## WHAT COUNCIL DID

### Garbage Contract Reviewed When Smith & Stone Protest

Interpretation of the garbage collection contract, by which Bob Lane has agreed to provide sanitary land fill and a dumping location, as well as garbage pick-up will be sought when council's public works committee discusses this with Mr. Lane this week.

At Monday's council meeting a letter from Smith & Stone Ltd. drew attention to a \$400 account sent to that firm, which levied an \$80 monthly charge for covering garbage, which the firm has been depositing in the present dumping grounds. Company manager Jack Malcolm, in his letter, said no prior notification had been given about a charge and that the firm "vigorously protests".

At Cr. Fred Harrison's request, terms of the contract and the garbage by-law were read by the mayor. Cr. Harrison said he could find nothing in the contract which allows a free dumping area for industrial waste. The garbage by-law calls for putting garbage out for collection in containers, he said, and if Smith & Stone did this, the contractor would be obligated to pick it up.

Several other council members spoke strongly in opposition. Reeve Sargent pointed out that the firm is saving the contractor work in trucking waste to the dump. If he is not being paid sufficiently for his work, he should come to council, he continued.

"We are trying to encourage industry to locate here, and this is no way to do it", was the reeve's opinion.

Cr. Ern Hyde expressed the opinion that it was implied in the contract that Mr. Lane would continue as the town had done, in covering any garbage in the dump. Cr. McGillivray opined that if there is any "beef" council should be told.

"We have a responsibility to industry. They pay 30 more mills on the dollar than householders", said Mayor Armstrong.

The contractor, he said, received an extra \$1.00 per capita, presently \$9,000, when the town switched from its own sanitary disposal system last fall.

"I wasn't on council when the town first entered this business", said Cr. Harrison, but I believe at that time land filling was estimated to cost \$11,000 a year."

Public works chairman John Elliott said he had been called by Provincial Paper Ltd., who had received a bill for \$70 a month.

Council decided to find out from Mr. Lane if there was an error in billing industries and how many had been billed. The matter will be further discussed at next week's meeting.

"When we were laid off at Malton on February 20th, I read in that week's Herald that council was going to do everything possible for us," said Bill Chard, 14 Elizabeth St. as he handed his tax bill to council.

### CHRIST LIVING SAVIOUR THIRD BAPTIST BELIEF

The third in a series of sermons explaining Baptist beliefs was preached by 1st Baptist Church minister Rev. Lloyd Whan on Sunday when he took as his text "Christ the Living Saviour".

Mr. Whan told the story of a carving of a wounded lion which always attracts attention in a little park in Lucerne, Switzerland. The lion is dying with a spear in its side and is carved in a stone cliff in memory of Swiss guards who died defending a French king.

"The carving reminds us that suffering borne for someone else is a call to the higher levels of living," he said. "Baptists believe that His is supremely so in the case of Jesus Christ, our Saviour."

"Centuries before Christ, it was prophesied that Christ should be a man of sorrows and be wounded for our transgressions" (Isaiah 53:5).

"When he finally came to earth men put him to death on a cruel wooden cross. "God took his cross—man's worst deed against God—and turned it to God's best deed for man. All this suffering had a purpose. It was to save man from his heaviest weight he has to bear—his unforgiveness."

"Because Jesus loved us enough to give himself to die for our sins, we can have hope, forgiveness, and new life from God, or abundant life as it is called."

"Yes, Baptists believe that only through a personal faith in the Lord Jesus Christ and a confession of him before men can the individual receive forgiveness of sin and become a child of God."

### BETTY GREIG AND LEANNE DAROU ARE WESTERN GRADUATES

Mr. Chard noted that his taxes have increased \$12 monthly, a jump from \$71 to \$83. He also enquired why a lower cost home would be assessed more than one which sold at a higher price.

Mayor Armstrong explained that while council has found it necessary to levy more taxes this year, as have many other towns, but that the tax rise is approximately \$4.50 monthly.

"It appears your mortgage company is setting aside a cushion for the future with the extra charge, and that is a matter between you and them", he said. He explained that assessments are not necessarily based on selling values, but that council has no jurisdiction over this department of government, and a ratepayer has the privilege of disputing his assessment in the court of appeal.

Complaining that a neighbour, Cr. Ern Hyde, was using heavy machinery on Sunday on his property and creating a dust nuisance, Bruce Harley, 21 Ewing St., was told by the mayor that there is no by-law restricting a man from working on his own property.

Claiming that Mr. Hyde was using fill off Cherry St., an unopened street allowance, Cr. Hyde counter-argued that Mr. Harley has himself encroached on Ewing St., but as long as it is maintained he wouldn't complain.

"What I am doing on Cherry St. is maintaining town property in respectable condition," said the councillor.

### Chamber Will Erect Second Highway Sign

The Chamber of Commerce is planning to erect an illuminated sign at the western approach to town. Discussing this at the quarterly dinner meeting on June 10th at North Halton Golf & Country Club, members felt that the sign erected last year at the eastern limits is too small and directors were authorized to obtain cost estimates for a larger type. Jack Critchton, chairman, presided at the meeting.

Once again the Chamber will co-sponsor a golf day and dinner with the businessmen and Don Barranger was appointed chairman of a committee to make necessary arrangements.

Postmaster Harold Marshall announced that house-to-house delivery will be inaugurated by the post office sometime this year, but that before it can commence the department requires that at least 80 per cent of residents have letter boxes installed. He requested that the Chamber publicize this as much as possible in order that this much-needed service be not delayed because of inadequate facilities in the various homes.

In response to a request from Stratford Chamber of Commerce Georgetown pledged support for Jack Wight as a director to the Canadian Chamber. It was agreed that regular bulletins will be dispatched to members following the monthly directors' meetings in order to keep membership informed of the activities undertaken.

Members were urged to stress industrial promotion and to keep residents reminded that each person may play a part in passing on information of value to the town's industrial commission.

### SOCCER LEAGUE LAUNCHING TONIGHT

Georgetown's little soccer league will be launched when the Hotspurs kickoff against Sparta at the park tonight, at 7 p.m. The Hotspurs will be guided from the sidelines by Heinz Richter and Bob White. Sparta by Rev. Lloyd Whan and Ken McCosh and the third team in the triangle, the rangers, will be handled by Ken Priddy and George Dickson. There is a possibility of a fourth team being entered but the executive have yet to organize a unit capable of filling the spot.

All of the players ages are between 7 and 12 years and the talent displayed in the pre-schedule tune-ups indicates there will be nothing lacking in the calibre of play. The coaches report that there is still time to register and urge any boy interested to contact any of the staff or team manager at TR. 7-4848.

Parents of the players, soccer fans or anyone with a couple of hours to spare in the evening are invited to the park to watch the youngsters. Their play is worth the encouragement of the townspeople and the entertainment will be well worth while.

### Social & Personal

Mrs. Harold Duttap, Norval, has as her guest her sister Mrs. Lillian B. Munsey from San Francisco, California.

Mrs. Mary Bell of Detroit spent a few days last week with her brother and sister-in-law Mr. and Mrs. John Gibbons, 20 Guelph St. George Stephens, 62 Rexway Dr. is a patient in Guelph General Hospital, recuperating from a heart attack which he suffered last week.

Dr. and Mrs. A. E. Macintosh and their children Elspeth, Donald and Allison spent the week end at their cottage on Lake Rosseau. Their guests were Mr. and Mrs. John Inglis and their children Jean Anne, Barbara and John Jr.

After two weeks leave spent at home, Douglas Hazell, son of Mr. and Mrs. Victor Hazell of Norval, returned to the naval training centre at Hochelago near Montreal. He will spend two weeks there prior to transfer to Halifax for permanent duties.

Miss Irene Hunter, daughter of Mr. and Mrs. William Hunter, of Terra Cotta, recently tried her grade 8 piano examinations at the Royal Conservatory of Music and successfully passed them with first class honours. Irene is the pupil of Mrs. Harold Silverthorn, Snelgrove.

Mr. and Mrs. William Hunter, Terra Cotta, Mr. and Mrs. Charles McNally and Mrs. Harold Inglis were guests at the McGillis-Warren wedding in Lesaie Presbyterian Church on June 5th. The bride is the youngest daughter of Mr. and Mrs. Robert J. McGillis, he is president of the Laura Seccord Candy Company. They also attended the wedding-reception at the Granite Club.

Fred Ruddell, R R 3, farmer, has been able to come home after a five month stay in Hamilton General Hospital where he was taking treatment for a back injury. Linda Leigh Jenner, daughter of Mr. and Mrs. Charles Jenner, 40 Charles Street, celebrated her tenth birthday with a party. Her guests included Jane McFarlane, Judith Calder, Nancy Masterman, and Mary Bonathan. Another guest, Jennifer Inglis was unable to attend because of illness. Linda's birthday is the 4th of July but because of school holidays she had her party before school closed.

### Atom Hearts Maintain Winning Soccer Pace

The Atom Hearts maintained their enviable pace in the Oakville and district minor soccer league by bouncing the power-packed South Peel squad 5 to 2 last Tuesday evening at Georgetown park. The win was the 3rd consecutive for the young club and enabled them to take over sole possession of first place. The two goals registered by South Peel were the first scored on the regular schedule.

They have now netted nine goals while allowing only two and after only three outings are showing their heels to clubs with much more experience. South Peel will get a chance to burst the bubble when they clash in a rematch with the Atoms this week.

While not showing the same domination as their younger counterparts, the bantam Hearts stayed close to the leaders in their loop by blanking Hopedale Athletic 1-0 at Hopedale on Friday. Barry Vinden was Hearts marksman scoring for the locals early in the first half and from then on it was a battle of goal keepers with superb stops being made at both ends.

The Bantams take on Brampton YMCA next Friday evening at the Park with kickoff time scheduled for 7 p.m.

MISSIONARY SPEAKER ONCE LIMEHOUSE RESIDENT

Hornby United Church was nicely decorated with bouquets of spring flowers for the tea sponsored by the WMS which was held on June 9th. Mrs. Hill and Mrs. Coulton welcomed the guests at the door. Mrs. Coulton was chairlady for the program which opened with a hymn and prayer. Two passages of scripture were read, one by Mrs. C. Sinclair and the other by Mrs. R. Wilson. Mrs. Coulton gave the meditation and read an appropriate poem. Mrs. H. Learmont rendered a solo accompanied on the piano by Mrs. G. Elliott. Mrs. C. Wrigglesworth introduced the guest speaker, Miss Muriel Stephenson, a returned missionary from India who is on furlough. It was learned that Miss Stephenson had lived at Limehouse during her childhood. Everyone was thrilled with her message and the things she had on display. Misses Donna Kingdon and Betty Ann Robertson rendered a duet and Miss Linda Wilson gave a piano solo. Mrs. Learmont favoured with another solo. Mrs. M. J. Brown thanked all those who had helped to make this program so enjoyable. All were invited to the basement for a delicious lunch that was served and a pleasant informal time spent with Miss Stephenson who favoured with some violin music.

ANNIVERSARY

Mr. and Mrs. Jesse Brandford, 28 Queen St. will be at home to their friends on the occasion of their 60th wedding anniversary on Saturday, June the twentieth, from two to four and seven to nine.

ENGAGEMENTS

The engagement is announced of Isabel Elizabeth Thompson of Georgetown, daughter of the late Mr. and Mrs. Elmer Clifford Thompson, to Mr. Edward Graydon Wigget, son of Mr. and Mrs. Reginald Daniel Wiggett of St. Catharines. The marriage is to take place in St. Catharines on June 27th.

UNITED ANNIVERSARY

Members of Norval United Church board Rev. Morgan McFarlane of Georgetown on Sunday when he preached at anniversary services.

Ruth Imond and Joan Crawford spent the week-end at Dorset.

### INJURIES FATAL FOR PAPERMILL ENGINEER

An accident in the boiler room of Provincial mill on Friday proved fatal to one of the mill's employees, George Kovacs, of 61 John Street E. Mr. Kovacs was taken to Guelph General Hospital after flames from combustion gases burned him about the head and chest while he was tending a furnace. He died early Monday morning.

Mr. Kovacs who was employed with the mill as a third class engineer was carrying out a routine duty of breaking up a large cinder in the grates of the boiler with a steel poker when the sudden flashback caused by the igniting gas took him by surprise. He was able to walk by himself to the first aid room where he was treated pending the arrival of Dr. O. M. Brewster and the Georgetown Volunteer Ambulance Service.

Mr. and Mrs. Kovacs and their six children had only recently moved back to Georgetown after living for the past few years in Hillsburgh.

Funeral service took place this afternoon in the Presbyterian Church in Hillsburgh.

## HALL WINS HALTON SIXTH TIME FOR CONSERVATIVE PARTY

### Anglicans Seek Funds For New Parish Hall

A building fund and stewardship canvas for St. George's Anglican Church will be launched on Thursday, at a dinner to which all members of the parish have been invited. The dinner will take place in Knox Church Hall.

The church has engaged Methods Association for Church Finance to supervise the canvass which is designed to raise funds for a new parish hall, while maintaining the regular church budget at its present level.

Irwin Noble is general chairman for the canvass, with other officers including Jack Gunning, canvass chairman; W. H. Carr, initial gifts; Jack Armstrong, special gifts; Mrs. Sam Walker, Mrs. Tom Van Sickle, Mrs. O. Mills, hostess committee; Thomas Parry, treasurer; Doug Meades, Sam Penrice, teams committee, William McNally, Stan Finlay, honorary chairman. Thomas Eason, Lloyd Kynnersley, Wilf Brisbois and John Elliott are division leaders. Team captains include Horace Lambie, Paul Thomson, William Chaplin, Fred Helson, Charles Harris, Ralph Bank, Bob Borland, Jack Meades, Frank Evis, Ken Robertson, Tom McColgan and Thomas Parry.

### Toronto Youth Victim In Terra Cotta Accident

The Georgetown Volunteer Ambulance was summoned on Sunday night to the scene of an accident north of Terra Cotta, which claimed the life of one Toronto youth. Steve Pygiel, 19, of Gillespie Ave., Toronto, a passenger in the car, was thrown out and then pinned beneath the car as it came to rest.

The driver of the 1951 Meteor, William Glen, 20, and the other passenger, Jack Lorbach, 19, both also of Toronto, explained that the car had swerved out of control on a bend, and overturned into the ditch on the east side of the road.

His two companions tried in vain to extricate Pygiel, but were not able until another car was flagged down and assistance was given.

It took only 18 minutes for the ambulance volunteers to reach the scene of the crash from their homes, and at that time an extremely feeble heartbeat was discernible, and the injured youth was rushed to Brampton, but pronounced dead on arrival at Peel Memorial Hospital by Dr. H. H. Hetherington.

The accident which occurred on the sixth line, one half mile north of Terra Cotta playground, was investigated by the Port Credit detachment of the Ontario Provincial Police.

### Vintage Cars to Appear in Georgetown

The annual London to Brighton tour, a marathon made yearly by the antique cars of the Vintage Car Club of Canada will be passing through Georgetown this year and interested localities will be able to inspect some of the aged automobiles when they make a brief stop at Chuck Tyler's BA station on Guelph Street at the eastern town limits.

Mr. Tyler said the procession of twenty five to fifty cars will depart from London sometime on Sunday night and will arrive in town at approximately 9 o'clock, Tuesday morning June 23rd.

The tour simulates London to Brighton excursion which has become a tradition in England.

### SCOUT LADIES MEET

The ladies auxiliary of Third Georgetown Scouts held their final season's meeting June 7th, a pot luck supper in Knox Church hall. Final plans were made for a rummage and bake sale to be held in Knox Church hall.

A crocheted flower basket, made and donated by Mrs. T. McColgan, 4 Bard Lane, in aid of the camp fund was won by Mrs. Allan Teeter of 9 Draper Street, who held ticket No. 62.

Regular meetings will resume in September.

### SILVER-WOOD

MRS. K. C. LINDSAY HOSTESS FOR SILVER-WOOD W.I.

Fifteen members braved the heat of last week to attend the June meeting of Silver-Wood W.I. which was held at the home of Mrs. George S. Sivill. "Education" was the theme of the meeting which was convened by Mrs. K. C. Lindsay and the roll call was answered by naming a local councillor, or a member of the local school board. In keeping with the subject, Mr. Arthur Roy and Mr. M. Cole, both members of the area board, were present to talk on the duties and problems of the board members, and to answer any questions asked by the members. They envision a day when all pupils will be transported to central schools, for it is not economical building a one room addition to present day rural schools, and many of them are inadequate as to heating, sanitary facilities, etc. This of course will be expensive, and the poor taxpayer has to be taken into consideration of course. They feel that a better system of education can be had, also a better staff, in schools of several rooms.

A short business session was followed by current events given by Mrs. F. Campbell by Mrs. Carl Michael and a reading of the short biography of Mrs. Henderson's grandfather, Mr. Hugh Black, who was a surveyor in this part of the country when it was being opened up, by Mrs. Marchington.

Damage was nil in a minor blaze on the property of Rex Hesel Sunday afternoon which firemen had little trouble in dousing it.

### LITTLE DAMAGE

Stan Hall, Progressive-Conservative standardbearer in six provincial elections was returned as Halton's MPP in Thursday's election which saw his party again in power with a substantial majority.

In Halton, Owen Mullin, in his first bid for office, trailed Mr. Hall by 714 votes. Hall tallied 10,348; Mullin 9,634 and Jack Henry, CCF had 3,994.

Locally there was a sharp swing to the Liberals, while Esqueping gave almost equal votes to the two major parties. Fifty per cent of eligible voters went to the polls in Halton.

Detailed election results will appear in a future issue of the Herald.

### Plastic Uses Explained To Terra Cotta Farmers

Earl Lince of Smith and Stone plastics division was the guest speaker at this month's meeting of the Terra Cotta Farmers Club at the home of Mr. and Mrs. George Fraser on Monday, June 1st. Mrs. Harvey Puckering introduced Mr. Lince who addressed the club on the processing and multiple uses of plastic. He accompanied his talk with a film and brought a number of the manufactured articles to further illustrate the product.

Fraser Macdonald chaired the meeting and vocal solos were sung by Barbara Carney. Mrs. Wilfred Leslie thanked those taking part in the program and lunch was served by conveners Mrs. Owens Macdonald and Mrs. Harry Boardmore.

In a separate ladies meeting held prior to the joint assembly, the roll call was responded to with "things I wore as a bride" and Mrs. Harvey Puckering took the paper "marriage customs in other lands". In the absence of the president, Mrs. Don Dolson, Mrs. Puckering also chaired the meeting which was well attended.

### Milton Firemen Aid But Rescue Bid Fails

Wilfred Penson, son of Mrs. Frank Penson, 7 Ewing St., and the late Frank Penson, worked vainly for two hours in an attempt to revive 10 year old Billy Bailey and his 9 year old sister after the pair were pulled from a deep hole in sixteen mile creek near Oakville last Wednesday. Mr. Penson is a captain with the Milton fire department who with the aid of the Trafalgar department used artificial respiration and an inhalator to try to bring them around.

Playmates said Diane disappeared suddenly while paddling and Billy went toward her when she came to the surface struggling. Both sang and didn't come up.

They were the children of Mr. and Mrs. William Bailey, of Drumquin, five miles north of Oakville and leave a brother and two sisters, Mary Lou, 5, Bruce, 3 and Heather Ann, 12 months. Mr. Bailey is an unemployed ex Avro worker and collapsed when told the tragedy.

The creek was believed safe for children to paddle in.

A committee was named to assist the convener of the usual July picnic, Mrs. E. L. Miller. This will be held at Waterfalls playground, and all members of the community are welcomed. Mrs. Shier and Mrs. Lindauer assisted the hostess in serving lunch.

We are glad to hear that Mrs. K. C. Lindsay is expected to return to her home soon following an operation on her eye.

Money from the school concert, filled out by the Stone School Community Association,
