have someone to speak and talk with them. She paid glowing tribute to the concert put on by these pupils, especially she mentioned the part the Boy Scouts played as they marched up and saluted the flag. This was most impressive as there were 300 of them. The singing of hymns and songs of younger pupils was surprising and revealed positive proof of what training mixed with human kindness, patience and perseverance can be accomplished with these pupils.

Due to the lateness of the hour, Mr. Addison reserved his report for the next meeting. He also spoke of the pleasure he derived as he

Tom Kennedy's Story:

In the last weeks of his life, the former premier of Ontario set down the story of the times, the events and the people that shaped his career as a soldier, farmer, politician and elder statesman of his party.

He told of courtin' with a balky horse, of whisky samples in his father's general store, of the hellfire and damnation gospel of his youth.

He recalled his first election, his beer-by-the-glass deal with Howard Ferguson, his one defeat at the polls, and the time that his close friend and political enemy Mitchell Hepburn called him a damn fool.

Beginning Saturday, May 23rd, and continuing every day for the following two weeks.

GAIN EXPERIENCE BUT ATOMS BOW TO OAKS

The Georgetown Atom soccer team lost a 4-2 decision to the Oakville club in a hard fought exhibition game at the park last Wednesday night.

Again it was experience that made the difference in the two clubs and Oakville's team work was too much for the local boys to cope with. Despite the setback Georgetown gained valuable experience and are expected to reflect it against Hopedale, Athletic in the opening Atom game at Bronie Park on Wednesday, May 20th.

The Bantams return to action on Saturday when they take on the Mimico beaches here with the kick-off time scheduled for 7 p.m. The coaching staff is urging parents to get out and support the lads.

The remaining boys in the registration of forty will be formed into a little league and with experience will move up to competitive soccer.

ATTENDS CONFERENCE ON NURSING HOMES

Mrs. John G. Wright of Heather Nursing Home, Georgetown, with many others from all parts of Ontario, attended a conference on nursing homes on May 21st, at Wymilwood, across from the Royal Ontario Museum, Toronto.

This one day conference brought together the heads of nursing homes, and administrative persons concerned with the care of people of all ages.

The need for cooperation in everything related to good care, particularly of the aged, was recognized at the First Ontario Conference on Ageing Hence the Ontario Society on Ageing based the Conference program on questions from nursing home operators arising from their varied experiences in municipalities across Ontario.

accompanied the other delegates on the conducted tour of the class rooms. The building is 8 years old and was immaculate, regardless of where you looked. They have a staff of 900 with the care of 2,063 inmates and pupils. 40 per cent of these have no relatives nor friends to send them a greeting card, nor to visit with them occasionally. This is something anyone can do to bring cheer to these lonely hearts.
