LABATT'S YEAR-ROUND SERVICE TO MOTORISTS WINS SAFETY LEAGUE MERIT AWARD

Three decades of year-round service to stranded motorists on Ontario highways has won for Labatt's big gold truck fleet an Ontario Safety League Public Safety Award. On the thirtieth anniversary of Labatt's Highway Courtesy Service, Safety League General Manager Fred H. Ellis presents the illuminated award scroll to Driver William Jodrell while Peter Murray and Arthur Robertson, Labatt's Transportation Superintendents, look on. In 1929 Labatt's truck drivers started their friendly custom of stopping to assist motorists in difficulty. Rendering this welcome public service in snow, rain and heat, they have established a reputation which is known far beyond the boundaries of Ontario. The Safety League Award recognizes the continuing contribution made by Labatt's Highway Courtesy Service to safe and happy motoring on Ontario highways.

4-H Farm Clubs Have 125 Members in Halton

"Hospitality" was the theme on Saturday, May 30th, at the Agricultural Hall, Milton fair grounds, when Halton County 4-H Home-making clubs completed their spring project, "The Club Girl Entertains."

With a record membership of 115 the eleven clubs throughout the county brought this interesting study to a fitting climax at Achievement Day.

Record books and Hostess Files compiled during the course, were on display in the hall all day, and the morning program beginning at nine o'clock was a busy one, when the members judges classes of dining room table bouquets and plates of sandwiches, arranged for afternoon tea. Oral reasons were given on the former. Each girl also had half an hour to plan in detail, a party for a specific occasion. This was to be a July 1st celebration which would welcome to the community a Dutch family, and particularly their young daughter of the club members' own age.

There were many interesting suggestions given by the club girls for original invitations, decorations, entertainment and refreshments, which would combine both Dutch and Canadian themes, and make the newcomer feel at home in her new surroundings. Assisting Mrs. Mabel Borgstrom, throughout the program were Halton County Home Economist, Mrs. Marilyn Ritchie of Perth County; Miss Wilda Gordon of York and Ontario counties; and Mrs. Marion Montgomery, Nobleton.

An innovation at this year's Achievement Day was the noon luncheon served cafeteria style by Scotch Block Women's Institute, and this was much appreciated by members and leaders alike.

Following the noon interval, many mothers and other interested visitors attending were welcomed by the Home Economist, who thanked them for their interest and promotion of Homemaking Club work.

Mrs. Velma Noyes, district president of the Home Economists, presided over the afternoon session, and from her organization she presented the club members, as did Mr. J. A. F. Agricultural representative.

A group of exhibits, demonstrating the work was then presented by Carolyn Gardhouse of Hornby North, commenting on their exhibit of "Table Centres for Different Occasions." Limehouse, Nelson and the Scotch Block clubs also used this topic, with commentators Heather Clarke, Eleanor Taylor, and Margaret Hume respectively. "Sandwiches for Afternoon Tea" was Milton's choice, with Ann King commenting while Palermo chose "A Table Set for Two" with Gail Lofquist, giving the comment.

Mrs. Ritchie, one of the visiting Home Economists, then delivered a short critique on the exhibits, commending the clubs for the attractive displays and making suggestions for their improvement.

Ashgrove, with Doris Pickett and Margaret Austin as performers, demonstrated the topic, "Packing a Week-end Bag," as did the Nasagaweya group of Doris Moffat, Carol Freeman, and Heather Gates. "Flower Arrangement" was the choice of Donna Ledger and Linda Swackhamer of Bannockburn, while "Tea is Served" was ably demonstrated by Caroline Hoey and Barbara Break of Hornby S.

The same topic, presented in skit form by Mary Moffat, Shirley Langgevin, Judy Britton, Doris Robinson, Kathy Davies and Muriel Cox, was Dublin's selection.

These demonstrations were then commented on by Mrs. Marion Montgomery, a former member of the Home Economics Service, who remarked that she had herself begun her Homemaking Club work in Halton County.

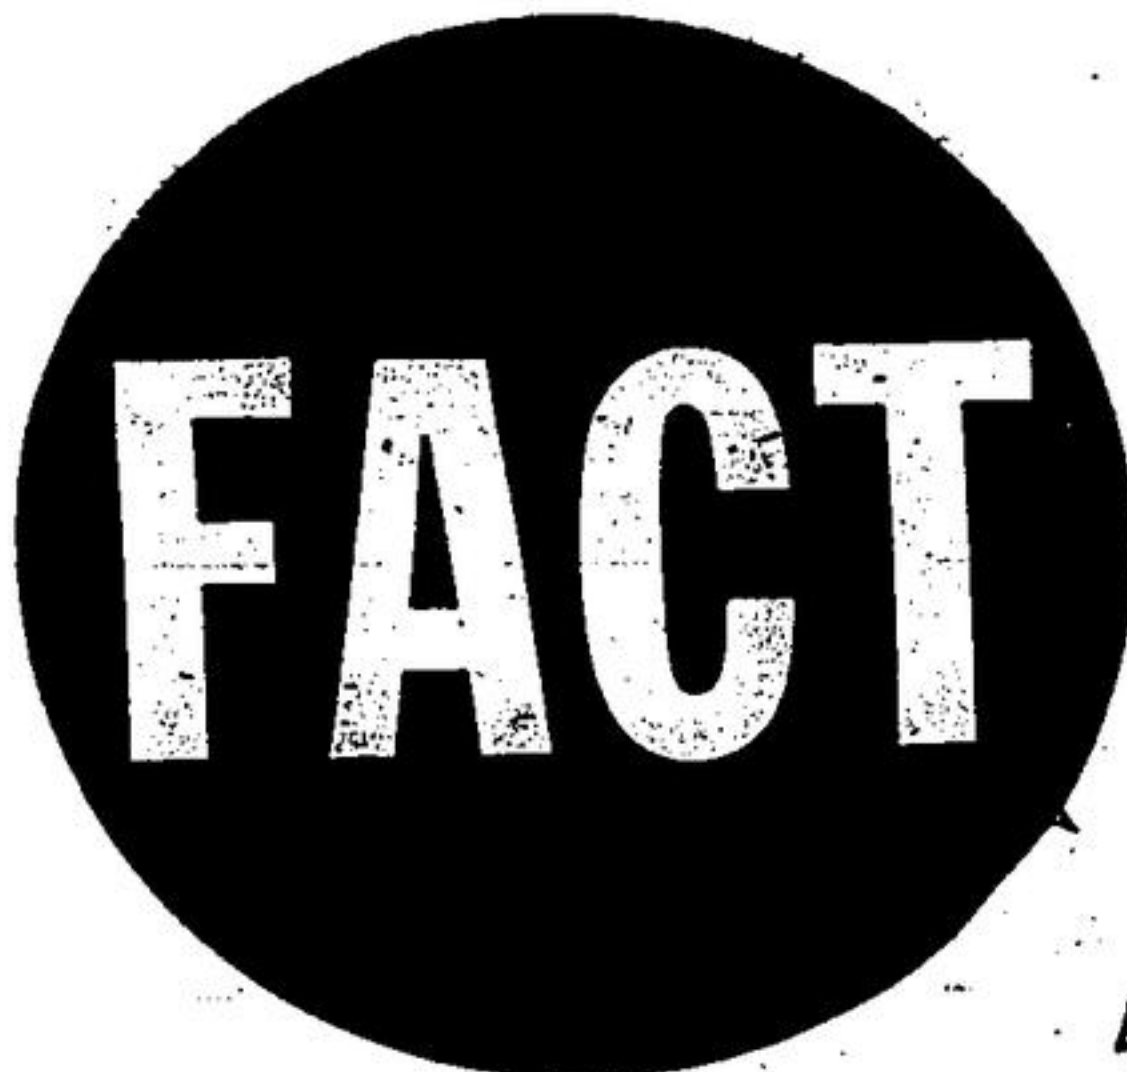

The afternoon programme was concluded by a series of presentations, in which Mrs. Velma Norris and Mrs. Guy Bussell, representing the Women's Institute, assisted.

County Honour Certificates and Pins for all girls who completed their sixth project since last spring, and Provincial Honours for those completing their 12th project, led this list. The latter went to Beth McEnery of Bannockburn; Ruth Robertson, Evelyn McKay and Martha Hay of Hornby North.
